Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

I could not be prouder of this group of players. We start a freshman and four sophomores. They have responded to a tough schedule. With the leadership of our two senior starters, we were able to improve our ability to play under pressure and make it to the state tournament for the fourth time in the last ten years.

Coach's Comments

What are keys to your team's success in winning the tournament:

We have a solid defense that has kept us in games all year. Our pitchers have combined for an ERA of 1.36 against some of the best teams in three states. They have a total of 256 strikeouts compared to 33 walks. We have been able to put the ball in play against good pitching and put pressure on the defense of our opponents. Those three factors have brought us to a 34 win season heading into the state tournament. From the leadoff position, senior shortstop, Emma Napier has led us in hits (56), batting average (.400), slugging % (.614), and stolen bases. She has been a leader on and off the field. We break out of practice each day with "You can count on me!" Senior leadership and a willingness of all members of our team to work hard and support each other, both in practice and games, has led this team to the 2009 Kentucky State Softball Tournament. Go Patriots!
