DUTIES SUMMARY STATEMENT

Refer to the Kentucky High School Athletic Association Handbook rules and regulations governing the football playoffs, which is included as a link at the end of these instructions.

You should familiarize yourself with these provisions and review them at your meetings to ensure understanding from the coaches and the management of a smooth event.

Any required forms for your reports are included at the end of these instructions as links.

KHSAA CONTACT LIST

The primary contact for football is Commissioner Julian Tackett (jtackett@khsaa.org). If Mr. Tackett is for some reason not available, Associate Commissioner Butch Cope (bcope@khsaa.org) is the backup contact.

Media, broadcast/webcast and statistics inquiries should be directed to Communications Director Joe Angolia (jangolia@khsaa.org).

Questions may also be directed to the KHSAA offices at (859) 299-5472 and any member of the staff can refer you to the correct party.

REFERENCE TO TEAM ALIGNMENT

Teams are aligned into eight (8) districts within six (6) enrollment based classes.

The current alignment is available on the football page of the KHSAA website and included as a link at the end of these instructions.

Only schools on the list of aligned teams are eligible to enter the playoffs.

If a school is not on the current list of teams and desires to be entered, contact Commissioner Tackett.

PRE-EVENT LOGISTICS

GAME MANAGER

The home team shall determine a Game Manager, although the Principal of the host school is ultimately responsible.

The Game Manager shall determine the site for the game in accordance with any published criteria.

Each week, as soon as it is known and prior to 10 a.m. ET Monday, complete the information via Form FB106 to submit your game date and time to the KHSAA via the link listed at the end of these instructions.

The Game Manager should review the KHSAA Competition Rules for football available on the KHSAA website and as a link at the end of these instructions.

Prior to contacting the visiting team, the Game Manager should be familiar with this manual and the Competition Rules.

Be prepared to contact the Commissioner’s office to resolve any disputes.

Game contacts shall review the Competition Rules for football and be familiar with them to eliminate any disputes.

POSTSEASON ROSTERS

Postseason participants must be designated from the freshmen, junior varsity or varsity rosters, which are maintained through the KHSAA member school website throughout the regular season.

Roster revisions must be made before the first date of the postseason when online rosters are closed and considered final.

Only players appearing on the school’s postseason roster as of the first date of the postseason are eligible to participate in any round. No additional players may be added to the roster following that deadline, including those teams that advance to the state finals.

The online, postseason roster may be printed from the KHSAA website as the valid listing of available players.

This roster information is also used for advance preparations for state finals qualifying teams.
BYLAW 22 - REQUIREMENT TO ACCOMPANY

You are reminded that KHSAA Bylaw 22 requires a principal, coach or another approved individual of the school to be present along with any student-athlete who is representing a member school.

A segment of that bylaw states:

“The principal, coach or another individual approved by the local Board of Education shall accompany the team to all contests. His or her expenses, when he or she accompanies the contestants, shall be paid in the same manner as those of the contestants. Individuals fulfilling this requirement shall adhere to the requirements of KRS 161.185.”

REQUIRED BALL TYPE

Participating teams shall use any legally approved Spalding brand football in all playoff games.

The game balls used must contain the NFHS authenticating mark and must be a Spalding brand football.

Violations of this policy will result in penalties under Bylaw 27 including but not limited to, a maximum fine for the school in noncompliance.

There is no requirement that the ball contain a KHSAA logo.

For the championship games, Spalding will be providing four (4) footballs which will be sent to the participating schools.

Each participating school in the finals may choose to utilize the provided balls, or any other Spalding brand ball in the championship game.

PLAYOFF PAIRINGS, BRACKETS, HOME SITES

PLAYOFF GAMES - DATES, SITES, TIMES

A complete bracket of each Class is regularly updated and posted on the KHSAA website.

The parameters for developing the playoff brackets are contained in these instructions.

Playoff competition will begin on the Thursday, Friday or Saturday three weeks prior to Thanksgiving Day (November 7, 8 or 9, 2019).

All playoff contests shall be held on Friday at 7:30 p.m. unless there exists a mutual agreement between the schools to hold the game on another day due to field conditions or availability, availability of officials, or in the mutual best interests of the competing teams.

PLAYOFF PAIRINGS

The top four teams in each district as determined by intra-district records, after all tiebreakers have been applied, will qualify for the championship playoffs.

The finishing position within the district shall hereinafter be referred to as the “seeded position.”

