Accommodation of Interests and Abilities		X	It appears the school has the correct calculations in the Title IX File. According to the data provided, the school currently does not meet the standards established in any of the three opportunities tests. (See Comments section). It was suggested that the school place some students on the Gender Equity Review Committee. School personnel were alerted to the fact that the Gender Equity Review Committee should schedule meetings in the fall, winter, and spring in order to review benefits provided during those seasons.
Equipment and Supplies	X		The school visit showed that Ohio County provides excellent uniforms and high quality equipment for all sports offered. It was suggested that school personnel look into the feasibility of developing a rotation plan for the replacement of uniforms.
Scheduling of Games and Practice Time	X		The school visit showed that facilities are shared in an equitable manner. Prime time scheduling was discussed. The girls' basketball team had only one prime time game in the 2000-2001 school year and no games in the 2001-2002 school year. (See Comments section.)
Travel and Per Diem Allowances	X		School personnel were alerted to the fact that team forms relating to per diem allowances in the Title IX File should correspond with the summary forms. Also, proper monitoring of meal allowances was discussed.
