2021 Field Hockey Semi-State Instructions

BRIEF WELCOME

Congratulations on behalf of the Kentucky High School Athletic Association Board of Control and staff for advancing to the semi-state round of the 2021 KHSAA State Field Hockey Tournament.

Refer to this manual and the important website links included at the end of the document to guide you through preparation for your participation.

KHSAA CONTACTS

The primary contact for field hockey is Assistant Commissioner Darren Bilberry (dbilberry@khsaa.org).

If Mr. Bilberry is for some reason not available, Assistant Commissioner Joe Angolia (jangolia@khsaa.org) is the backup contact.

Media and statistics inquiries should be directed to Communications & Social Media Director Dan White (dwhite@khsaa.org).

Questions may also be directed to the KHSAA offices at (859) 299-5472 and any member of the staff can refer you to the correct party.

COVID-19 GUIDANCE

The KHSAA's complete "Healthy at Sports, Stage 4 - Perseverance, Guidance for Continued Practice and Competition During the Pandemic: Interscholastic Fall Sports" document can be found at the following link: <https://bit.ly/3jvElu7>

In addition to field hockey specific guidance, this document includes guidance for all sports, officials and media. The information in this document should be thoroughly reviewed by all managers, participants and spectators attending the semi-state round.

REMINDER - Anyone attending or participating in a KHSAA regular season or postseason event should review their symptoms before arriving. Those that are ill or displaying any symptoms of COVID-19 should stay home.

Guidance is broken into three areas:

- **REQUIRED-** These standards are required at all sanctioned contests.
- **RECOMMENDED-** These standards are best practices during all contests during the pandemic and are therefore recommended for all contests. In a few cases, these will be **STRONGLY RECOMMENDED**.
- **CONSIDER-** While these items are also best practices during this time, local site discretion should be exercised to determine if these items are practical and feasible for use at the contest.

All items in the document should be interpreted as "CONSIDER" for local consideration unless otherwise noted.

These differences in the guidance are necessitated by the differences in sports, facilities and geographic areas, which are pronounced during normal years and magnified this school year.

Masks/Face covering information and portions of the field hockey specific section of the document are included below.

MASKS/FACE COVERINGS

Masks/Face coverings for non-competitors and the requirements surrounding these items are a matter of local jurisdiction.

At minimum, any local or specific masking ordinance should also include a requirement for managers to post signage and make regular announcements.

COMPETITORS

- Due to safety concerns, competitors who are considered to be aerobically exercising should not be required to wear masks during competition.

NON-COMPETITORS

- Non-Competitors, in compliance with current KDPH and CDC guidelines are recommended to wear masks in all indoor settings unless otherwise exempted (e.g., cannot wear a mask due to disability), regardless of COVID-19 vaccination status.
- In compliance with [current KDPH K-12 education guidance](#), "In general, people do not need to wear masks when outdoors, though mask use may be considered in outdoor settings that involve sustained close contact with other people who are not fully vaccinated."

PUBLIC HEALTH PROTOCOLS

- Each member school and event host is expected to adhere to public health standards regarding isolation and quarantine as

2021 Field Hockey Semi-State Instructions

well as the adopted Return to Play Protocol in the event of a positive test in a participant or team staff member.

ADMINISTRATIVE AND FIELD SETUP (RECOMMENDED UNLESS NOTED)

Rosters are restricted to a limit of 24 players in uniform and participating in warm-ups and competition. (REQUIRED)

All non-uniformed team members who are not essential to game management should be seated in the bleachers or general seating and able to socially distance from other groups.

Ball boys/girls should exercise social distance at all times.

OFFICIATING (MECHANICS)

Rule 1-2-4 - If a team member is carded, it is recommended to mark a location of where the individual is to stand that is socially distant from the officials' table.

Rule 1-2-4 - Maintain social distancing between the substitute, officials, and/or teammate(s) by encouraging substitutions to occur closer to the center line.

Rule 1-4-3 – In the pregame conference, limit attendees to one official and the head coach from each team.

All individuals should maintain a social distance during the conference.

OFFICIATING (RULES)

Rule 1-5-1 - Undergarments are permitted but must be of a similar length for the individual and a solid like color for the team.

Rule 1-6-5 - Masks/Face coverings are permitted.

Rule 1-6-5 - Gloves are permitted.

QUALIFYING FOR PARTICIPATION IN SEMI-STATE

Team champions and runners-up from the four (4) regional tournaments advance to the semi-state round of the state tournament.

COMPETITION DATES AND SCHEDULE

SEMI-STATE SCHEDULE

Field hockey semi-state games are to be played on Thursday, Oct. 21.

