PUBLICITY-SUPPORT GROUPS

DIRECTIONS - Please respond to the following questions or statements regarding your cheerleading squad(s) and other support groups. Add pages if more space is needed to answer any of the questions/statements. Please type or write legibly in ink.

1. How many cheerleading squad(s) will your school have for the 2009-2010 school year? ONE

2. What is (are) the name(s) of each squad? For example, the following are typical names: generals, or black and gold, or boys' varsity and girls' varsity, or varsity and junior varsity. Varsity Cheer

3. Describe, in detail, the selection process for each named squad.

Two tryout sessions. One in May and one in August. The one in May is for present members of our high school and its feeder middle schools. The one in August are for transfers from other schools and other members whom did not try out the first time.

4. How is each cheerleading squad assigned to home and away athletic contests? Include football as well as boys' and girls' basketball (and any other sport) at the varsity and junior varsity levels. Include any rotation plans or alternating game assignments that your squads follow.

We have had one squad for the past 10 years. It has been small in nature. This year our squad has had an increase in numbers which will mean a split may happen for road contests. They will be split evenly and cheer equal contests.

5. Name any squad(s) that takes part in competitive cheerleading events.

Our Squad as a whole usually takes part in up to three cheer events during our school year. Karos is always one scheduled event.

6. Do you have any other school support groups such as pep band, dance teams or mascots that perform at athletic contests (Y/N)? If yes, name them and describe how they are assigned.

Pep band supports at every home football game and district only contests for girls and boys basketball. They play at all district, region and state contests.
