Policy concerning the posting of items in the gymnasium:

Posting of banners:

Team recognition banners will be posted in the gym for all teams that win district, region, or state KHSAA competitions.

Awards will be capped at 10.00 per plaques per player. Any awards costing more than 10.00 dollars must be approved by the principal.

Each team will be given 10.00 per student for an **athletic banquet** for food. Award plaques are limited to 10.00 per player.

Update 2/18/14

We are currently looking at putting together an athletic hall of fame that will be based on athletic accomplishments. Student-Athletes who were all-state, all-district, or all conference could be considered. Students would be nominated by a nomination form and would have to be approved by the Hall of fame committee. We will select an equal number of members by gender each year to the athletic hall of fame.

Valley High School per-diem food allowance

Updated 02-19-2014

The policy that is in place for the feeding of student athletes has been updated since 2006 and is as follows:

Each athlete will be allocated 21.00 per day on out of town tournaments and games.

Breakdown per meal:

Breakfast 5:00

Lunch 7.00

Dinner 9.00

Updated 2/19/2014

Transportation- We will use 2 school owned activity busses for our regular games and practice activity runs. When our teams exhaust our supply of busses we then call a contract bus service. (Miller Transportation 165.00 a run). The contract bus is used when we have no other option. It is a school bus exactly like the ones we use on our runs.

Updated 1/10/14

Hotel rooms will have a minimum price of 55.00 and a Maximum price of 115.00

There will be 4 athletes assigned to each room.

All overnight stays must be approved by the principal.
