BRIEF WELCOME

Congratulations on behalf of the Kentucky High School Athletic Association Board of Control and staff for advancing to the 2022 KHSAA State Cross Country Championships.

Refer to this manual and the important website links included at the end of the document to guide you through preparation for your participation.

KHSAA CONTACTS

The primary contact for cross country is Assistant Commissioner Sarah Bridenbaugh (sbridenbaugh@khsaa.org).

If Mrs. Bridenbaugh is for some reason not available, Assistant Commissioner Darren Bilberry (dbilberry@khsaa.org) is the backup contact.

Media inquiries should be directed to Media Relations and Publications Director Connor Link (clink@khsaa.org).

Questions may also be directed to the KHSAA offices at (859) 299-5472 and any member of the staff can refer you to the correct party.

COVID-19 GUIDANCE

The KHSAA's complete "Healthy at Sports, Stage 5 - Partnering for Progress, Guidance for Continued Practice and Competition During the Pandemic" document can be found at the following link: <https://bit.ly/3zwQOeD>

In addition to specific guidance, this document includes guidance for all sports, officials and media. The information in this document should be thoroughly reviewed by all managers, participants and spectators attending a district or regional tournament.

REMINDER - Anyone attending or participating in a KHSAA regular season or postseason event should review their symptoms before arriving. Those that are ill or displaying any symptoms of COVID-19 should stay home.

Some differences in the guidance are necessitated by the differences in sports, facilities and geographic areas, which are pronounced during normal years and magnified this school year.

MASKS/FACE COVERINGS

Masks/Face coverings for non-competitors and the requirements surrounding these items are a matter of local jurisdiction.

At minimum, any local or specific mask-requiring ordinance should also include a requirement for managers to post signage and make regular announcements.

COMPETITORS

Due to safety concerns, competitors who are considered to be aerobically exercising should not be required to wear masks during competition.

WATER - COVID-19 GUIDANCE

Coaches and athletes are reminded to bring their own water bottles as no community dispensers can be used.

PUBLIC HEALTH PROTOCOLS

Each member school and event host is expected to adhere to public health standards regarding isolation and quarantine as well as the adopted Return to Play Protocol in the event of a positive test in a participant or team staff member.

QUALIFYING FOR PARTICIPATION IN CHAMPIONSHIPS

The qualifying process for 2022 shall be:

- One (1) full team enters the region meet, one (1) team advances
- Two (2) to three (3) full teams enter the region meet, two (2) teams advance
- Four (4) to five (5) full teams enter the region meet, three (3) teams advance
- Six (6) to seven (7) full teams enter the region meet, four (4) teams advance
- Eight (8) to ten (10) full teams enter the region meet, five (5) teams advance

- Eleven (11) or more full teams enter the region meet, six (6) teams advance

After the qualifying teams are determined at a region, the top five (5) individuals not on qualifying teams will advance to the state meet as individuals.

If your team or an individual from your school qualifies for state, there is no additional formal entry process.

The region results serve as state entries.

INCLEMENT WEATHER PROCEDURES

In the event of inclement weather, it is the duty of the KHSAA, in consultation with the officials, to make decisions in regard to postponement, rescheduling or cancelation, including getting proper notification to all teams, media outlets and schools.

Competition must be delayed at the first sight of lightning or sound of thunder and the site should be cleared of all persons immediately by event administration.

If it is anticipated that the storm will pass, the competition may be resumed no sooner than 30 minutes after the last sight of lightning or the last sound of thunder.

Should evacuation become necessary, directions will be given by KHSAA staff and Bourbon County Police, as well as meet officials.

Should the meet be suspended, the following procedure will be utilized for resuming the schedule:

- When the decision is made to resume the meet, KHSAA staff and/or meet staff will patrol the parking lots announcing the time the meet will be resumed. A text message, through the KHSAA SMS service, will also be sent out. This should serve as a reminder to the coach the importance of submitting a valid and working cell phone number for contact purposes.
- When resumed, there will be a 15-minute warm-up and waiting period prior to the first call.
- Once resuming a race, the meet will continue on the original, standard time schedule.

The Heat Index Program, as posted on the KHSAA website, will be followed by officials as well in conjunction with the certified athletic trainer hired to work the event in monitoring of the Heat Index.

Staff will utilize the KHSAA website and Twitter to provide updates as well as an emergency text notification system.

The safety of the public and participants will be the most important factor in any decision.

Only the KHSAA issued Commonwealth Card will be honored for admission for one individual plus a guest. Entrance with these cards is at the pass gate only. No coaches cards or officials cards will be honored for admission at the state event.

POSTSEASON ROSTERS, LIMITATIONS AND SUBSTITUTIONS

POSTSEASON ROSTERS

Schools have previously logged into the KHSAA website and designated the postseason roster, which is separate from the regular-season varsity roster.

Roster revisions had to be made before the first date of the postseason when online rosters were closed and considered final.

