2022 State Football Playoffs - Rounds 1-4 Instructions

COVID-19 GUIDANCE

The KHSAA's complete "Healthy at Sports, Stage 5 - Partnering for Progress, Guidance for Continued Practice and Competition During the Pandemic" document can be found at the following link: <https://bit.ly/3zwQOeD>

In addition to specific guidance, this document includes guidance for all sports, officials and media. The information in this document should be thoroughly reviewed by all managers, participants and spectators attending a district or regional tournament.

Anyone attending or participating in a KHSAA regular season or postseason event should review their symptoms before arriving. Those that are ill or displaying any symptoms of COVID-19 should stay home.

Some differences in the guidance are necessitated by the differences in sports, facilities and geographic areas, which are pronounced during normal years and magnified this school year.

MASKS/FACE COVERINGS

Masks/Face coverings for non-competitors and the requirements surrounding these items are a matter of local jurisdiction.

At minimum, any local or specific mask-requiring ordinance should also include a requirement for managers to post signage and make regular announcements.

COMPETITORS

Due to safety concerns, competitors who are considered to be aerobically exercising should not be required to wear masks during competition.

WATER - PARTICIPANTS

Coaches and athletes are reminded to bring their own water bottles as no community dispensers can be used.

PUBLIC HEALTH PROTOCOLS

Each member school and event host is expected to adhere to public health standards regarding isolation and quarantine as well as the adopted Return to Play Protocol in the event of a positive test in a participant or team staff member.

The host site and home team are responsible for adherence to COVID-19 guidelines in accordance with normal host site procedures.

DUTIES SUMMARY STATEMENT

Refer to the Kentucky High School Athletic Association Handbook rules and regulations governing the football playoffs, which is included as a link at the end of these instructions.

You should familiarize yourself with these provisions and review them at your meetings to ensure understanding from the coaches and the management of a smooth event.

Any required forms for your reports are included at the end of these instructions as links.

KHSAA CONTACT LIST

The primary contacts for football are Commissioner Julian Tackett (jtackett@khsaa.org) and Associate Commissioner Butch Cope (bcupe@khsaa.org).

Media, broadcast/webcast and statistics inquiries should be directed to Publications and Media Relations Director Connor Link (clink@khsaa.org).

Questions may also be directed to the KHSAA offices at (859) 299-5472 and any member of the staff can refer you to the correct party.

REFERENCE TO TEAM ALIGNMENT

Teams are aligned into eight (8) districts within six (6) enrollment based classes.

The current alignment is available on the football page of the KHSAA website and included as a link at the end of these instructions.

Only schools on the list of aligned teams are eligible to enter the playoffs.

2022 State Football Playoffs - Rounds 1-4 Instructions

If a school is not on the current list of teams and desires to be entered, contact Commissioner Tackett.

PLAYOFF PAIRINGS, BRACKETS, HOME TEAMS

PLAYOFF GAMES - DATES, SITES, TIMES

DATES

Playoff competition is scheduled to begin on the weekend of November 3, 4 and 5.

TIMES

All playoff contests shall be held on Friday at 7 p.m. unless there exists a mutual agreement between the schools to hold the game on another day due to field conditions or availability, availability of officials, or with the mutual agreement of the competing teams.

In the case of multiple consecutive games, games are to be scheduled with not less than three hours between starting times.

BRACKETS

A complete bracket of each Class is regularly updated and posted on the KHSAA website.

The parameters for developing the playoff brackets are contained in these instructions.

A complete "bracket builder" to help clarify the brackets is listed on the KHSAA website at the link listed at the end of these instructions.

SITES

The home team determinations, to help guide the pairings, are listed on the KHSAA website at the link listed at the end of these instructions.

All playoff contests shall be played at sites that meet any adopted required field standards approved by the Board of Control.

The home team shall be responsible for designating the host site for each playoff game.

PLAYOFF PAIRINGS

The top four (4) teams in each district as determined by intra-district records, after all tiebreakers have been applied, will qualify for the championship playoffs.

The finishing position within the regular season district shall hereinafter be referred to as the "seeded position."

