Comment:
Students in grades 8-12 were surveyed. The KHSAA Audit Team recommends that the next survey not be given to seniors. A high percentage of surveys were returned. The surveys were given to the students in the English classes. It does appear that the school has properly

surveyed its student body to accurately assess the interests and abilities of its students.

#### 4. Checklist of the Title IX Components of the Interscholastic Program

Benefit to Students	Satisfactory	Deficient	Comments
Accommodation of Interests and Abilities	X		In 1999-2000, all three tests were passed. In 2000-2001, the school passed tests two and three. Test three was passed in 2001-2002. Therefore, accommodation of interests and abilities was marked satisfactory.
Equipment and Supplies	X		No deficiencies were found.
Scheduling of Games and Practice Time	X		No deficiencies were apparent. However, the KHSAA Audit Team recommends that the school pursue a 50% goal for "prime time" games.
Travel and Per Diem Allowances	X		No deficiencies were found.
Coaching	X		An inequitable situation has existed concerning extended time and pay for assistant coaches. However, the Gender Equity Review Committee assured the KHSAA Audit Team that this problem has been eliminated. A list of all coaches, their assignments, and their salaries should be submitted to the KHSAA with the 2002-2003 Title IX Annual Report Forms.
Locker Rooms, Practice and Competitive Facilities	X		The KHSAA Audit Team recommends that the Gender Equity Review Committee discuss the possibility of adding universal machines to the weight room for the purpose of enhancing the use for female students. Also, a schedule for the use of the weight room should be posted.
Medical and Training Facilities and Services	X		No deficiencies were found.
Publicity	X		No deficiencies were found. One cheerleading squad cheers for boys and girls teams.
Support Services	X		Future budgets should include all booster club money.
Athletic	X		No deficiencies were found.

<b>Scholarships**</b>			
<b>Tutoring**</b>	<b>X</b>		No deficiencies were found.
<b>Housing and Dining Facilities and Services **</b>	<b>X</b>		No deficiencies were found.
<b>Recruitment of Student Athletes**</b>	<b>X</b>		No deficiencies were found.

**5. Brief Summary/Analysis of The Corrective Action Plan (T-60)**

Three of the last four items listed for correction have been completed. One item, fielding a girls' golf team, has not materialized. The KHSAA Audit Team recommends that this item continue to be listed on the Corrective Action Plan and that the elementary and middle school PE teachers be encouraged to include a unit on golf in their curriculum as a way to foster interest and participation in this sport. Also, "prime time" and universal machines for the weight room should be added as items for correction.

**6. Observed Deficiencies in Overall Girls and Boys Athletics Programs**

No deficiencies were found.

**7. Facility Recommendations or Concerns**

---

1. Bardstown High School only has one cheerleading squad for both boys and girls basketball. They cheer at all boys and girls home games and all district games.
2. In the 2001-2002 season the girls played eight prime time dates and the boys played twelve prime time dates. For the upcoming season the girls have ten prime time games to the boys twelve. Because of contract obligations we were not able to pick up or drop any other prime time dates. By 2004 season the scheduling of prime time games will be equal.
