

**SOUTH OLDHAM HIGH SCHOOL**  
**AWARDS POLICY**

In addition to individual sport lettering requirements for individual athletes at South Oldham High School—see attached spreadsheet—South Oldham High School also recognizes one male and female athlete each week during the playing seasons as Edward Jones Athlete of the week. This athlete is chosen by his/her head coach and the award is sponsored by Edward Jones of Lagrange, KY. Each honoree receives a plaque.

In addition to these individual awards, South Oldham High School recognizes teams in the following ways: 1) each team has a banner in our main gym that recognized them for winning a district or region title. The banners are all uniform in style and are add-a-year banners; 2) Any team that wins a State Championship, has a large banner hung from the rafters of the main gym recognizing their achievement. These banners are also standardized in nature.

**LOCKER ROOM & STORAGE ROOM ASSIGNMENTS**

Please see enclosed spreadsheet entitled “South Oldham High School – Sport’s Team Locker Room Storage Area Assignments.”

**SOUTH OLDHAM HIGH SCHOOL**  
**UNIFORM PURCHASE OR REPLACEMENT GUIDELINE/POLICY**

Please see the enclosed spreadsheet entitled “South Oldham High School – Sport’s Team Uniform Replacement Guidelines” for each sport’s specific plan/policy. At South Oldham once we purchase new items for the varsity teams we hand down the old varsity uniforms to the lower levels of play—Junior Varsity or Freshmen. We also try to have the major team sports on different years of the rotation for the purchase of new uniforms for budgetary reasons.
