COVID-19 GUIDANCE

The KHSAA's complete "Healthy at Sports, Stage 5 - Partnering for Progress, Guidance for Continued Practice and Competition During the Pandemic" document can be found at the following link: <https://bit.ly/3zwQOeD>

In addition to specific guidance, this document includes guidance for all sports, officials and media. The information in this document should be thoroughly reviewed by all managers, participants and spectators attending a postseason event.

REMINDER - Anyone attending or participating in a KHSAA regular season or postseason event should review their symptoms before arriving. Those that are ill or displaying any symptoms of COVID-19 should stay home.

Some differences in the guidance are necessitated by the differences in sports, facilities and geographic areas, which are pronounced during normal years and magnified this school year.

MASKS/FACE COVERINGS

Masks/Face coverings for non-competitors and the requirements surrounding these items are a matter of local jurisdiction.

At minimum, any local or specific mask-requiring ordinance should also include a requirement for managers to post signage and make regular announcements.

COMPETITORS

Due to safety concerns, competitors who are considered to be aerobically exercising should not be required to wear masks during competition.

WATER - COVID-19 GUIDANCE

Coaches and athletes are reminded to bring their own water bottles as no community dispensers can be used.

PUBLIC HEALTH PROTOCOLS

Each member school and event host is expected to adhere to public health standards regarding isolation and quarantine as well as the adopted Return to Play Protocol in the event of a positive test in a participant or team staff member.

The host is responsible for adherence to COVID-19 guidelines in accordance with normal home site procedures.

DUTIES SUMMARY STATEMENT

Refer to the Kentucky High School Athletic Association Handbook rules and regulations governing cross country meets, which is included as a link at the end of these instructions.

You should familiarize yourself with these provisions and review them at your meetings to ensure understanding from the coaches and the management of a smooth event.

Any required forms for your reports are included at the end of these instructions as links.

Reference to Team Alignment

Teams are aligned in three (3) classes with seven (7) regions in each as detailed in the competition rules.

The current alignment is available on the cross country page of the KHSAA website and included as a link at the end of these

instructions.

Only schools on the list of aligned teams are eligible to enter a regional meet.

If a team that isn't listed in the alignment desires to enter, contact the KHSAA office prior to accepting the entry.

ALLOWABLE COMPETITION DATES

Boys'/coed and girls' regional meets are to be held the week of Oct. 17.

Assistant Commissioner Bridenbaugh, in consultation with Region Managers, will assist in determining dates.

STOPPAGE/POSTPONEMENT

It's the duty of the Region Manager, in consultation with the officials, participating teams and the KHSAA, to make decisions regarding re-start or re-scheduling.

In the event of stoppage or postponement, all parties must work together to ensure that all teams, media outlets and schools are properly notified.

While it's imperative that Region Managers adhere to the scheduled postseason dates, the safety of all parties involved is always the top priority.

If there is a change in schedule, notify the KHSAA accordingly.

PROCEDURES FOR FUTURE REGION SITES

Schools/sites interested in hosting future Regional Cross Country Meets should complete KHSAA Form GE58 (Application for Hosting) listed in the important links section at the end of this document.

PRE-MEET MANAGER RESPONSIBILITIES

COMPLETE FORM GE56

Complete the GE56 Regional Meet Manager's Form, included as a link at the end of these instructions, to provide general information about your event. Keep KHSAA staff informed of any changes to the form after it has been submitted.

PRE-EVENT MEETING

It is recommended that a meeting with all coaches be held prior to the start of the meet to discuss rules and procedures to help ensure a smooth event.

The use of a virtual meeting is permitted.

CONTACT PARTICIPATING SCHOOLS

Contact all schools in your region and inform them of your meet schedule, entry deadline and other pertinent information.

ACT/SAT TESTING CENTERS

Make note of the closest testing center to your regional site in case you need to advise coaches. Share the regional meet schedule with coaches early enough to allow time for adjustments with testing sites.

ADMISSION OF PARTICIPANTS/TEAM PARTY AND LIMITATIONS

In the event an admission fee will be charged, a policy of team party and participant admission should be finalized at the pre-event meeting.

DEVELOPMENT OF INFO DOCUMENT FOR PARTICIPANTS

Develop an information document for participants including the schedule of events, any on-site meeting information and directions to the course.

COMPETITION RULES

Remind all coaches to be familiar with the KHSAA Competition Rules for cross country meets, which are on the sport specific

page of the KHSAA website and included as a link at the end of these instructions.

FUTURE SITES

Discuss future sites, sending recommended site plans for the next two season through the submission of Form GE58 (Application for Hosting), linked at the end of this document.