All game times shall be 7 p.m. local time absent approval from the Commissioner's office.

Semi-State pairings determining the host school are based on a regional draw.

The complete bracket is included as a link at the end of these instructions.

GAME MANAGER DUTIES

TICKETS AND FAN ADMISSION

Schools are reminded that this is not a "home" game for either team and as such, the ticketing policies shall be the same for all competing teams.

All field hockey semi-state tickets will be sold online via GoFan, the KHSAA's official digital ticket vendor.

There shall be no paper tickets permitted to be sold at the walk-up gate.

A link for fans to purchase the digital tickets will be provided to all participating schools to assist in this information being distributed.

All semi-state ticket prices are \$10 each, with the customer paying any applicable fees.

Children five-and-under will be admitted free, but must still "purchase" the free ticket through GoFan.

Coaches' cards and/or officials' ID cards shall not be honored at the gate.

GoFan's training page for buying and validating the tickets is included as a link at the end of these instructions.

2021 Field Hockey Semi-State Instructions

FINANCIAL REPORTING

Instructions for completing the required GE88 Financial Report Form are near the end of these instructions

Approved expenses are limited to those items contained in these instructions and advance approval from the KHSAA is required before other expenses will be considered.

PRE-EVENT

Refer to the KHSAA Handbook to review the rules and regulations governing field hockey tournaments and also familiarize yourself with the KHSAA Competition Rules.

Discuss any COVID-19 requirements or adjustments made for the contest with your opponent.

Remind your opponent that the host school shall be the home team and wear light-colored uniforms.

The Game Manager is permitted to hire certain specific positions, with specific maximum allowable rates of pay, to staff the contests, including:

- Game Manager (maximum \$125);
- Officials Liaison and Manager – (maximum \$35);
- Public Address Announcer – (maximum \$35);
- Scoreboard Operator – (maximum \$35);
- Official Scorer – (maximum \$35);
- Statistician, maximum one (1) person per game, if providing complete equipment and service – (maximum \$40 per game);
- Uniform Security at rate agreed by KHSAA prior to contest(s); and
- Medical/Training Services at rate agreed by KHSAA prior to contest(s).

Costs for these specific permitted workers shall be paid by the KHSAA upon receipt of the completed GE88 Form, which is included as a link at the end of these instructions.

Unless a worker is doing different jobs on different days, one worker should not have multiple roles, such as the PA announcer also working the clock.

No other payment for workers or other costs can be made without prior authorization from Assistant Commissioner Bilberry.

HOST SITE ADMINISTRATOR

The KHSAA requires a tournament administrator, other than the coach, at the host site.

Since the coach needs to devote full attention to the team, someone other than the coach must deal with any outside difficulties.

DURING THE GAME

Prior to the start of the contest, home game management shall identify themselves to both the opponent's administrators and the officials and establish a designated area where they can be reached in the event of an emergency.

During your sportsmanship announcements, remind fans that foul language and harassment of officials will not be tolerated and could result in being removed from the stadium.

Have the officials escorted to the locker room and/or parking lot after the game.

VENUE LOGISTICS

SIGNAGE, BALLOONS, NOISEMAKERS AND BAND PERFORMANCES

Signs/banners are permitted at the facility but must be of good taste and sportsmanship.

The signs/banners must be handheld or attached in a manner not to damage the existing structure.

The signs/banner shall not cover any corporate signage or obstruct the view of patrons.

Amplified noisemakers or items that replicate game management cues are not permitted inside the facility. These items include, but are not limited to: air horns, electronic amplifiers, portable sound systems, instruments that require additional electricity, game clock horns and whistles.

Artificial noisemakers (non-mechanical and non-powered) are permitted provided they do not interfere with game

2021 Field Hockey Semi-State Instructions

administration, however, the admittance of the items is a venue specific decision.

Balloons, which can block the view of other patrons, are not permitted at the event.

Only venue provided amplified music and band performances are permissible, but only during pregame, natural and planned breaks/timeouts and when the clock is stopped and the ball is not in play.

WATER - COVID-19 GUIDANCE

Participants are reminded to bring their own water bottles or use disposable single wax-lined cups.

Water bottles should not be shared.

ROSTERS, LIMITATIONS AND SUBSTITUTIONS

POSTSEASON ROSTERS

Schools must log into the KHSAA website and designate their postseason roster, which is separate from the regular-season varsity roster.

Postseason participants must be designated on the online sport postseason roster from the freshmen, junior varsity or varsity rosters.