The team finishing as the top seed after all tie-breakers are applied will be deemed the district champion.

The team finishing as the second seed after all tie-breakers are applied will be deemed the district runner-up.

The first round games in all classes will be "cross-bracketed", with districts 1 and 2 paired, 3 and 4 paired, 5 and 6 paired and 7 and 8 paired.

Within the cross-bracket pairings:

- The first place team in a district will be designated as the home team to play against the fourth place team from the other district,
- The second place team will be designated as the home team to play against the third place team from the other district,
- The third place team will be designated as the visiting team to play against the second place team from the other district, and
- The fourth place team will be designated as the visiting team to play against the first place team in the other district.

PLAYOFF BRACKETS - SECOND ROUND, ALL CLASSES

In the second round, the winner of the game between slots one (1) and two (2) will play the winner of three (3) and four (4), and so on through the bottom of the original 32-team bracket.

In all second-round games, the team with the highest seeded position (finishing position in district) shall be designated as the home team for the game.

PLAYOFF BRACKETS - THIRD ROUND, ALL CLASSES

For the region championship (third round), the pairings will be based on the Playoff RPI of the remaining teams as determined at

2022 State Football Playoffs - Rounds 1-4 Instructions

the end of the regular season in all classes with pairings as follows:

- Highest remaining seed in regions 1-4 will be the home team for the fourth-highest remaining in regions 1-4;
- 2nd highest remaining seed in regions 1-4 will be the home team for the third-highest remaining seed in regions 1-4;
- Highest remaining seed in regions 5-8 be the home team for the fourth-highest remaining in regions 5-8;
- 2nd highest remaining seed in regions 5-8 be the home team for the third-highest remaining seed in regions 5-8.

PLAYOFF BRACKETS - FOURTH ROUND, ALL CLASSES

For the semi-state round (fourth round), the pairings will be based on the Playoff RPI of the remaining teams as determined at the end of the regular season in all classes with pairings as follows:

- Fourth round playoff games, for the purpose of determining the home team, will be based on Playoff RPI in all classes.
 - o Highest remaining seed will be the home team for the fourth highest remaining seed;
 - o 2nd highest remaining seed will be the home team for the third highest remaining seed.

Winners of the fourth-round games will play for the class championships.

PRE-EVENT LOGISTICS

GAME MANAGER

The home team shall determine a Game Manager, although the Principal of the home school is ultimately responsible.

The Game Manager shall determine the site for the game in accordance with any published criteria.

Each week, as soon as it is known and prior to 10 a.m. ET Monday, complete the information via Form FB106 to submit your game date and time to the KHSAA via the link listed at the end of these instructions.

The Game Manager should review the KHSAA Competition Rules for football available on the KHSAA website and as a link at the end of these instructions.

Prior to contacting the visiting team, the Game Manager should be familiar with this manual and the Competition Rules.

Be prepared to contact the Commissioner's office to resolve any disputes.

Game contacts shall review the Competition Rules for football and be familiar with them to eliminate any disputes.

BYLAW 22 - REQUIREMENT TO ACCOMPANY

You are reminded that KHSAA Bylaw 22 requires a principal, coach or another approved individual of the school to be present along with any student-athlete who is representing a member school.

ADMINISTRATIVE AND FIELD SETUP (NOT SUBJECT TO AGREEMENT)

Rules revisions regarding the team box should be marked for each contest with either temporary or permanent markings. (REQUIRED)

Postseason rosters are restricted to a limit of 80 players in uniform and participating in warm-ups and competition.

All non-uniformed team members who are not essential to game management should be seated in the bleachers or general seating area and able to socially distance from other groups.

Everyone should have a drink container that is not shared.

Cloth face coverings are permissible for all coaches and team staff and all game administration officials.

Gloves are permissible for all coaches and team staff and all game administration officials.

The number of non-essential personnel who are on the field level throughout the contest should be limited.

It is a recommendation to eliminate the normal "circle" huddle for those teams that use a huddle and to utilize a choir huddle (example listed at <https://bit.ly/3aWReNw>).

