RCHS Varsity Athletic Uniform
Purchase Policy

RCHS will strive to follow a varsity athletic team uniform purchase policy, should funding be available, and the school's administration deem the team's current uniforms need replacing:

Sport	Proposed Year of Review
Year 1: Boys' and Girls' Basketball	Spring 2018
Year 2: Softball and Baseball	Spring 2020
Year 3: Volleyball	Spring 2016
Year 4: Cross Country and Track	Spring 2017
Year 5: Football	Spring 2018

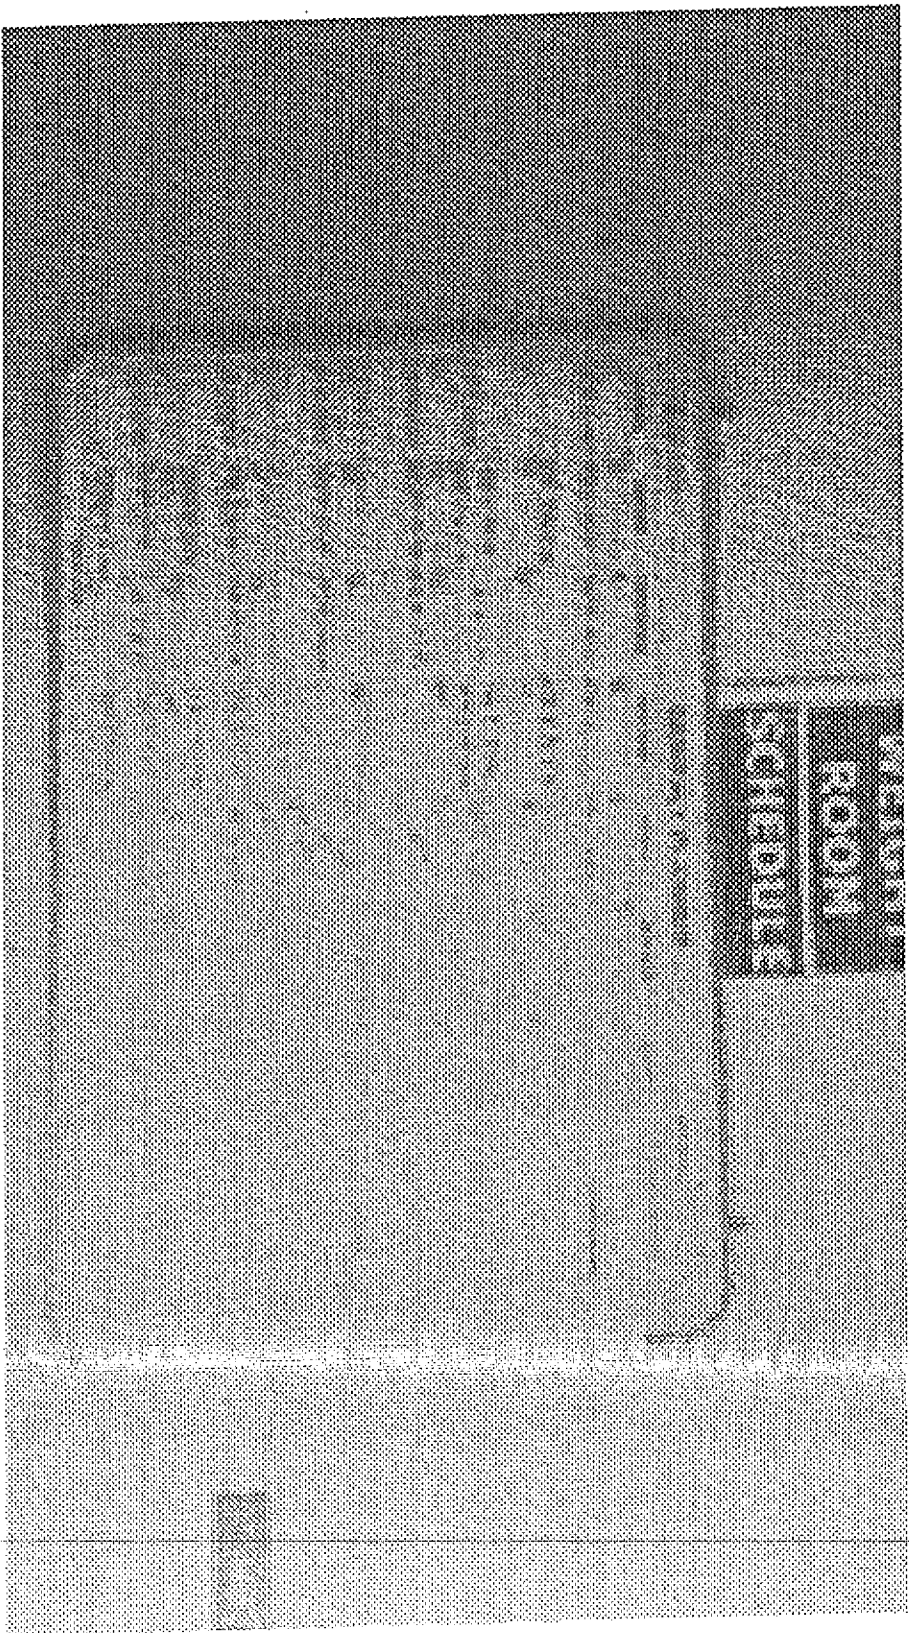

Funding for the approved purchases will come, if available, from the school's general athletic fund. If funding is not available through the school's general athletic fund, other available sources will be sought. If funding is still unavailable, the purchase cycle will be delayed until the cycle can be picked back up at the point it was last followed.

At no time should a team's uniforms be purchased by any outside source (booster club, local business, organization, individual, etc.) without first receiving prior approval of the RCHS SBDM Council, who will work to follow the requirements of Title IX.
