**SUPPORT GROUPS**

**DIRECTIONS** – Please respond to the following questions or statements regarding your cheerleading squad(s) and other support groups. Add pages if more space is needed to answer any of the questions/statements. Please type or write legibly in ink.

1. How many cheerleading squad(s) will your school have for the 2005-2006 school year?  
**One squad divided into two for basketball season.**
2. What is (are) the name(s) of each squad? For example, the following are typical names: generals, or black and gold, or boys' varsity and girls' varsity, or varsity and junior varsity.  
**A & B Squads**
3. Describe, in detail, the selection process for each named squad.  
**We divide up basically by stunt groups-three on each squad. We try to have a captain on each group and divide the out with an equal number of upper and lower classmen on each squad.**
4. How is each cheerleading squad assigned to home and away athletic contests? Include football as well as boys' and girls' basketball (and any other sport) at the varsity and junior varsity levels. Include any rotation plans or alternating game assignments that your squads follow.

**Everyone cheers football since there is only one game per week. The two squads simply take turns, every other game, boys or girls, during basketball season.**

5. Name any squad(s) that takes part in competitive cheerleading events.  
**None**
6. Do you have any other school groups such as pep band, dance teams or mascots that perform at athletic contests (Y/N)? If yes, name them and describe how they are assigned.

**Yes-Dance Team-they perform and the request of the Athletic Director. They perform equally at boys/girls basketball games as requested.**