MEET ADMINISTRATOR

The KHSAA requires a meet administrator, other than the coach, at the host site.

Since the coach needs to devote full attention to the team, someone other than the coach must deal with any outside difficulties.

Strongly consider a corral director to supervise the finish corral and assist in distancing finishers.

JURY OF APPEALS

This is also the time to begin assembly of the Jury of Appeals. The jury must consist of three (3) head coaches and one (1) alternate head coach (in case an appeal involves an athlete of a coach on the jury).

This information must be submitted to xc@khsaa.org.

APPEAL FORM

Make copies of KHSAA Form XC110 (Meet Appeal) to be prepared in case of an appeal at the meet.

PRE-EVENT MEETING AND MODEL AGENDA

- Call to order
- Designate someone to record minutes

ROSTERS, ENTRIES, DECLARATIONS, SCORING

POSTSEASON ROSTER

Postseason participants must be designated from the freshmen, junior varsity or varsity rosters, which are maintained through the KHSAA member school website throughout the regular season.

Roster revisions must be made before the first date of the postseason when online rosters are closed and considered final.

Schools must log into the KHSAA website and designate their postseason roster, which is separate from the regular-season varsity roster.

Only athletes appearing on the school's postseason roster as of the first date of the postseason are eligible to participate in any round. No additional competitors may be added to the roster following that deadline, including those teams or individuals that

advance to the state championship.

The online, postseason roster may be printed from the KHSAA website as the valid listing of eligible athletes.

This roster information is also used for advance preparations for state qualifying teams or individuals.

MEET ENTRY TIMELINE

Entries for the KHSAA Regional Cross Country Meets must be made electronically utilizing <https://ky.milesplit.com/> no later than 9 p.m. ET four (4) days prior to the scheduled date of the meet (Tuesday, Oct. 18).

By 9 p.m., three (3) days prior to the regional meet, the Region Manager shall distribute a preliminary performance listing to all coaches in the region. It should also be submitted via the UK listserv and to the KHSAA (xc@khsaa.org) for posting on the website.

By 9 p.m., two (2) days prior to the regional meet, all coaches challenging an entry shall have notified the Region Manager of the objection to be resolved.

By 9 p.m., one (1) day prior to the regional meet, the Region Manager shall distribute a final performance listing to all coaches in the region. It should also be submitted via the UK listserv and to the KHSAA (xc@khsaa.org) for posting on the website.

need a manual form, XC102 (School Team and Individual Entry) is included as a link at the end of these instructions.

SUBSTITUTIONS

There are no substitutions allowed for a regional meet unless for a documented injury or illness. Those circumstances must be submitted in writing to Assistant Commissioner Bridenbaugh for approval.

A fine of \$100 will be imposed by the KHSAA against any school attempting to enter athletes after a published deadline.

DECLARATION FORM

On the day of the regional meet, the Region Manager or Hytek operator must print the declaration form from Hytek.

Coaches must sign the form after declaring which seven (7) of the maximum 10 entered runners will compete by using a check mark, X or circle.

Meet officials will be given these declaration forms prior to the start of the race.

The 10 names on the Regional Entry Form will also be forwarded to the State Meet Director, should they qualify, as the official state entries. A declared athlete that DIDN'T run at the regional meet could compete as one of the seven (7) entries at the state meet.

Athletes competing for schools with fewer than five (5) declared runners will only be eligible for individual awards and advancement.

SCORING SYSTEM

See the KHSAA Competition Rules for cross country regarding the team scoring system.

POINTS OF EMPHASIS

FORMAT OF EVENT

The hosts shall set the starting times for each race, boys/coed and girls, and send to all schools involved and the KHSAA for approval.

COURSE SPECIFICATIONS

The course will be approximately 5,000-meters for the boys/coed and girls as detailed in the Competition Rules, Section VIII section B.

It is the obligation of the Region Manager and host school to ensure safety of the participants is the primary concern.

If doubts arise about the safety of a particular course, contact the KHSAA and attempts will be made to have on-site inspections to help in course planning.

If spectators are allowed, there must be a restricted area at the finish that keeps spectators away so they do not interfere with the "quick exit" of each athlete.

SAFETY

For participant and non-participant safety, instruct your fans, student body and team members that implements from other sports are not to be used at the regional site.

Past incidents of potential injury to spectators and participants make it essential that the KHSAA enforce this restriction.

Note that the KHSAA will take necessary action, including disqualification of the team members, for participation in this type of non-related activity.