Roster revisions must be made before the first date of the postseason when online rosters are closed and considered final.

Only players appearing on the school's postseason roster as of the first date of the postseason are eligible to participate in any round.

The online, postseason roster may be printed from the KHSAA website as the valid listing of available players.

This roster information is also used for advance preparations for state qualifying teams.

LIMITATIONS AND SUBSTITUTIONS

Teams may dress a maximum of 24 players in uniform per contest.

Those 24 selected can rotate each match as long as they appear on the postseason roster.

No other players outside of the 24 designated as eligible for each match may be in uniform or participate in pre-game activities, including warm-up activities.

All non-uniformed team members who are not essential to game management shall be seated in the bleachers or general seating and be able to socially distance from other groups.

BYLAW 22 REMINDER

REQUIREMENT TO ACCOMPANY TEAM MEMBERS

This rule is to be observed in both regular season and postseason play.

OFFICIATING ASSIGNMENTS AND FEES

The assigning secretary who normally services the semi-state hosts will assign the respective officials.

Each official shall be paid a flat fee of \$70 per game and a table official shall receive \$49 per game.

It is preferred that the host pay the officials through ArbiterPay and be reimbursed by the KHSAA on receipt of Form GE88.

2021 Field Hockey Semi-State Instructions

No additional mileage expenses will be added for any official.

SPORTSMANSHIP

The KHSAA requires officials to enforce sportsmanship rules.

High school athletics emphasize positive values and all parties have worked hard to create a sense of teamwork, respect, responsibility and perspective.

We encourage and appreciate your help in letting this competition reflect mutual respect among all participants and officials.

We remind you that officials expect good behavior and will quickly penalize misconduct.

No one outside of the team is to come onto the playing field. Fans are to stay in the stands before, during and after each contest.

Please make announcements to this effect to the student body during the week before play.

In the event this occurs, a school will be fined or there will be a reduction in a team's expense reimbursement when applicable.

Damage to the facility directly attributed to the fans of a particular school will result in a reduction to team reimbursement when applicable as well.

VENUE SPECIFIC INFORMATION

COVID-19 GUIDELINES

The host is responsible for adherence to COVID-19 guidelines in accordance with normal home event procedures.

SECURITY

It is the responsibility of the Game Manager and host site to secure adequate police protection and any other security precautions as necessary inside and outside the stadium, in accordance with the security practices policy in the KHSAA handbook.

The KHSAA requires a game administrator, other than the coach, at the game site as the coach needs to devote full attention to the team.

Unsporting conduct by spectators is a growing concern and the presence of a contest supervisor sends the message that such behavior will not be tolerated.

VENUE SAFETY

Persons who attend sporting events may be injured as a result of the risks inherent in being a spectator.

The Game Manager, along with the host site, shall make every effort to ensure that the facility is safe for fans, participants, officials, and others who may attend the contest.

MEDICAL COVERAGE

The host school is responsible for securing medical coverage for the event, including athletic trainers and alerting local ambulance service to serve in an on-call status if such cannot be present at the competition site. There is no requirement that an ambulance be on site for all play, however the local administering agency shall be notified in advance and placed "on call" if an ambulance is not available on site.

It is strongly recommended that the authorized medical coverage be staffed by individuals who can determine whether or not a suspected concussion has occurred per 160.445(3)(a) and the KHSAA Board of Control policies, page 10 of the document.

Any fees associated with providing medical coverage should be taken from gate receipts.

The KHSAA has long recommended, and continues to recommend, that medical coverage be present at all athletic practices and contests.

Due to the unique skill set of Certified/Licensed Athletic Trainers it is recommended that one of these individuals be present at all practices and contests.

It is also strongly recommended that the member schools utilize only Certified/Licensed Athletic Trainers per the Kentucky Board of Medical Licensure, and not members of any other vocation making this claim but without this legal designation.

While acknowledging the expense of providing a Certified/Licensed Athletic Trainer, it is nonetheless noted that this shall be an

2021 Field Hockey Semi-State Instructions

integral part of your contest planning process.

EMERGENCY ACTION PLAN

Each host is expected to have and maintain an emergency action plan that should be distributed to all teams and incorporated into the public address announcer's script.

Emergency action plans shall be practiced and referred to prior to competition.

Before the start of a contest, the game manager should identify themselves and establish a designated area where they can be reached in the event of an emergency.

INCLEMENT WEATHER

It is the duty of the Game Manager, in consultation with the KHSAA and officials, to make decisions in regard to restarting or rescheduling in the event of stoppage or postponement, including ensuring all teams, media outlets and schools are properly notified.