The first and second round games in all classes will be played within district.

The first place team in a district will host the fourth place team from that district and the second place team will host the third place team from that district.

A complete “bracket builder” to help clarify the brackets will be posted on the KHSAA website at the link listed at the end of these instructions.

PLAYOFF BRACKETS - SECOND ROUND, ALL CLASSES

In the second round, the winner of the game between slots one (1) and two (2) will play the winner of three (3) and four (4), and so on through the bottom of the original 32-team bracket.

In all second-round games, the team with the highest seeded position (finishing position in district) shall host the game.

The winner of the second round games will be the District Champion and the team not winning that second round game will be the District Runner-up.
PLAYOFF BRACKETS - THIRD ROUND, ALL CLASSES

For the region championship (third round), the pairings will be based on the Playoff RPI of the remaining teams as determined at the end of the regular season in all classes with pairings as follows:

- Highest remaining seed in regions 1-4 will host the fourth-highest remaining in regions 1-4;
- 2nd highest remaining seed in regions 1-4 will host the third-highest remaining seed in regions 1-4;
- Highest remaining seed in regions 5-8 host the fourth-highest remaining in regions 5-8;
- 2nd highest remaining seed in regions 5-8 host the third-highest remaining seed in regions 5-8.

PLAYOFF BRACKETS - FOURTH ROUND, ALL CLASSES

For the semi-state round (fourth round), the pairings will be based on the Playoff RPI of the remaining teams as determined at the end of the regular season in all classes with pairings as follows:

- Fourth round playoff games, for the purpose of determining the home team, will be based on Playoff RPI in all classes.
- Highest remaining seed hosts the fourth highest remaining seed;
- 2nd highest remaining seed hosts the third highest remaining seed.

Winners of the fourth-round games will play for the class championships.

GAME ARRANGEMENTS - MUTUAL AGREEMENT REQUIRED

The representatives of the two schools involved shall discuss and must agree in advance on all items incidental to playing the game, including:

GAME SCHEDULE

The representatives of the two schools involved shall discuss and must agree in advance on the starting date and time, which shall be on Friday night at 7:30 p.m. local time, unless the two schools mutually agree to a change.

EXPENSES

The representatives of the two schools involved shall discuss and must agree in advance on mileage and other travel allowances for the visiting team.

For the fourth round, schools are encouraged to consider a mileage allowance to be paid to the visitors prior to the gate split due to substantial travel distances involved regardless of the method for dividing the gate.

TICKETS

The representatives of the two schools involved shall discuss and must agree in advance on the price of admission, number of passes given to each school, and the distribution of any reserved seats.

CONCESSIONS

The representatives of the two schools involved shall discuss and must agree in advance on the concession rights, which are commonly given to the home team in exchange for use of the field.

The division of game proceeds, including the method of dividing net proceeds.

INSURANCE

The representatives of the two schools involved shall discuss and must agree in advance on the purchasing additional liability insurance if needed.

ROSTERS

The representatives of the two schools involved shall discuss and must agree in advance on a maximum number of players allowed to be in uniform on the sideline if limits are desired or necessary due to space limitations.
CEREMONIES
The representatives of the two schools involved shall discuss and must agree in advance on any activities or functions proposed by the home team to recognize individuals, groups or sponsors that are not indicative of the game being played at a neutral site. This consideration includes the option to extend halftime to 20 minutes.

OFFICIALS
For the first round, the use of seven officials is only permissible if agreed by both teams.
For all other rounds, the assignment of officials will be for a seven-person crew in accordance with the details mentioned later in these instructions.

AGREEMENT ON FINANCES AND GAME PROCEEDS
The schools shall reach agreement on the division of game proceeds, including the method of dividing net proceeds.
Per the Constitution of the Association, the proceeds of all playoff games through the third round shall remain with the schools.
Per Board of Control action and unless otherwise altered, the proceeds of all fourth round games shall remain with the schools.
If no other agreement is reached, and a required facility rental fee is to be paid, the host shall take the cost of rental from its share of proceeds after the division of proceeds and payment of approved expenses.

