4. Checklist of the Title IX Components of the Interscholastic Program

Benefit to Students	Satisfactory	Deficient	Comments
Accommodation of Interests and Abilities	X		The school was encouraged to pursue the interest in volleyball and set a realistic date for implementation.
Equipment and Supplies	X		Some of the coaches recorded their uniform inventory in sets rather than a count of each piece of attire as the report had requested.
Scheduling of Games and Practice Time	X		According to the 2001-2002 basketball schedule, the school appears to be adequately addressing the scheduling of prime time contests for girls.
Travel and Per Diem Allowances	X		
Coaching	X		
Locker Rooms, Practice and Competitive Facilities	X		The boys' have a slight advantage in this area. There is no press box for the girls' softball team and the dugouts are of different quality than those on the baseball field. The locker rooms, practice, and competitive facilities reports were evaluated on one form. There should be a separate report for each facility and each locker room.
Medical and Training Facilities and Services	X		
Publicity			The school has one cheerleading squad that cheers for boys and girls on an equal basis.
Support Services			NA

5. Brief Summary/Analysis of The Corrective Action Plan (T-60)

The school plans to address the lack of a press box on the softball field, and the lack of lights on the baseball field. To increase girls' participation in sports, the school plans to add volleyball. However a more realistic date needs to be projected for the addition of volleyball.

6. Observed Deficiencies in Overall Girls and Boys Athletics Programs

There is a lack of a certified trainer for sports where injury is likely.

7. Facility Recommendations or Concerns

Some ground maintenance needs to be given to the softball field where water stands and does not drain off well.

8. KHSAA Recommended Action
