**RE: Weight Room Schedule per Title IX**

**FROM: Russ Kline, Athletic Director  
Pleasure Ridge Park High School**

*Two years ago we remodeled a old weight room and added three weight machine groups for our girls programs. This room is strictly for girls and the coaches of our girls programs work together scheduling their teams in the room. There is no conflict between our girls programs and our boys programs when scheduling the weight rooms.*

*Russ Kline, A.D.*
