Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

I couldn't be more proud of the way our team has come together and their belief in each other to make it back to State. They have been fearless in their approach at practice and games. I'm so excited for them to be able to represent the 3rd region and a chance to play for the State Championship. I want them to live in the moment, play hard, have fun and enjoy this experience.

Coach's Comments

What are keys to your team's success in winning the tournament:

We have to continue to play with confidence, stay strong in the circle, play great defense and get timely hitting. We have gotten contributions from top to bottom throughout the batting order, and we have good team speed. Our plate approach and aggressiveness the last half of the season has been good and we will need to keep playing that way.
