Policy and Procedures for Event Security and Safety

Effective: October 1, 2014

Policy

Any event sponsor (i.e., student organization, faculty or staff) at Rose Hill Christian School has a responsibility for the safety of audience members and participants, as well as performers and workers. Events covered under this policy include but are not limited to:

- Concerts
- Lectures/Speeches/Indoor Rallies
- Public performances or theater productions
- Sporting events/competitions
- Outdoor events

Procedures

In the event of an emergency situation, the Principal or their designee will assume the role of the Incident Commander until relieved of that duty per Incident Command Principles. The following universal procedures will be adhered to as described.

A. Evacuation (For use when conditions outside are safer than inside)

- ▶ *When announcement is made over the public address system or an alarm sounded:*
- ▶ Take the closest and safest way out as posted
(use secondary route if primary route is blocked or hazardous)
- ▶ Assist those needing special assistance
- ▶ Do not stop for personal belongings
- ▶ Go to designated Assembly Area
- ▶ Check for injuries
- ▶ Wait for further instructions

B. Reverse Evacuation (For use when conditions inside are safer than outside)

- ▶ *When the announcement is made:*
- ▶ Move students and staff or guests inside as quickly as possible
- ▶ Assist those needing special assistance

- ▶ Report to gymnasium
- ▶ Check for injuries

C. Severe Weather Safe Area (For use in severe weather emergencies)

- ▶ *When announcement is made or alarm sounded:*
- ▶ Take the closest, safest route to shelter in designated safe areas (use secondary route if primary route is blocked or dangerous)
- ▶ Assist those needing special assistance
- ▶ Do not stop for personal student/staff belongings
- ▶ Close all doors
- ▶ Remain in safe area until the "all clear" is given
- ▶ Wait for further instructions

D. Shelter in Place (For use in external gas or chemical release scenarios)

- ▶ *When the announcement is made:*
- ▶ Occupants are to be cleared from the halls immediately and to report to nearest available classroom or other designated location
- ▶ Assist those needing special assistance
- ▶ Close and tape all windows and doors and seal the gap between bottom of the door and the floor (external gas/chemical release)
- ▶ Do not allow anyone to leave the building
- ▶ Stay away from all doors and windows
- ▶ Wait for further instructions

E. Lockdown (For use to protect building occupants from potential dangers in the building where an evacuation is not the best option of consideration)

- ▶ *When the announcement is made:*
- ▶ Occupants are to be cleared from the halls immediately and to report to nearest available classroom.

NOTE: In an event in the gymnasium or auditorium, it may not be feasible to engage in + a lockdown procedure if the active aggressor is within that location. An evacuation from that area may be the best option of consideration at that time.

- ▶ Assist those needing special assistance
 - ▶ Close and lock all windows and doors and continue to assess the situation
 - ▶ Stay away from all doors and windows and move occupants to interior walls and drop
 - ▶ **REMAIN QUIET** and wait for an official to open the door
- F. Drop, Cover and Hold (For use in earthquake or other imminent danger to building or immediate surroundings)**
- ▶ *When the command "Drop" is made:*
 - ▶ **DROP** - to the floor, take cover under a nearby desk or table and face away from the windows
 - ▶ **COVER** - your eyes by leaning your face against your arms
 - ▶ **HOLD** - on to the table or desk legs, and maintain present location/position
 - ▶ Assist those needing special assistance
 - ▶ Wait for further instructions

Personnel Responsibility:

In order to successfully mitigate safety and security risks at any event, it is imperative to maintain a