NO MINIMUM MEET REQUIREMENT

Since the 2018 season, there is no longer a requirement to have competed in at least four (4) regular-season meets to be entered in the postseason.

COACHING LIMIT

Schools are strongly encouraged to not allow coaches on the course.

If permitted, no more than two (2) coaches per team can be on the course during competition. Abuse of this rule will result in

forfeiting the privilege to coach on the course in the future.

RULE 9-3-3

Be mindful of National Federation Cross Country Rule 9-3-3 which states that once teams have been called to the starting line by the starter for final instructions, no further run-outs shall be permitted.

This rule must be reinforced by coaches as violations are to be addressed by warning on the first violation, followed by disqualification on the second violation.

LEAD VEHICLES

Region Managers are reminded that lead vehicles shall not be used on the course.

NON-VARSITY MEET DEADLINE

Many regions hold successful non-varsity meets. If such events are held, they must be completed by the day prior to the regional championships in accordance with KHSAA Bylaw 23 (Limitation of Seasons).

PROCEDURE FOR GETTING OFFICIALS AND FEES

Region Managers will be sent officials assignments from Assistant Commissioner Bridenbaugh. All assignments will come from the pool of licensed KHSAA officials.

Contact the officials immediately to ensure they know your meet specifics and confirm with State Meet Director Tim King (teejayking@gmail.com) the assignment of officials after verification from the KHSAA.

It is the responsibility of the Region Manager to make the necessary contact with Mrs. Bridenbaugh regarding the officials as she will be assisting with the recommended assignments.

The assigned officials are to be paid \$40 per race for 2022.

- For example, if a school hosts the Class 1A Regional for boys/coed and girls, the official should receive \$80. If the school was hosting the Class 1A and 3A Regionals for boys/coed and girls, the fee should be \$160.

Officials traveling greater than 100 miles one way will be paid an additional \$20.

Additional allowances for lodging, etc., shall be at the discretion of the Region Manager and must be approved by the KHSAA.

Refer all conflicts in regard to mileage or other payments to Mrs. Bridenbaugh.

BYLAW 22 REMINDER

REQUIREMENT TO ACCOMPANY TEAM MEMBERS

You are reminded that KHSAA Bylaw 22 requires a principal, coach or another approved individual of the school to be present along with any student-athlete who is representing a member school.

SECURITY

It is the responsibility of the Region Manager to secure adequate police protection and other security precautions as necessary.

While many schools have adequate measures in place regarding safety and security at athletic contests, all members are reminded of the importance of this provision.

The National Federation continues to remind all state associations of the importance of member schools understanding the necessity for adequate security.

Crowd control is important and we ask schools to take every precaution to protect the athletes, fans and general public at contests.

While acknowledging the expense of security, it is noted that this should be an integral part of your planning process and is a KHSAA requirement at postseason contests.

Be sure to secure the finish-line area as many athletes will be crossing at the same time and safety is the first priority.

Make certain the course is set up and protection is in place to prevent unauthorized individuals from interfering with any portion

of the meet.

MEDICAL PROVISIONS

The host school is responsible for securing medical coverage for the event, including athletic trainers and alerting local ambulance service. There is no requirement that an ambulance be on site for all play, however the local administering agency shall be notified in advance and placed "on call" if an ambulance is not available on site.

It is strongly recommended that the authorized medical coverage be staffed by individuals who can determine whether or not a suspected concussion has occurred per 160.445(3)(a) and the KHSAA Board of Control policies, page 10 of the document.

Any fees associated with providing medical coverage should be taken from gate receipts prior to any distribution.

The KHSAA has long recommended, and continues to recommend, that medical coverage be present at all athletic practices and contests.

Due to the unique skill set of Certified/Licensed Athletic Trainers it is recommended that one of these individuals be present at all practices and contests.

It is also strongly recommended that the member schools utilize only Certified/Licensed Athletic Trainers per the Kentucky Board of Medical Licensure, and not members of any other vocation making this claim but without this legal designation.

While acknowledging the expense of providing a Certified/Licensed Athletic Trainer, it is nonetheless noted that this shall be an integral part of your contest planning process.

HEAT INDEX PROGRAM

Please review the Heat Index Program posted on the KHSAA website and included as a link at the end of these instructions. The Region Manager should work in conjunction with the certified athletic trainer hired to work the event in monitoring the Heat Index and be aware of the policies.

LIGHTNING/THUNDER POLICY

The Region Manager, working with the certified athletic trainer and facility staff, shall monitor and adhere to the KHSAA Board adopted policy in regard to lightning and thunder. All competitions shall be suspended at the first sound of thunder or sight of lightning and shall be suspended a minimum of 30 minutes following any subsequent sound/sighting.

