Coach's Comments

What are keys to your team's success in winning the tournament:

Keys: Offensively: we have to stay discipline at the plate. Look for our pitches to drive and be effective in the short game. Place pressure on the our opponents defense. Defensively: we need to keep a clean sheet by making the routine plays. Pitching: Continue to work North/South and East/West. Keep hitters off balance and have solid command. Players: I don't feel any one or player(s) is more important. We have to stay in the moment and just play. As I have been telling all my teams since 2012, "Be cool like Fonzy" and just play.
