The Russellville High School Athletic Department will ensure that proper signage will be posted and placed in numerous areas to show where the public restrooms are located for fans and spectators who attend the Lady Panther Softball games. (These restrooms are located by the baseball field and are in reasonable walking distance from the softball field). The expenses of this project will be taken care of by the Russellville High School Athletic Department.

Kim McDaniel, RHS Principal

Calvin Head, RHS Athletic Director

The Russellville High School Athletic Department will be looking for suitors to contract out the work completion of the Lady Panther Basketball Locker Room upgrade, specifically the addition of overhead locker cubbies. These will be feasible to what the boys lockers have in the Panther Basketball locker room. The athletic department will receive bids and quotes on the work. Updated information on this project will be submitted to KHSAA on the April 30, 2015 Title IX report. The expenses of this project will be taken care of by the Russellville High School Athletic Department.

Calvin Head, RHS Athletic Director

The Russellville High School Athletic Department will assign the open room that is adjacent to the girls basketball locker room to the girls basketball head coach and deem the space as his/her coaches office.