POSTSEASON ROSTERS

Postseason participants must be designated from the freshmen, junior varsity or varsity rosters, which are maintained through the KHSAA member school website throughout the regular season.

2022 State Football Playoffs - Rounds 1-4 Instructions

Roster revisions must be made before the first date of the postseason when online rosters are closed and considered final. Schools must log into the KHSAA website and designate their postseason roster, which is separate from the regular-season varsity roster.

Only players appearing on the school's postseason roster as of the first date of the postseason are eligible to participate in any round.

No additional players may be added to the roster following that deadline, including those teams that advance to the state finals. The online, postseason roster may be printed from the KHSAA website as the valid listing of available players.

This roster information is also used for advance preparations for state qualifying teams.

ROSTERS

Rosters are restricted to a limit of 80 players in uniform and participating in warm-ups and competition.

All non-uniformed team members who are not essential to game management should be seated in the bleachers or general seating area.

PLAYER EQUIPMENT

SPLASH SHIELDS, FACE SHIELDS, AND HELMETS WITH FACE MASKS (SECTIONS ADAPTED FROM THE NFHS SPORTS MEDICINE ADVISORY COMMITTEE, POSITION STATEMENT, AUGUST 2020)

Splash Shields may be attached to the inside of the helmet and inside of the face mask to prevent respiratory droplets from spreading.

A splash shield attached inside a football helmet covering both the upper and lower parts of the inside of the helmet to cover the nose and mouth complies with the requirement provided the helmet is being worn.

Face shields may be of a commercial brand or third-party created but must be absent of tint as concussion recognition remains critical.

Cloth masks/face coverings (that tie to the head or loop around the ears under the helmet) are permissible to be worn under the face mask.

The NFHS SMAC does not recommend anything – mask/face covering or shield on the outside of any face mask for any sport but it should be worn on the inside of the face mask for risk minimization issues as they want the face mask in front of it.

Plastic shields covering the entire face (unless integrated into the face mask and attached to the outside of the mask of the helmet and clear without the presence of any tint) are not allowed during the contest per NFHS rules.

The NFHS SMAC is always concerned that any product or device that attaches to the helmet and/or face mask will void the National Operating Committee on Standards for Athletic Equipment (NOCSAE) certification and will automatically void the manufacturer's warranty and/or lead to the potential of an unintended injury. NOCSAE stated the following with regards to facial coverings attached to the face mask.

A face covering attached to a faceguard would not automatically void the NOCSAE certification of compliance with our NOCSAE standard, assuming it does not attach permanently to the faceguard and has no rigid components that might protrude in to the facial area.

The helmet/faceguard manufacturer has the ultimate final say as to what can and cannot be attached to their face mask.

Please be aware of this information from the NOCSAE as it does apply to products that were not made by the manufacturer of the helmet and/or face mask: <https://bit.ly/3jbtHet>

PREGAME AND COIN TOSS PROCEDURES

During the pregame field inspection period, perform the coin toss, limit attendees to the referee, umpire, and the head coach from each team.

If the teams request the toss to be re-enacted before the game, only the Referee, Umpire and Head Coach will come onto the field and all should maintain social distancing principles during the reenactment.

For the overtime procedure, use the same procedure as used at the start of the contest for the coin toss.

OFFICIALS

For the first round, the use of seven (7) or five (5) officials is permitted.

2022 State Football Playoffs - Rounds 1-4 Instructions

For all other rounds, the assignment of officials will be for a seven-person crew.

OFFICIATING (MECHANICS)

The position of the Umpire in a 5- and 7- person postseason crew shall have the initial position in the offensive backfield, on the side of the center opposite the Referee.

The position of the Umpire in a 3- or 4- person non-varsity crew shall be 9 to 10 yards behind the defensive line of scrimmage.

The repositioning of the Umpire does not change any responsibilities and coverage assignments..

OFFICIATING (RULES)

Per NFHS Rule 1-2-3G, the team box is extended on both sides of the field to the 10-yard lines (for both teams) for more space for the teams.

