BRIEF WELCOME

Congratulations on behalf of the Kentucky High School Athletic Association Board of Control and staff on winning your semi-state championship game and advancing to the UK HealthCare Sports Medicine KHSAA State Football Finals.

Refer to this manual and the important website links included at the end to guide you through preparation for your participation in the state football championships.

KHSAA CONTACT LIST

Administrators and coaches should contact Commissioner Julian Tackett (jtackett@khsaa.org), Associate Commissioner Butch Cope (bcope@khsaa.org) or Mr. Tackett's Administrative Assistant Kara Howard (khoward@khsaa.org) at the KHSAA offices should they have any questions.

Media and statistics inquiries for this event should be directed to Media Relations and Publications Director Connor Link (clink@khsaa.org).

Questions may also be directed to the KHSAA offices at (859) 299-5472 and any member of the staff should be able to refer you to the correct party.

COVID-19 GUIDANCE AND ADJUSTMENTS

The KHSAA's complete "Healthy at Sports, Stage 5 - Partnering for Progress, Guidance for Continued Practice and Competition During the Pandemic" document can be found at the following link: <https://bit.ly/3zwQOeD>

In addition to specific guidance, this document includes guidance for all sports, officials and media. The information in this document should be thoroughly reviewed by all managers, participants and spectators attending a district or regional tournament.

Anyone attending or participating in a KHSAA regular season or postseason event should review their symptoms before arriving. Those that are ill or displaying any symptoms of COVID-19 should stay home.

Some differences in the guidance are necessitated by the differences in sports, facilities and geographic areas, which are pronounced during normal years and magnified this school year.

MASKS/FACE COVERINGS

Masks/Face coverings for non-competitors and the requirements surrounding these items are a matter of local jurisdiction.

At minimum, any local or specific mask-requiring ordinance should also include a requirement for managers to post signage and make regular announcements.

COMPETITORS

Due to safety concerns, competitors who are considered to be aerobically exercising should not be required to wear masks during competition.

WATER - PARTICIPANTS

Coaches and athletes are reminded to bring their own water bottles as no community dispensers can be used.

PUBLIC HEALTH PROTOCOLS

Each member school and event host is expected to adhere to public health standards regarding isolation and quarantine as well

as the adopted Return to Play Protocol in the event of a positive test in a participant or team staff member.

A school may issue any number of Team Party passes to its administration for use for field access.

Absent this Team Party pass, there is no allowance to be on the field.

Each team is to complete Form FB125 (Participating Team Information Form), included as a link at the end of these instructions, to be given to security and local law enforcement in case of any issues with fans or for when administrative support is needed from the school.

Teams must use Team Party passes for these administrators.

These allow school administration to be on the field in front of their school's section to assist with crowd control as needed.

Administrators are expected to make themselves known to field-level KHSAA staff in case they are needed.

FIELD LEVEL COACHES AND OTHERS IN TEAM BOX

All members of the traveling party (including the head coach) must wear their team party credential unless they are in full competition uniform, including shoulder pads.

This includes coaches, managers, doctors, bus drivers, non-dressing players and all other personnel wanting access to the games and field.

Individuals needing field access, but not in playing uniform, will need to be issued a Team Party Credential from the allotment given to each team.

This field access is only for the areas between the 10-yard lines and cannot be used for still photography or video purposes.

Team Party access is only good for the game in which the credential holder's team is playing.

No one may come onto the playing field without a Team Party Credential, before, during or after the contest.

Administrators should include coaches, coaches' wives/husbands, administrators, etc., in their plans for distributing the passes.

If using a Team Party credential, each person will be required to stay within the team box except for performing necessary functions (statistics, team doctors,, etc.).

Credentialed persons are liable for a penalty should they be out of the box for any other reason.

No person under 13 is permitted on the sideline and there is no allowance for baby strollers or other child carrying device even when accompanied by an adult.

School's are accountable for the conduct of all persons in the team box with regards to the competition rules.

When in doubt, non-essential persons to the playing of the game should be in the stands.

COACHING BOX PASSES, REGULATIONS

Coaching Box Passes must come from the 55 team-party credentials and include field-level access during the contest.

Team Party Credentials must be worn by these individuals if they come down to the sideline before, during or after the game.

All coaches in the box must be on the school's approved list, meeting all Bylaw 25 criteria.

Photographers and videographers may not use these credentials and those issued these credentials may not have photo equipment.

TEAM VIDEO PASSES, REGULATIONS (COACHING PURPOSES ONLY)

A school may issue any number of Team Party passes to its administration for use for field access.

Persons holding Team Party passes may access the video deck by going to Gate 1 and using Elevator 13.

Team Party Credentials must be worn by these individuals if they come down to the sideline before, during or after the game.

The team video permitted under these provisions may not be sold to other individuals or entities.

CHEERLEADERS ADMISSION AND LOCATION

A total squad of 35 cheerleaders in uniform or combination of cheerleaders and dance team members, including coaches, will be given entry to the stadium.

The group must arrive together to be admitted.

Any cheerleaders above the limit of 35 must purchase a ticket and will not be permitted on the sideline.

Who composes these groups and their composition is a local school decision.

Cheerleaders are to be located at the discretion of the school.

Cheerleaders may not be on the concrete cart path behind the team bench and are to place no personal belongings/bags on field level due to space constraints.

Cheerleaders on the playing field may NOT do any stunting due to proximity to the cart path and sideline walls.

The squad, with coaches, must enter AS A GROUP at the appropriate gate (Gate 1 or 9 based on sideline assignment).

BAND ADMISSION AND LOCATION

Pep bands are permitted, but are required to purchase a ticket for each member and band director.

No one associated with the band is permitted on the playing field.

ADMINISTRATIVE, FIELD SETUP AND VENUE LOGISTICS

TEAM BOX AND ROSTER LIMITATIONS

Rosters are restricted to a limit of 80 players in uniform and participating in warm-ups and competition.

All non-uniformed team members who are not essential to game management should be seated in the bleachers or general seating area.

The number of non-essential personnel who are on the field level throughout the contest should be limited and will not exceed the number of passes allowed.

SPECIAL NOTE REGARDING SECURITY PROCEDURES

Be aware that when you enter the event, bags, purses and packages are subject to be searched.

In the event that an item is found to be contrary to the security practices implemented by Local and Federal law enforcement authorities, you may be forced to return items to your car and/or hotel prior to entering the stadium.

The individuals involved with this determination are adhering to applicable Federal, State and Local guidelines and your cooperation is appreciated.

Please arrive to the stadium in time to allow the venue to properly execute its security plan.

LOCKER ROOMS

Teams should note that the locker rooms will not be available until two (2) hours prior to game time.

Only individuals with the team party or players in uniform will be allowed in the locker room.

Please inform parents and/or boosters of this important, safety driven restriction.

Teams are asked to be proactive regarding use of the locker room by arriving dressed in competition equipment, excluding shoulder pads and helmets.

- School administrators and coaches will be in charge of enforcing these guidelines.

A representative of the school and the KHSAA playoff staff will inspect the locker room before and after the game.

It is expected that each of the locker rooms will be left in the same condition after the game as before the game.

The KHSAA will take whatever action is necessary, including fining the particular school and assessing the cost for cleanup, to those schools leaving the locker room in unsatisfactory condition.

The KHSAA employs a great deal of security for the championships, as well as assistants to help with the locker rooms.

It is strongly suggested that schools use a "valuables bag" to be taken to the team bench for added security.
