Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

It's huge to be here back to back to back years. The experience alone we have gives us an edge. There should be no surprises. We just need to go out and play softball with grit and hustle. This is our third appearance in as many years so most of our players have been in this environment and understand what its all about.

Coach's Comments

What are keys to your team's success in winning the tournament:

Our key is defense and pitching. We can stay in any game on those two aspects alone. We have a good offensive lineup just have to get hits together and get that timely hit. Then have a few things bounce our way.
