Barbourville	Barbourville Public Schools	10/30/18	2018-2019	Equipment & Supplies	The school failed to implement an equitable uniform review, rotation, and/or replacement plan for all school-sponsored teams. In addition, spending in this benefit category significantly favored the male athletes.	On or before January 25, 2019, the school is to submit to the KHSAA a written uniform review, rotation, and/or replacement plan that shows a full cycle of replacement for all school-sponsored teams. This plan should be signed by all members of the Gender Equity Review Committee, all head coaches, and the school principal and athletic director.	School requested and was granted an extension for submittal of required documentation until February 4, 2019.	All required documentation was received on February 8, 2019. All materials were checked and approved on February 11, 2019. No further action necessary at this time.	Gary Lawson

Bath County	Bath County Schools	9/17/18	2018-2019	Travel & Per Diem	No specific policies regarding equitable provision of the mode of transportation, meals, or lodging for student athletes were provided during the school visit. Interviews with student athletes did not confirm that equity was provided in regards to these benefits.	On or before December 3, 2018 the school is to submit to KHSAA written regulations addressing the equitable provision of the mode of transportation, meals, and lodging for student athletes.	School requested and was granted an extension for submittal of required documentation until January 7, 2019.	Requested documentation was received on January 9, 2019. The materials were reviewed and approved on January 9, 2019. No further action is necessary at this time.	Gary Lawson

Breathitt County	Breathitt County Schools	1/15/19	2018-2019	Travel & Per Diem	There was no written guideline that ensured the equitable benefit of Travel and Per Diem.	On or before April 15, 2019, the school is to submit a written Travel guideline that would include the various mode(s) of transport for athletes to competitive events. It should also include a Per Diem guideline which would include the provision for meals and overnight stay (housing).	All required documentation was received on April 15, 2019. Materials were reviewed and approved on April 17, 2019.	No further action is necessary at this time.	Kathy Johnston
Breathitt County	Breathitt County Schools	1/15/19	2018-2019	Support Services	Due to insufficient and lack of expenditure reporting for the benefit categories of Equipment/Supplies, Travel/Per Diem, and Awards, an analysis of overall and per athlete spending could not be evaluated.	The School and District Title IX Coordinator should closely examine and report all expenditures that occurred during the 2017-18 school year. This shall be reported on the T-35 of the 2019 Annual Report. The specific categories for review include Equipment/Supplies, Travel/Per Diem, and Awards.	A review of expenditure data submitted as part of the 2019 Annual Report appeared to show improvement. As part of the submitted School Improvement Plan (T-60), a plan is in place to meet with all staff and coaches to review the reporting and receipt of all expenditure sources (school and booster). Indicated timeline of completion is August 1, 2019.	Communication will continue during the 2019-2020 school year to aid the school in this endeavor. Therefore, at this time, no further action is necessary.	Kathy Johnston

Danville	Danville Public Schools	10/18/18	2018-2019	Locker Rooms, Practice & Competition Facilities	Insufficient information of locker room assignment and/or designation for all teams.	On or before February 15, 2019, the school is to make the assignment of locker room designation for all teams. Completed locker room assignments should be signed by each head coach that would indicate acknowledgement.	Required documentation was received on February 14, 2019. Materials were reviewed and approved on February 20, 2019.	No further action is necessary at this time.	Kathy Johnston
Danville	Danville Public Schools	10/18/18	2018-2019	Support Services	There is a continued pattern of spending disparity and a lack of administrative oversight for booster spending.	On or before February 15, 2019, the school is to review the Benefit spending categories of Equipment/Supplies, Travel/Per Diem, and Awards to determine which team(s) spending pattern has led to the continued disparity. The school is to, also, evaluate all the required processes and procedures of all internal (school) and external (booster) accounts to purchase items. A school established written guideline should be submitted to include the oversight and prior approval of expenditures for athletic purposes, regardless of source.	All required documentation was received on February 20, 2019. Materials were reviewed and approved on February 22, 2019.	No further action is necessary at this time.	Kathy Johnston
Danville	Danville Public Schools	10/18/18	2018-2019	Locker Rooms, Practice & Competition Facilities	The 2000 Audit indicated a disparity in the softball facility as compared to the baseball and other athletic facilities. The disparity continues as the quality and amenities of the currently used softball facility do not compare with the baseball or other Danville High School Athletic Facilities. Observable differences include the lighting, scoreboard information, outdoor hitting facility, quality of dugouts, quality of game field relative to drainage and the actual field layout itself.	On or before February 15, the school is to submit a school district approved plan for the establishment of a softball facility that will meet the standard and amenities of the baseball facility as well as the viewed standards of all Danville High School Athletic Facilities. This should include facility layout, amenities to be included, and date for completion.	Documentation received included written verification by the Danville Board of Education signing a contract for the construction of a new softball field. Pending KDA approval, September 1, 2019 is the probable completion date. Also included was a line-item cost analysis for the Softball Field Project and a schematic design of the softball facility layout.	Recent documentation indicates that construction has begun and that the scheduled completion date is September 1, 2019. At this time, no further action is necessary. A request for any documentation, pictures and a possible site visit will be made upon the facility completion.	Kathy Johnston