If it is anticipated that the storm will pass, competition may resume following a 15-minute warm-up period.

INHALER

National Federation rules allow for the use of an inhaler in the area of a cross country meet, but only with the written permission of a physician.

If an athlete must use an inhaler or have one available, KHSAA Form XC120 must be completed and presented to the referee during the pre-race meeting.

This form should be duplicated as the officials have been instructed to keep one on file to have documentation at the end of the event, if needed.

EMERGENCY ACTION PLAN

Each Region Manager is expected to have and maintain an emergency action plan for their meet.

Emergency action plans shall be practiced and referred to prior to the event.

MEDIA AND INTELLECTUAL PROPERTY RIGHTS

GENERAL MEDIA RIGHTS

At all levels of competition during postseason play, control of media access and location at those contests is with the KHSAA, and as such, there are necessary policies and restrictions concerning this event and these provisions will be vigorously enforced.

In general, management of the execution of those assignments is assigned to the host KHSAA school's game manager.

The intellectual property, corporate, broadcasting and media rights to all postseason rounds belong exclusively to the KHSAA,

including titling agreements and sponsorships.

No member school can sign an exclusive agreement for a postseason round (district, region, section, semi-state, quarterfinal) without agreement between the schools and approval from the KHSAA, including full compliance with NFHS Network restrictions and the KHSAA's participation within that network.

At all levels of KHSAA sponsored postseason events, including district, regional, semi-state, quarterfinal and state competition, managers shall make allowances for television media to record video of the contests, without play by play, at no charge as long as the sole purpose is for newscast highlights.

At all levels of KHSAA sponsored postseason events, including district, regional, semi-state, quarterfinal and state competition, managers are encouraged to make allowances for other media outlets to be admitted to the contests as long as the sole purpose is for reporting of the actions taking place at the contest and promoting the event.

Participating teams in KHSAA events shall be allowed to record the contest, for coaching purposes only, if space is available with such availability at the discretion of the tournament manager and may be required to sign a waiver indicating that the KHSAA shall be held blameless for any and all liability to those parties involved in the video recording.

Any video recording must not violate existing, acknowledged, written copyright protection or intellectual property agreements and cannot be broadcast in any form, including internet and social media.

If space is deemed available, the tournament manager has the right to designate a specific area for video recording and no video recording will be allowed outside of that area.

The determination of space availability is solely with the tournament manager and shall be equitable for all teams.

A freelance/commercial photographer is any person, including a school employee, not representing an established media outlet or a person who will capture images from the event and re-sell them to anyone, including team members, the families or the general public.

RADIO BROADCASTS

A broadcast, as used in these instructions, is a non-video, audio only, live or delayed account, including play by play, of any contest.

The participating teams must agree on what, if any, rights fee is to be charged to a radio station broadcast team (radio or online) or outlet (radio or online) broadcasting the event.

This fee is to be included in the gross revenue prior to distribution and is payable to the host school.

TELECAST/WEBCAST INCLUDING NFHS NETWORK RESTRICTIONS

The KHSAA is a full member of the NFHS Network and as such, restrictions exist on all postseason levels.

A telecast, as used in these instructions, is a video, live or delayed account, including play by play, of any contest over the air.

A webcast, as used in these instructions, is a video, live or delayed account, including play by play, of any contest distributed using the internet.

For district and region play, a fee schedule shall be approved annually by the Commissioner for any telecast/webcast and only those outlets paying such fee in advance shall be permitted to originate a telecast or webcast. The mandated, minimum fee will be published on the KHSAA website.

For district and region play in all KHSAA sports, a majority vote of the participating schools may set a higher fee than the required minimum and such vote may also recommend to the KHSAA that no broadcast be approved.

Any approved webcast (or telecast simulcast on a website) shall require the originator to provide a link to the telecast/website not less than four hours prior to the origination of the contest, and such link shall permit the Association to add the content to the NFHS Network menu of contests.

Failure of any approved webcast (or telecast simulcast on a website) to provide a link for inclusion on the NFHS Network will result in denial of approval.

The KHSAA is the only entity permitted to produce live or delayed video from state championship events including semi-state, quarterfinal and state rounds, and is the sole authority for approval of any other.

No entity, unless given prior approval by the KHSAA shall be permitted to produce video telecasts or broadcasts, with the exception of approved media outlets solely recording highlights for news use.

No host manager or school may approve live webcast or telecast of a contest, such requests shall be referred to Communications

Director of the KHSAA.