The coaches' area (sideline to two yards off the field) is eliminated for 2022 and is a restricted area at all times except for a charged time-out to allow for freedom of movement and social distancing by officials, chain crews, and ball runners.

REQUIRED BALL TYPE

Spalding balls will continue to be provided to the championship teams for their use.

Participating teams shall use any legally approved Spalding brand football in all playoff games if sufficient inventory is available.

The game balls used must contain the NFHS authenticating mark and must be a Spalding brand football if inventory is available.

Violations of this policy will result in penalties under Bylaw 27 including but not limited to, a maximum fine for the school in noncompliance.

There is no requirement that the ball contain a KHSAA logo.

For the championship games, Spalding will be providing four (4) footballs which will be sent to the participating schools.

Each participating school in the finals may choose to utilize the provided balls, or any other Spalding brand ball in the championship game.

FOOTBALLS AND FOOTBALL CLEANING

All footballs should be regularly and routinely cleaned.

Balls should be managed by competent individuals (ball managers) who are capable of the rigors of keeping them sanitized without game delay.

The ball may be switched in accordance with NFHS playing rules.

Spalding Sport Ball cleaning recommendations follow CDC, state, and local guidelines for health and safety

HELMET FACE MASKS/FACE SHIELDS

Cloth face coverings are permissible by players in the game.

See the details of FACE SHIELDS AND HELMETS WITH FACE MASKS in this section and the details of the main document labeled MASKS/FACE COVERINGS for important details.

AWARDS PRESENTATION PROTOCOL OPTIONS

Utilize the following protocol for distribution of trophies at the district and regional tournaments:

Alternative One

- Teams should remain in separate areas on each side of the field and remain there throughout the presentation.
- Have clearly defined protocols for social distancing between the team groups and the presenters during the presentations.
- Awards should be placed at a "neutral" location away from the teams.
- The trophy presenter should deliver the trophies and other awards to the team representatives in the gathering area and not permit teams to gather near the original awards location.

Alternative Two

2022 State Football Playoffs - Rounds 1-4 Instructions

- Leave trophies boxed and allow the winning and runner-up coach to pick them up one at a time as they leave the facility.
- Have any photos or gatherings outside of the facility.

GAME ARRANGEMENTS - MUTUAL AGREEMENT REQUIRED

The representatives of the two schools involved shall discuss and must agree in advance on all items incidental to playing the game as detailed below.

GAME SCHEDULE

The representatives of the two schools involved shall discuss and must agree in advance on the starting date and time, which shall be on Friday night at 7 p.m. local time, unless the two schools mutually agree to a change.

EXPENSES

The representatives of the two schools involved shall discuss and must agree in advance on mileage and other travel allowances (if any) for the visiting team.

For the fourth round, schools are encouraged to consider a mileage allowance to be paid to the visitors prior to the gate split due to substantial travel distances involved regardless of the method for dividing the gate.

TICKETS

The representatives of the two (2) schools involved shall discuss and must agree in advance on the price of admission, number of passes given to each school, and the distribution of any reserved seats.

Contact the KHSAA through Mr. Tackett or Mr. Cope if you desire to use GoFan through the KHSAA account and have this managed by KHSAA with all proceeds returned to school following trophy and officials cost.

CONCESSIONS

The representatives must agree in advance on the concession rights, which are commonly given to the home team in exchange for use of the field.

The division of game proceeds, including the method of dividing net proceeds must be by mutual agreement.

INSURANCE

The representatives of the two schools involved must agree in advance on the purchasing additional liability insurance if needed.

CEREMONIES

The representatives of the two schools involved shall agree in advance on any activities or functions proposed by the home team to recognize individuals, groups or sponsors that are not indicative of the game being played at a neutral site.

This consideration includes the option to extend halftime to 20 minutes.

OFFICIALS CREW

The representatives of the two schools involved shall agree in advance as to the choice of five (5) or seven (7) officials and such determination has a deadline of the Monday prior to inform the KHSAA representatives.

AGREEMENT ON FINANCES AND GAME PROCEEDS

The schools shall reach agreement on the division of game proceeds, including the method of dividing net proceeds.

