Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

Winning back to back 15th Regional Championships and compiling over 30 wins two years in a row has been a lot a fun for our players and coaches. Our kids worked hard all year and were determined to get back to the state tournament. This makes a total of 7 trips to Owensboro for our seniors, winning 5 All A Regionals and 2 KHSAA 15th Regional Championships over the last 5 years. We have accomplished several of our goals this season by winning the All Region, 59th District and 15th Regional Tournaments. We also broke the school record for runs scored in a season (377).

Coach's Comments

What are keys to your team's success in winning the tournament:

Like last year, we are the smallest school (325 students grades 9-12) in the state tournament and will have to play our best to win games. We have relied on two 8th grade pitchers to get us back to Owensboro for the second year in a row. For us to win games, we must to continue to score runs in numbers and limit our mistakes in the field. We do have good speed on the bases and can put pressure on the defense to make plays. It is crucial that we score when we have runners in scoring position. Our young pitchers (8th graders Emily Ford and Hannah Akers) will have to do a great job of hitting their spots against some of the state's best hitting teams.

We are hitting .361 as a team and have a well balanced hitting line up 1-9. Our first four hitters, seniors Alexis Stanley, Cassidy Lowe, Camryn Slone and Lindsey McNamee have been leaders all year and will need get on base and plate runs. Juniors Lindsey Lockhart and Olivia Whitfield, along with 8th grader Kendal Hall are expected to contribute big to our offense punch. Six players have over 30 RBI's on the season. We will have to play well in all aspects of the game to win games in this tournament.
