Mr. Bilberry I am writing to you concerning 4 issues the Title IX re-visit brought up with us after their visit Monday february 5th.

Letter A we addressed in this years title ix file and will follow up at our yearly Coaches meeting Thursday 11th, 2013

Letter B transportation is provided by the school to all athletic events on a equal basis. Sometimes due to limited vehicle and drivers we are reduced to borrowing or renting buses in order to transport student/athletes.

Letter C we were asked to list the storage spaces for all our teams. Football, Baseball, Softball, Boys & Girls basketball teams all have in their lockerrooms storage areas to secure team gear. Boys & Girls soccer store their gear and uniforms in an area provided for them in our Football Fieldhouse which they have a key to their areas.

Cross Country & Track teams secure in the Boys PE Coaches office, in separate storage cabinets, their team gear. Tennis team currently secures their gear in our Coache's office. Volleyball team uses file cabinets in our Girls Basketball lockerroom. In addition Cheer and Dance have separate storage areas.

Letter D we were to address our current awards guideline. Allathletes are given a letter and or bar as well as a certificate. Seniors also receive medals in their particular sport/activity. Other awards may be given by individual groups as determined by the Coach and financial staus of the group. Also our Booster Club helps provid efor team banquets.
