About KHSAA Statistical Rankings

Stats are compiled weekly throughout the regular season. Member schools are solely responsible for submitting information. If a school or individual is omitted or information is not updated, that means the KHSAA did not receive an updated report prior to the deadline. A final season ranking (including all postseason games) will be compiled and posted on the KHSAA website at www.khsaa.org following the conclusion of the playoffs. All inquiries should be directed to Joe Angolia, KHSAA Communications Director at (859)299-5472 or jangolia@khsaa.org.

#Cardinal Stadium refers to the Kentucky Fair and Exposition Center

If an individual student athlete or team wins, it's an amazing thing.

It's also just the icing on the cake.

Young people who participate in education-based athletics are already winners. Studies show that, win or lose, participation helps to impart skills they can use to enjoy greater success in other areas of their lives. That's what makes school sports a winning part of a complete education.

This message presented by the Kentucky High School Athletic Association and the Kentucky High School Athletic Directors Association.
