Accommodation of Interests and Abilities	X		Softball, and swimming are of interest to girls; basketball, and wrestling are of interest to boys. Softball and baseball have been added on freshmen level.
Equipment and Supplies	X		Storage was rated good to poor with fair being most used response for boys and girls on equal basis. Quality of uniforms, equipment - good rating. Boosters have purchased some uniforms for softball and baseball.
Scheduling of Games and Practice Time	X		Girls BB expressed concern about Monday game - school should look at fair rotation of Monday games, review volleyball practice schedule, near beginning of BB season. In-season sport should have first preference.
Travel and Per Diem Allowances	X		The only sport that provided money for meals was football according to the report. Travel for Bullitt Central athletes was equally shared. Fast food was selection of coaches except for football (buffet).
Coaching	X		A large majority of coaches on all levels are on-campus. This is a plus for the total athletic program.
Locker Rooms, Practice and Competitive Facilities	X		Number of commodes insufficient in girls' locker room. Both boys and girls have practice/game sites off campus. Soccer field boys and girls lacks lights, scoreboard. There are lights for tennis
Medical and Training Facilities and Services			A posted schedule with times for each team would send message that weight room is available for all. The need for a certified trainer for sports where injury is likely would improve total athletic program. (T-28 all teams)*
Publicity	X		The reader gathered from this report that the soccer program would like some support from cheerleaders, pep bands especially on Senior Night. No team cards for spring sports. Publicity looks good overall.