There are two common methods of dividing the proceeds from playoff games:
• Method 1:
  o The first and more commonly used method is to simply split the gate receipts after the payment of the trophy bill and the cost of officials.
  o In addition, for the fourth round, many schools agree to follow a fixed rate mileage allowance for the traveling team prior to making this division of the gate or a lodging allowance due to cross-state travel.
  o This method of dividing proceeds encourages the visiting team to minimize travel expenses and the home team to control game costs and eliminates the perception of inflated costs by either the traveling team or home management.
• Method 2:
  o The second method is a split of the gate after agreed expenses, which would involve the following:
  o Allowing for the cost of the trophies and the game officials.
  o Determining and agreeing in advance on the expenses of the home team for staging the game, including charges for police and security, ticket sellers and takers, P.A. announcer, dressing room attendants, parking, ushers, statistics, etc.
  o Determining and agreeing in advance on the expense allowance for the visiting team for mileage, meals and lodging if applicable.
  o If no other agreement on mileage or visiting team travel can be reached, using the state expense allowance is recommended ($5 per meal per player, $2 per mile for travel).
  o Split the balance between the two teams after payment for the items listed above.

If no agreement exists in advance, the Method 1, as detailed above, shall govern the finances.
All expenses not agreed to by the two schools PRIOR to the game will not be allowed to be included prior to the division of net proceeds.
PLAYOFF OFFICIALS, FEES AND REQUIREMENTS

ALL ROUNDS

Officials are assigned to each contest by the KHSAA.

There is no mileage paid to football playoff officials as a mileage allowance is built-in to the fee to be paid.

No official will be assigned to work a contest in their “home” association.

The names of the officials and the amount of their fees will be posted on the KHSAA website by 10:00 a.m. ET on Wednesday of the week of the contest.

Assignments will be only available through the KHSAA member school login system.

The manager will pay the officials from the game receipts.

Payment to officials should be made on game night unless prohibited by published Board of Education policy.

FIRST ROUND

A crew of five (5) officials will be assigned to each first round playoff game, unless a seven-person crew is requested by the home team following mutual agreement.

Requests for a seven-person crew for a first round game shall be submitted to the KHSAA on the playoff information form (FB106) that is submitted by the home team no later than noon on Monday of the week of the contest.

Each official is to be paid a game fee of $100 for the first playoff round for a five-person crew.

If a seven-person crew is requested for the first playoff round, the fee per official shall be $90.

Each official is to be paid a game fee of $100 for the second playoff round for a five-person crew.

THIRD ROUND

Each official is to be paid a game fee of $110 for the third playoff round for a seven-person crew.

FOURTH ROUND

A crew of seven (7) officials will be assigned to each fourth round playoff game.

Each official is to be paid a game fee of $120 for the fourth playoff round for a seven-person crew.

FACILITIES AND SECURITY

RISK MANAGEMENT RESPONSIBILITY

The host school shall make every effort to ensure that the facility is safe for fans, participants, contest officials and others who may attend the contest.

It is the responsibility of the Game Manager to secure adequate police protection and other security precautions inside and outside the stadium in accordance with the KHSAA Security Practices policy in the KHSAA Handbook.

The Game Manager should ensure the supervision of fans, watching for inappropriate behavior. During sportsmanship announcements, remind fans that foul language and harassment of officials is strictly prohibited and could result in removal.

After the game, have the officials escorted to the locker room and/or parking lot.

KHSAA REQUIREMENTS

The KHSAA requires a game administrator, other than the coach, at each game site.

- Due to the fact that the coach needs to devote full attention to the team, someone other than the coach must deal with any outside difficulties.
- Unsporting conduct by spectators is a growing concern.

The presence of a game administrator sends the message that unsporting behavior will not be tolerated.
SIGNAGE, BALLOONS, NOISEMAKERS AND BAND PERFORMANCES

Signs/banners are permitted at the facility but must be of good taste and sportsmanship.
The signs/banners must be handheld or attached in a manner not to damage the existing structure.
The signs/banner shall not cover any corporate signage or obstruct the view of patrons.
Amplified noisemakers or items that replicate game management cues are not permitted inside the facility. These items include, but are not limited to: air horns, electronic amplifiers, portable sound systems, instruments that require additional electricity, game clock horns and whistles.
Artificial noisemakers (non-mechanical and non-powered) are permitted provided they do not interfere with game administration, however, the admittance of the items is a venue specific decision.
Balloons, which can block the view of other patrons, are not permitted at the event.
Only venue provided amplified music and band performances are permissible, but only during pregame, natural and planned breaks/timeouts and when the clock is stopped and the ball is not in play.
The playing of the National Anthem will be the responsibility of the home team.
Halftime shall be 15 minutes.
The home team shall have the right to perform first if both bands desire to play.
The admission price (if any) of school pep bands is a local decision.

