Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

It is incredible that we have been able to win the 16th region 6 years in a row and advance to the state tournament. This year we bring a veteran team, with some solid youth mixed in to make for another winning season. We bring with us statistically one of the states best pitchers (Megan Hensley), as well as one of the most prolific power hitters in state softball history (McKenzie Vanover). Hensley averages nearly 12 strikeouts a game, and has 5 no hitters and a perfect game this year, while Vanover is at or near the top in most hitting categories in Kentucky. With our experience, we expect to have a successful state tournament this year.

Coach's Comments

What are keys to your team's success in winning the tournament:

Our three keys to success are: 1. How Megan Hensley performs in the circle...her pitching will determine our success in this tournament. 2. We must have sound defense behind Megan; mistake free defense is going to help us win games. We must play smart. 3. We must be able to hit through out the order, from top to bottom. If we can do these three things, we should be able to have success in Owensboro this year.