No entity, including media members, may stream live video content during postseason events including the use of social media products such as Facebook® Live.

For all postseason play, all questions regarding live or delayed broadcast or telecast policies, including requests for approval shall be referred to the Communications Director for approval by the Commissioner.

MUSIC COPYRIGHT

KHSAA schools are reminded to adhere to all music copyright laws.

EVENT MERCHANDISE

If desired by the Region Manager, TEAM IP (Official KHSAA Merchandise Vendor) may be contacted about ordering event merchandise to be sold at the regional meet.

Contact the KHSAA for more information or indicate accordingly on the Regional Manager Information form.

POST EVENT

REGIONAL RESULTS SUBMISSION

Attach the data file from Hytek and email to it to xc@khsaa.org.

- Normally, the data file is located in the TFMEEETS subdirectory on your computer. It is a large file, so please give time for the email to send.
- Be sure you have the Hytek program closed before you attempt to email the file.
- When submitting your results, please use the following as an example of how to submit and include in the body of the email:
 - o Boys/Coed teams 6 entered 4 advance
 - o 1. Jackson County
 - o 2. Williamsburg
 - o 3. Somerset
 - o 4. Barbourville
 - o # place of 5th individual #9 John Doe of Pineville

This is the preferred method for submitting meet results.

You may find that your school's network restricts the sending of files with an MDB extension, the format used to store Hytek files.

If this is the case, you will have to utilize the backup option detailed below.

Perform a complete backup of the results using the following steps on Hytek:

- Select FILE
- Select BACKUP
- Choose the A: drive (or other drive if that is where you saved the file).
- Select OK
- Choose NO for message unless you would like to send us a note.
- Select OK
- The computer will then create a backup file and dump it to the drive you specified.
- Select OK
- Attach the backup file you just created and email it to xc@khsaa.org.

If your school blocks zip files from being attached, you will have to use the previous option and contact State Meet Director Tim

King (859-653-5907) or Assistant Commissioner Bridenbaugh (740-607-7217) to confirm it has been done.

These are the most important tasks you have to do post meet and must be done immediately.

Once you receive confirmation of receipt of these files, no written reports are necessary.

Only if you have trouble with these functions and cannot send the file will you have to compile KHSAA Forms XC104 (Regional Official Results) and XC105 (Managers Regional to State Entry) which are included as links at the end of these instructions.

Your only remaining obligation would be the mandatory submission of the other listed forms to the Meet Referee prior to their departure.

If you end up having to compile Forms XC104 and XC105, scan and email them to xc@khsaa.org immediately following the event.

STATE MEET QUALIFIERS

State qualifiers will be released by the KHSAA office on the Sunday following the conclusion of all regional events.

State qualifiers, team or individual, will receive State Championship instructions prior to the event.

TROPHIES

The KHSAA Board of Control has contracted with Rihherds.com of Smiths Grove, Ky., to supply the official KHSAA trophies/awards for the 2022-23 events.

The cost of trophies and awards are the responsibility of the regional meet.

You will receive email notification on the shipping, please select the button within that email to confirm receipt.

Immediately open and inspect trophies and medals.

Contact Rihherd's Trophy if damaged (1-800-274-4373) between the hours of 9:30 a.m. and 4:30 p.m. CT or email Rihherds at khsaa@riherds.com.

Do not disregard any billing information that may be enclosed in the packaging.

The total cost for regional items is \$176.36 per gender, not including shipping.

Your package, shipped directly to your school from Rihherds.com, should consist of the following per gender:

- One (1) first place team trophy
- One (1) second place team trophy
- One (1) individual first place gold medal
- One (1) individual second place silver medal
- Six (6) bronze medals for individual finishers 3-8

o The trophy company will contact you with an option to purchase ribbons to add to the medals on behalf of your region and to purchase carry/storage boxes. You are under no obligation to order these items.

HYTEK REQUIREMENTS FOR HOSTING

Host schools must own a Hytek license for Meet Manager 3.0 (or greater) with the cross country option, which is essentially the silver package, downloadable at <https://hytek.active.com/store/track/tfmm6.html>.

- The current 6.0 version is recommended, as it will be used by the KHSAA at the state championships.

Schools should contact Hytek by phone (1-866-456-5111) to ask if Hytek Meet Manager was previously purchased as different coaches in the past could have bought a license and misplaced the CD.

- If the school has purchased version 2.0 or lower, then the upgrade to 6.0 will be \$169.

A new license costs anywhere from \$265 - \$685 (prices are estimates and subject to change).