It is imperative that Game Managers adhere to the scheduled postseason dates, but inclement weather procedures must be followed.

Competition must be delayed at the first sight of lightning or sound of thunder and the site should be immediately cleared of all persons by event administration.

If it is anticipated that the inclement weather will pass, the competition may be resumed following a 15 minute warm-up period, no sooner than 30 minutes after the last sight of lightning or the last sound of thunder.

If the severe weather is of great length or intensity, the KHSAA, in consultation with the host school, has the responsibility and authority to postpone or cancel the competition.

HEAT INDEX PROGRAM

Tournament play will adhere to the KHSAA's Heat Index Program.

Tournament administration will be responsible for tracking and implementing the program's guidelines.

Should the heat index reach 95 degrees, mandatory 10-minute water breaks will be given every 30 minutes.

At 99 degrees, play shall stop, and the heat index will be monitored every 30 minutes.

MEDIA AND INTELLECTUAL PROPERTY RIGHTS

GENERAL MEDIA RIGHTS

At all levels of competition during postseason play, control of media access and location at those contests is with the KHSAA, and as such, there are necessary policies and restrictions concerning this event and these provisions will be vigorously enforced.

In general, management of the execution of those assignments is assigned to the host KHSAA school's game manager.

The intellectual property, corporate, broadcasting and media rights to all postseason rounds belong exclusively to the KHSAA, including titling agreements and sponsorships.

No member school can sign an exclusive agreement for a postseason round (district, region, section, semi-state, quarterfinal) without agreement between the schools and approval from the KHSAA, including full compliance with NFHS Network restrictions and the KHSAA's participation within that network.

At all levels of KHSAA sponsored postseason events, including district, regional, semi-state, quarterfinal and state competition, managers shall make allowances for television media to record video of the contests, without play by play, at no charge as long as the sole purpose is for newscast highlights.

At all levels of KHSAA sponsored postseason events, including district, regional, semi-state, quarterfinal and state competition, managers are encouraged to make allowances for other media outlets to be admitted to the contests as long as the sole purpose is for reporting of the actions taking place at the contest and promoting the event.

Participating teams in KHSAA events shall be allowed to record the contest, for coaching purposes only, if space is available with such availability at the discretion of the tournament manager and may be required to sign a waiver indicating that the KHSAA shall be held blameless for any and all liability to those parties involved in the video recording.

Any video recording must not violate existing, acknowledged, written copyright protection or intellectual property agreements and cannot be broadcast in any form, including internet and social media.

2021 Field Hockey Semi-State Instructions

If space is deemed available, the tournament manager has the right to designate a specific area for video recording and no video recording will be allowed outside of that area.

The determination of space availability is solely with the tournament manager and shall be equitable for all teams.

A freelance/commercial photographer is any person, including a school employee, not representing an established media outlet or a person who will capture images from the event and re-sell them to anyone, including team members, the families or the general public.

COVID-19 MEDIA RESTRICTIONS AND CONSIDERATIONS

Media access may be limited, especially if there are capacity limits.

Establish a limit on the number of credentialed media members at each event (number of passes per outlet, priority to those who regularly cover, home/visitor split, etc.).

Encourage media members to RSVP in advance of the event so that you can allocate space accordingly and grant access to any media on a "waiting list."

In team sports (baseball, basketball, field hockey, football, soccer, softball and wrestling), inform the visiting Athletic Director of the number of spaces available for the visiting team media.

The press box should be limited to essential personnel only, with all individuals respecting social distancing (consider additional accommodations outside if necessary).

Pressbox windows and doors should remain open so as not to restrict airflow.

If the press box is totally enclosed, it should be considered an inside venue for the purpose of any COVID-19 mask / face covering local restrictions.

No non-working individual may be in the working press area, including spouses, family members, and others.

Interview opportunities may be limited during the week.

Disseminate as much information online as possible (limit handouts).

Limit field access to working media members only (those who are actively performing work assignments).

Incorporate easily identifiable credentials to ensure only authorized personnel are in restricted areas.

If radio space is limited to the home team, try to facilitate a shared feed of the home team's broadcast if possible.

Interviews should only be conducted if social distancing protocols can be followed.

Be mindful that no agreement can be made exclusive per adopted regulation, which precludes an audio broadcast by the visiting team.

RADIO BROADCASTS

No host manager of a semi-state round or school may approve a live broadcast (radio or online) of a contest, such requests shall be referred to the Communications Director of the KHSAA.

A broadcast, as used in these instructions, is a non-video, audio only, live or delayed account, including play by play, of any contest.