MEDICAL PROVISIONS

The host school is responsible for securing medical coverage for the event including athletic trainers and alerting local ambulance service to serve in an on-call status if such cannot be present at the competition site.
It is recommended that an ambulance be present at the game.
It is strongly recommended that the authorized medical coverage be staffed by individuals who can determine whether or not a suspected concussion has occurred per KRS 160.445(3)(a) and the KHSAA Board of Control policies, page 18 of the document.
An athlete demonstrating the signs and symptoms of a concussion will be presumed to have sustained a concussion and withdrawn from competition for the remainder of that day. If he/she can be immediately evaluated at the game site by an M.D. (Medical Doctor), D.O. (Doctor of Osteopathy), P.A. (Physician Assistant), ARNP (Advanced Registered Nurse Practitioner), ATC (Certified Athletic Trainer), or LAT (Licensed Athletic Trainer) and be determined that a concussion has not been sustained, a coach may return a student-athlete to play, but only with that required evaluation.
A doctor (M.D. or D.O.) must be present at each playoff game.
Due to the unique skill set of Certified/Licensed Athletic Trainers, it is recommended that one of these individuals be present at all practices and contests.
  • While acknowledging the expense of providing a Certified/Licensed Athletic Trainer, it is nonetheless noted that this shall be an integral part of your contest planning process.
  • It is also strongly recommended that the member schools utilize only Certified/Licensed Trainers per the Kentucky Board of Medical Licensure, and not members of any other vocation making this claim but without this legal designation.
Any fees associated with medical coverage are to be taken from gate receipts of the home team.

EMERGENCY ACTION PLAN

Each Game Manager, per KRS 160.445, is expected to have and maintain a venue-specific emergency action plan which shall be distributed to both schools.
Emergency action plans shall be practiced and referred to prior to competition.
Before the start of a contest, the Game Manager should identify themselves to both schools and game officials and establish a designated area where they can be reached in the event of an emergency.
INCLEMENT WEATHER PROCEDURES

In accordance with the playing rules, 30 minutes prior to the contest beginning, and during the contest, the officials shall make determinations as to stoppage of play.

It is the duty of the Game Manager, in consultation with the officials, participating teams and the KHSAA, to make decisions regarding re-start or re-scheduling in the event of stoppage or postponement.

In the event that changes are made to the schedule, ensure that all teams, media outlets and schools are properly notified. Any postponed game shall be rescheduled in accordance with the provisions in the Competition Rules for interrupted games.

The Game Manager shall also report the revisions to KHSAA Communications Director Joe Angolia (jangolia@khsaa.org) to ensure the Riherd.com/KHSAA Scoreboard is updated.

The Game Manager, working with the certified athletic trainer and facility staff, shall monitor and adhere to the KHSAA Board adopted policy with regard to lightning and thunder.

Play shall be suspended at the first sound of thunder or sight of lightning and shall be suspended a minimum of 30 minutes following any subsequent sound/sighting.

In the event of a lightning delay, it is recommended that a maximum of 75 to 90 minutes, by mutual agreement of the teams, be the maximum waiting period before making a decision to postpone.

Special attention should be paid to, and both teams should review, the inclement weather policies on the KHSAA website prior to the game.

MEDIA AND INTELLECTUAL PROPERTY RIGHTS

RADIO BROADCASTS

A broadcast, as used in these instructions, is a non-video, audio only, live or delayed account, including play by play, of any contest.

The participating teams must agree on what, if any, rights fee is to be charged to a radio station broadcast team (radio or online) or outlet (radio or online) broadcasting the event.

This fee is to be included in the gross revenue prior to distribution and is payable to the host school.

TEAM BROADCASTS

By paying the requisite fee, each school qualifying for a KHSAA State Championship event may designate one (1) radio station or website to originate an AUDIO-only broadcast of each game its affiliated school participates in.

An official representative of the participating school shall designate to the KHSAA which station/website will be permitted to broadcast its game using SI113 (School Audio Broadcast Designation Form).

The radio station/website shall then apply for championship credentials through the KHSAA’s online credentialing system.

Originating stations/websites will be subject to a media rights fee, which will be outlined through the online credentialing system.

MEDIA RIGHTS FEE

Freelance/commercial photographers and radio stations interested in originating a broadcast of a KHSAA State Championship event are subject to a media rights fee.

Information regarding the fee for each event is available through the online credentialing system.