Per the Constitution of the Association, the proceeds of all playoff games through the third round shall remain with the schools.

Per Board of Control action and unless otherwise altered, the proceeds of all fourth round games shall remain with the schools.

If no other agreement is reached, and a required facility rental fee is to be paid, the home team shall take the cost of rental from its share of proceeds after the division of proceeds and payment of approved expenses.

There are two common methods of dividing the proceeds from playoff games:

METHOD 1:

- The first and more commonly used method is to simply split the gate receipts after the payment of the trophy bill and the

2022 State Football Playoffs - Rounds 1-4 Instructions

cost of officials.

- In addition, for the fourth round, many schools agree to follow a fixed rate mileage allowance for the traveling team prior to making this division of the gate or a lodging allowance due to cross-state travel.
- This method of dividing proceeds encourages the visiting team to minimize travel expenses and the home team to control game costs and eliminates the perception of inflated costs by either the traveling team or home management.

METHOD 2:

- The second method is a split of the gate after agreed expenses, which would involve the following:
- Allowing for the cost of the trophies and the game officials.
- Determining and agreeing in advance on the expenses of the home team for staging the game, including charges for police and security, ticket sellers and takers, P.A. announcer, dressing room attendants, parking, ushers, statistics, etc.
- Determining and agreeing in advance on the expense allowance for the visiting team for mileage, meals and lodging if applicable.
- If no other agreement on mileage or visiting team travel can be reached, using the state expense allowance is recommended (\$5 per meal per player, \$2 per mile for travel).
- Split the balance between the two teams after payment for the items listed above.

If no agreement exists in advance, the Method 1, as detailed above, shall govern the finances.

All expenses not agreed to by the two schools PRIOR to the game will not be allowed to be included prior to the division of net proceeds.

PLAYOFF OFFICIALS, FEES AND REQUIREMENTS

ALL ROUNDS

Officials are assigned to each contest by the KHSAA.

There is no mileage paid to football playoff officials as a mileage allowance is built-in to the fee to be paid.

Officials are normally not assigned to work a contest in or for their "home" association for any round, but the Commission may make exceptions in the first two rounds for those contests with both teams normally serviced by the same association based on the needs of other games being played.

The names of the officials and the amount of their fees will be posted on the KHSAA website by 10:00 a.m. ET on Wednesday of the week of the contest.

Assignments will be only available through the KHSAA member school login system.

The manager will pay the officials from the game receipts.

Payment to officials should be made on game night unless prohibited by published Board of Education policy.

The use of Arbitrpay for postseason payments is strongly recommended.

FIRST ROUND

A crew of five (5) officials will be assigned to each first round playoff game, unless a seven-person crew is requested by the home team following mutual agreement.

Requests for a seven-person crew for a first round game shall be submitted to the KHSAA on the playoff information form (FB106) that is submitted by the home team no later than noon on Monday of the week of the contest.

Each official is to be paid a game fee of \$100 for the first playoff round for a five-person crew.

If a seven-person crew is requested for the first playoff round, the fee per official shall be \$90.

SECOND ROUND

A crew of five (5) officials will be assigned to each second round playoff game, unless a seven-person crew is requested by the home team following mutual agreement.

2022 State Football Playoffs - Rounds 1-4 Instructions

Requests for a seven-person crew for a second round game shall be submitted to the KHSAA on the playoff information form (FB106) that is submitted by the home team no later than noon on Monday of the week of the contest.

Each official is to be paid a game fee of \$110 for the second playoff round for a five-person crew.

If a seven-person crew is requested for the second playoff round, the fee per official shall be \$100.

THIRD ROUND

A crew of seven (7) officials will be assigned to each third round playoff game.

Each official is to be paid a game fee of \$110 for the third playoff round for a seven-person crew.

FOURTH ROUND

A crew of seven (7) officials will be assigned to each fourth round playoff game.

Each official is to be paid a game fee of \$120 for the fourth playoff round for a seven-person crew.

FACILITIES AND SECURITY

RISK MANAGEMENT RESPONSIBILITY

The home team shall make every effort to ensure that the facility is safe for fans, participants, contest officials and others who may attend the contest.