A rights fee is to be charged to a radio station broadcast team (radio or online) or outlet (radio or online) broadcasting the event.

The mandated minimum fee schedule will be published annually by the Commissioner's office on the KHSAA website.

TELECAST/WEBCAST INCLUDING NFHS NETWORK RESTRICTIONS

The KHSAA is a full member of the NFHS Network and as such, restrictions exist on all postseason levels.

A telecast, as used in these instructions, is a video, live or delayed account, including play by play, of any contest over the air.

A webcast, as used in these instructions, is a video, live or delayed account, including play by play, of any contest distributed using the internet.

For district and region play, a fee schedule shall be approved annually by the Commissioner for any telecast/webcast and only those outlets paying such fee in advance shall be permitted to originate a telecast or webcast. The mandated, minimum fee will be published on the KHSAA website.

For district and region play in all KHSAA sports, a majority vote of the participating schools may set a higher fee than the required minimum and such vote may also recommend to the KHSAA that no broadcast be approved.

Any approved webcast (or telecast simulcast on a website) shall require the originator to provide a link to the telecast/website not

2021 Field Hockey Semi-State Instructions

less than 24 hours prior to the origination of the contest, and such link shall permit the Association to add the content to the NFHS Network menu of contests.

Failure of any approved webcast (or telecast simulcast on a website) to provide a link for inclusion on the NFHS Network will result in denial of approval.

The KHSAA is the only entity permitted to produce live or delayed video from state championship events including quarterfinal and state rounds, and is the sole authority for approval of any other.

No entity, unless given prior approval by the KHSAA shall be permitted to produce video telecasts or broadcasts, with the exception of approved media outlets solely recording highlights for news use.

No host manager or school may approve live webcast or telecast of a contest, such requests shall be referred to Communications Director of the KHSAA.

No entity, including media members, may stream live video content during postseason events including the use of social media products such as Facebook® Live and Periscope (via Twitter®).

For all postseason play, all questions regarding live or delayed broadcast or telecast policies, including requests for approval shall be referred to the Communications Director for approval by the Commissioner.

MUSIC COPYRIGHT

KHSAA schools are reminded to adhere to all music copyright laws.

EVENT MERCHANDISE

Championship apparel will be available online for these rounds at khsaa.teamip.com. Participating schools will be emailed a link when items are available.

TeamIP is the exclusive vendor of championship apparel. No outside merchandise representative of the event may be produced by any other entity and sold or distributed at the championship venue.

POST EVENT

REPORTING RESULTS

Upon completion, Game Managers are to report scores by calling the Rihards.com/KHSAA Scoreboard at 1-800-453-6882 or via web link if provided by email.

Failure to report the scores could result in a fine to the host school.

COVID AWARDS PRESENTATION PROTOCOL

While there are no KHSAA awards given at semi-state, utilize the following protocol for distribution of any local awards given at the semi-state round:

Alternative One

- Teams should remain in separate areas on each side of the division line and remain there throughout the presentation.
- Have clearly defined protocols for social distancing between the team groups and the presenters during the presentations.
- Awards should be placed at a "neutral" location away from the teams.
- The plaque presenter should deliver the plaque to the team representatives in the gathering area and not permit teams to gather near the original awards location.

Alternative Two

- Leave plaques boxed and allow the non-advancing coach to pick them up as they leave the facility.
- Have any photos or gatherings outside of the facility.

FINANCIAL REPORT FORM (GE88)

Each Game Manager is to complete and submit Form GE88 (Semi-State Game Financial Report) to the KHSAA, including itemized expenses, within one week of the tournament using the link at the end of these instructions.

No expense item may be listed on the form without prior approval from the KHSAA and Game Managers are reminded not to pay any visiting team's expenses or officials.

Officials should be paid via ArbiterPay at the amounts reported through Form GE88.

2021 Field Hockey Semi-State Instructions

Upon receipt of Form GE88, the KHSAA will send checks to the permitted game staff. Names, email addresses and current mailing addresses must be included for each worker.

EXPENSE REIMBURSEMENT

There are no reimbursements planned for travel that will be distributed to participating schools in KHSAA championship events for the 2021-2022 school year.

The expense reimbursement policy is under review for future years in all association state events.

INSTRUCTIONS FOR TEAMS ADVANCING

The four (4) winning teams in the semi-state round advance to the final site of the KHSAA State Field Hockey Tournament for the semifinals and finals on Saturday, Oct. 23 and Monday, Oct. 25, respectively.

State Tournament Instructions for Participants and Fans will be released for those advancing to the final site.
