<b>Benefit to Students</b>	<b>Satisfactory</b>	<b>Deficient</b>	<b>Comments</b>
<b>Accommodation of Interests and Abilities</b>	X		
<b>Equipment and Supplies</b>	X		The quality of the uniforms on display were excellent, however, some uniforms were not available for viewing such as baseball and softball.
<b>Scheduling of Games and Practice Time</b>	X		The school has scheduled some girls' games in prime, time and practice sessions are rotated on a weekly basis to ensure equity. However, more prime time games are needed to reflect improvement.
<b>Travel and Per Diem Allowances</b>	X		All teams travel by school bus, and all athletes are responsible for their own transportation to practice. No discrepancies were noted.
<b>Coaching</b>	X		
<b>Locker Rooms, Practice and Competitive Facilities</b>	X		All practice and competitive facilities were in satisfactory condition, and some sites are used by the school and maintained by the city and the college. It appears that the boys have an advantage in locker room space. The school can improve this by better utilization and assignment of locker space, and by increasing the number of actual lockers.
<b>Medical and Training Facilities and Services</b>	X		The school has two weight rooms that are used equally by male and female athletes. The school also has a training room and the services of a certified trainer. However, the trainer is not present for girls' sports where injury may be likely.
<b>Publicity</b>	X		The boys' program has an advantage in this area. Cheerleaders, pep bands, and mascots are not present for the girls' sports. Immediate attention is needed in this area.
<b>Support Services</b>	X		The softball coach expressed interest in having office space for coaching duties.
