Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

It was a great accomplishment of our team to make the state tournament. We overcame several things this year and the road to the state was no different as we went into the regional as a district runnerup. We came back after the district and refocus and then took the hard road to the regional championship having to go through a tough game with Livingston Central then a 11 inning affair with 2nd ranked and 4 time regional champion Christian County and then having to defeat Madisonville North Hopkins in the championship game.

What are keys to your team's success in winning the tournament:

The keys to us being successful in the state tournament is that we have to get good pitching from all 3 of our pitchers, continue to play good defense and find a way to get the runs home when we have opportunities to score.
