1999-2000 School Year

In addition, fines and/or penalties may also be imposed.

While exact reporting procedures and all of the required documents for the 2000-2001 school year have not been determined at this time, an annual update of your Corrective Action Plan will be required. In light of that probability, you should expect to include in your 2000-2001 Title IX Corrective Action Plan how you intend to address issues that have been raised in this 1999-2000 Final Audit Report.

Should you have specific questions regarding the content of your 1999-2000 final report, please contact the person who reviewed your Audit Document.