Only the 10 runners listed on the region entry are eligible to participate in any round.

This roster information is also used for advance preparations for state qualifying teams and individuals.

LIMITATIONS AND SUBSTITUTIONS

Teams may enter a maximum of 10 runners, of which seven (7) will be designated to compete at check-in.

The original roster (maximum of 10 runners) from region also serves as the only available list for the state meet.

Please refer to the Competition Rules on the KHSAA website, linked at the end of this document.

Appeals, only for issues for which the NFHS rules specify are appealable, are to be submitted to the Meet Director, who will present the appeal to the appropriate referee.

Per the NFHS Track & Field Rules Book, the jury of appeals shall be the final authority.

Appeal sheets are available at team check-in.

If, after the appeal has been made to the Meet Director, the coach still feels that the terms and conditions of competition or the application of the rules have been misapplied or misinterpreted, a written appeal shall be made to the jury.

Situations which are subject to appeal include, but are not limited to:

- Misapplication of the rules, which must be filed within 10 minutes after the announcement of race results.
- Correction of clerical or team scoring errors which may be corrected up to 48 hours after the end of the meet, unless another time period is specified in advance by the games committee or Meet Director.
- Correction of meet results involving an ineligible participant which may be made at any time when discovered.
- Failure to follow a procedure contained in the terms and conditions of competition announced in advance by the games committee or meet director.
- This would include such items as the time schedule, the number of qualifiers to advance, number of trials, etc.

The following are non-appealable situations per NFHS rules:

- Any judgment decisions pertaining to violations or alleged violations of the rules.
- A decision made by the finish line judges or timers that does not involve misapplication of a rule, or the terms and conditions of competition.

If a coach wishes to appeal a situation, the appeal must be put in writing and submitted immediately (within 10 minutes) after the situation occurs.

Only the head coach shall submit the appeal to the Meet Headquarters Trailer where the Meet Director will process.

The jury of appeals shall be the final authority.

HEALTH INFORMATION

ATHLETIC TRAINERS

The Association will use the services of UK HealthCare, as well as Alpha Event Medicine, to provide trainers for the state meet.

Any team desiring admission of its own certified trainer shall coordinate that admission with Rob Ullery, rullery@email.uky.edu, at UK HealthCare.

The medical tent is located near the main finish line trailer (past the finish chute).

In addition, several volunteer medical professionals will also be on hand.

Trainers will be available for 45 minutes before each race for assistance as well as during and after each competition.

Coaches and athletes are reminded to bring their own water bottles as they should drink plenty of water throughout the day, particularly if it is warm.

PHYSICAL EXAM FORM

Schools are reminded that they are responsible for ensuring parental permission to seek medical treatment is authorized for each participant.

- The Principal, Athletic Director or Head Coach can use a copy of KHSAA Form GE04 (Physical Exam Form) for this purpose.
- The form contains appropriate emergency treatment permission and should be brought for each athlete at the competition.

VENUE SAFETY

Persons who attend KHSAA events may be injured as a result of the risks inherent in being a spectator at such events.

Please advise KHSAA or venue personnel of any situation you encounter in which you or a team member feels should be addressed to minimize risk to all involved.

Ambulance services will be on call.

Athletes should warm up in the designated warm-up area only.

Any crowd control problems or acts of violence should be brought to the attention of the event staff, which will contact the appropriate authorities.

Athletes and school representatives may not bring in implements from other sports (Frisbees, footballs, nerf balls, baseballs, soccer balls, softballs, etc.) as space is limited and safety is minimized if these activities occur.

Schools will be fined or penalized for failing to properly supervise the athletes if such implements are brought on site.

EMERGENCY ACTION PLAN

KHSAA staff will, in consultation with the athletic training staff and venue personnel, develop an Emergency Action Plan (EAP) for this event and the plan will be available upon arrival from the athletic training staff.

If an athlete or fan is in need of emergency medical attention, contact the nearest KHSAA staff member, official, trainer or venue staff so emergency medical services can be reached.

An AED will be located with the Alpha Event Medicine trailing vehicle, at the KHSAA team check-in and at the starting line.

INHALERS

National Federation (NFHS) rules allow for the use of an inhaler in the area of a cross country meet, but only with the written permission of a physician.

If an athlete is to be involved in a cross country competition and must use an inhaler or have one available, Form XC120 (Medical Information - Inhaler) must be completed and presented to the referee during the clerking process.

This form should be duplicated as the officials have been instructed to keep a copy on file in case of the need to produce the documentation at the end of the event. The form is available as a link at the end of this document.

SPORTSMANSHIP

The KHSAA requires officials to enforce sportsmanship rules.

High school athletics emphasize positive values and all parties have worked hard to create a sense of teamwork, respect, responsibility and perspective.

We encourage and appreciate your help in letting this competition reflect mutual respect among all participants and officials.
