4. Checklist of the Title IX Components of the Interscholastic Program

Benefit to Students	Satisfactory	Deficient	Comments
Accommodation of Interests and Abilities	X		
Equipment and Supplies	X		
Scheduling of Games and Practice Time	X		From the information submitted by the schools, it appears that boys have the advantage in scheduling. There needs to be an adjustment in the game schedule to include more prime time games for girls.
Travel and Per Diem Allowances	X		
Coaching	X		
Locker Rooms, Practice and Competitive Facilities	X		Some fields are in need of lights and electronic scoreboards. (softball and baseball)
Medical and Training Facilities and Services	X		It appears that only two sports use the weight room perhaps a posted schedule would encourage other sports to use. No medical or certified staff at any of the main sports. Improvement needed in this area for all sports.
Publicity	X		
Support Services	X		Some office assignments favor men's sports. Re-assignment of office space would accommodate the girl's sports staff

The lack of medical or certified staff present at major sports contests is an area that needs immediate attention.

Lights and scoreboard for softball and baseball should be addressed.

9. KHSAA To Follow-Up Regarding Corrective Action If Necessary On The Following:

(Selection of Cheerleaders) On or before **December 15, 2000**, the school is requested to provide information to the KHSAA concerning the manner in which cheerleaders are selected for boys' and girls' teams. If cheerleaders are selected in such a way as to result in arguably better (i.e. "A" team vs. "B" team) cheerleaders performing at boys' events, the school shall also submit a plan under which cheerleaders of equal ability shall perform at an equal number of boys' and girls' games in comparable sport (i.e., boys' varsity and girls' varsity basketball game). OK
12/5/00

(Prime Time Contest/Girls' Basketball) On or before **December 15, 2000**, the school is requested to provide information to the KHSAA concerning the number of "prime time" games scheduled (games to be played on Friday and/or Saturday nights) for its girls' varsity basketball team during the 2000/2001 season. The school should also provide similar information for the 1999/2000 season. To the extent that a fewer percentage of girls' games are played during prime times (when compared with the percentage of boys' games scheduled for prime times), the school shall advise the KHSAA of action it intends to take to immediately correct the difference. OK

1. The school shall submit a schedule of boys and girls basketball games for the 2000-2001 to the KHSAA by **Dec.15, 2000**
2. Addition of lights and scoreboards on softball and baseball fields with a progress report on this project submitted by **Dec.15, 2000.**

1999-2000 School Year

Enclosed please find a copy of your school's final Title IX KHSAA Audit Report for the 1999-2000 school year. As you review the report, please pay particular attention to the fact that the reviewer may have requested, by a certain date, additional information to properly assess your athletics program. In addition, fines and/or penalties may also be imposed.

While exact reporting procedures and all of the required documents for the 2000-2001 school year have not been determined at this time, an annual update of your Corrective Action Plan will be required. In light of that probability, you should expect to include in your 2000-2001 Title IX Corrective Action Plan how you intend to address issues that have been raised in this 1999-2000 Final Audit Report.

Should you have specific questions regarding the content of your 1999-2000 final report, please contact the person who reviewed your Audit Document.

Thank you for your work in this very important project.

Mr. Stout:

The purpose of this letter is to answer concerns found during the Title IX Audit Report.

One question raised was the selection of cheerleaders for girls and boys teams. During the 1999-2000 season, we had one cheerleading squad. They cheered for both teams. We will continue to use one squad to cheer for both teams.

The softball field has lights installed. The scoreboard is ordered for the softball field and will be installed before the season begins.

With the consolidation near, no plans are in place for a scoreboard for the baseball field. Baseball is played at the City Park.
