The school should also provide similar information for the 1999/2000 season. To the extent that a fewer percentage of girls' games are played during prime times (when compared with the percentage of boys' games scheduled for prime times), the school shall advise the KHSAA of action it intends to take to immediately correct the difference.

Mr. Mitchell F. Irvin Athletic Director South Oldham High School 5900 Highway 329 Crestwood, KY 40014

Dear Mitchell:

This letter is in reference to your recent correspondence regarding South Oldham High School receiving a waiver from conducting Title IX student surveys for the 2002-2003 school year. Due to the fact that South Oldham High School will lose around 500-600 students, it appears that you would be better served to use another method of determining student interest in sports this year than the more formal survey.

Please make a notation on your April 15, 2002 submission of forms regarding the fact that you were given permission to use another method of determining student interest for Title IX purposes.

Should you have any further questions, please feel free to contact me at any time.

Sincerely.
