

SCHOOL YEAR 2011-2012 ACCOMMODATION OF INTERESTS AND ABILITIES SUMMARY PROGRAM CHART

Participation Opportunities Test Three Full Accommodation

FOR ANY QUESTION ANSWERED "YES" IDENTIFY THE RESPECTIVE SPORT(S) AND DESCRIBE YOUR IMPLEMENTATION PLAN IN LINE (5).

	GIRLS	BOYS
	(Yes / No)	(Yes / No)
1. Based on the responses from your most recent student survey, is there sufficient interest to form a viable varsity interscholastic team for a sport not currently offered? If yes, what sport?		No
2. Based on the responses from your most recent student survey, is there sufficient interest to form a viable junior varsity interscholastic team for a sport not currently offered and for which there is not sufficient interest to form a viable varsity interscholastic team? If yes, what sport?	No	No
3. Based on the responses from your most recent student survey, is there sufficient interest to form a viable freshman interscholastic team for a sport not currently offered and for which there is not sufficient interest to form either a viable varsity or junior varsity interscholastic team? If yes, what sport?	No	No
4, If you answered YES to question (1), (2), or (3), are there enough high schools in the geographic area offering the sport (at the appropriate level) to allow for the development of a reasonable schedule of competition?	No	No

Remember, test three – full accommodation means addressing the unmet interest of the underrepresented sex (most likely girls); not the overrepresented sex (most likely boys).

Describe your plans to address interest below

Our survey revealed an interest in girls volleyball and that interest has surfaced before in the past. Being a small private school and with our enrollment down we have struggled the past several years getting sufficient numbers to field all of the teams that we currently offer which is considerable given our size. Adding an additional team would place significant additional strain on female participation and we would run the risk of losing other girls sports. However, in response to the interest that we saw in our survey, we have started to hold volleyball practices for any interested girls this spring but have not made it a competitive interscholastic team. We will be using these practices and guaging the participation to see how strong the interest truly is.
