Re: Next Meeting

I had previously set the next meeting for November 4, 1999, but due to another meeting on the same date and in the evening, I need to schedule our next meeting for **October 26, 1999**. We will meet at Shelby County High School, **11:30 A.M.-1:00 P.M.**, in the conference room, located in the front office area. Lunch will be provided!

The middle schools and the high school have completed their Interscholastic Athletics Student Surveys. We will review the data and start to work on our plan. At a quick glance, it appears the middle schools students have asked for volleyball or field hockey to be added. Gary Kidwell and I both attended the Title IX Conference several weeks ago in Lexington and we can share information with you from this conference.

If you can not attend on October 26th, please call my office and leave a message and let me know before October 20th, so I will know how many to include for our lunch.....thanks so much and have a great day!

August 10, 1999

Dear Eddie,

The Kentucky High School Athletic Association (KHSAA) is requiring Kentucky school superintendents to establish a Gender Equity/Title IX Committee. Dr. Leon Mooneyhan, Superintendent, has asked me to contact you to see if you would serve on our district committee for the 1999-00 school year. Mr. Phillips, Board chairman, recommended you as the committee representative for the Board members. Dr. Mooneyhan has asked me to serve as the Chair of this committee.

Title IX is the portion of the Education Amendments of 1972 which prohibits discrimination on the basis of gender in education programs or activities receiving federal funds. Although we will study the issues relating to athletic activities in our schools, we will look at other programs and curriculum issues.

Our first meeting will be **August 24, 1999, 7:00 P.M.** at the administrative offices of the Board of Education, 403 Washington Street. Please let me know by August 17th, whether you can or can not serve on this committee. If you can serve, but cannot come to the first meeting, I will also need to know this. Our meetings will last no more than 60-90 minutes. We will be required, by the KHSAA, to have at least three meetings during the school year.

If you have any questions, do not hesitate to contact me. Thank you very much.

Sincerely,

Tina B. Tipton
