### Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

This is the first Clay Co. team for to ever win the 13th Region. We beat N. Laurel to win the district in 9 innings 6-5 in regional tournament we were fortunate to beat Lynn Camp in the first round. Then came Corbin who had been the only team to beat us during the regular season. The Corbin game was a battle with us winning 8-6. This put us in the championship game for only the 3rd time ever. We were fortunate enough to win 12-2 against South Laurel to put together another win for the first championship ever. The 3rd time was the charm. Pitching and our defense has been our strongest part of our success. The team are fighters and don't give up regardless of situation. You just never know who would come up with a clutch hit during the regular season. we found a way to win several close games this year. I feel it is an honor to represent Clay Co. and the 13th region at the state tournament, and will do our best, win or lose to do it with class.

What are keys to your team's success in winning the tournament:

As with any game we have to have good pitching backed by very good defense. Make the plays you are supposed to make. On offense we have to be patient and make good decisions on the pitches we swing at