It is the responsibility of the Game Manager to secure adequate police protection and other security precautions inside and outside the stadium in accordance with the KHSAA Security Practices policy in the KHSAA Handbook.

The Game Manager should ensure the supervision of fans, watching for inappropriate behavior. During sportsmanship announcements, remind fans that foul language and harassment of officials is strictly prohibited and could result in removal.

After the game, have the officials escorted to the locker room and/or parking lot.

KHSAA REQUIREMENTS

Due to the fact that the coach needs to devote full attention to the team, KHSAA requires a game administrator, other than the coach, at each game site.

Unsporting conduct by spectators is a growing concern, and the presence of a game administrator sends the message that unsporting behavior will not be tolerated.

SIGNAGE, BALLOONS, NOISEMAKERS AND BAND PERFORMANCES

Signs/banners are permitted at the facility but must be of good taste and sportsmanship.

The signs/banners must be handheld or attached in a manner not to damage the existing structure.

The signs/banner shall not cover any corporate signage or obstruct the view of patrons.

Amplified noisemakers or items that replicate game management cues are not permitted inside the facility. These items include, but are not limited to: air horns, electronic amplifiers, portable sound systems, instruments that require additional electricity, game clock horns and whistles.

Artificial noisemakers (non-mechanical and non-powered) are permitted provided they do not interfere with game administration, however, the admittance of the items is a venue specific decision.

Balloons, which can block the view of other patrons, are not permitted at the event.

Only venue provided amplified music and band performances are permissible, but only during pregame, natural and planned breaks/timeouts and when the clock is stopped and the ball is not in play.

The playing of the National Anthem will be the responsibility of the home team.

Halftime shall be 15 minutes.

The home team shall perform first if both bands desire to play.

2022 State Football Playoffs - Rounds 1-4 Instructions

The admission price (if any) of school pep bands is a local decision.

MEDICAL PROVISIONS

The home team is responsible for securing medical coverage for the event including athletic trainers and alerting local ambulance service to serve in an on-call status if such cannot be present at the competition site.

It is recommended that an ambulance be present at the game.

It is strongly recommended that the authorized medical coverage be staffed by individuals who can determine whether or not a suspected concussion has occurred per KRS 160.445(3)(a) and the KHSAA Board of Control policies.

- An athlete demonstrating the signs and symptoms of a concussion will be presumed to have sustained a concussion and withdrawn from competition for the remainder of that day.
- If he/she can be immediately evaluated at the game site by an M.D. (Medical Doctor), D.O. (Doctor of Osteopathy), P.A. (Physician Assistant), ARNP (Advanced Registered Nurse Practitioner), ATC (Certified Athletic Trainer); or LAT (Licensed Athletic Trainer) and be determined that a concussion has not been sustained, a coach may return a student-athlete to play, but only with that required evaluation.

A doctor (M.D. or D.O.) must be present at each playoff game.

Due to the unique skill set of Certified/Licensed Athletic Trainers, it is recommended that one of these individuals be present at all practices and contests.

While acknowledging the expense of providing a Certified/Licensed Athletic Trainer, it is nonetheless noted that this shall be an integral part of your contest planning process.

It is also strongly recommended that the member schools utilize only Certified/Licensed Trainers per the Kentucky Board of Medical Licensure, and not members of any other vocation making this claim but without this legal designation.

Any fees associated with medical coverage are to be taken from gate receipts of the home team following mutual agreement and prior to distribution.

EMERGENCY ACTION PLAN

Each Game Manager, per KRS 160.445, is expected to have and maintain a venue-specific emergency action plan which shall be distributed to both schools.

Emergency action plans shall be practiced and referred to prior to competition.

Before the start of a contest, the Game Manager should identify themselves to both schools and game officials and establish a designated area where they can be reached in the event of an emergency.

INCLEMENT WEATHER PROCEDURES

In accordance with the playing rules, 30 minutes prior to the contest beginning, and during the contest, the officials shall make determinations as to stoppage of play.

It is the duty of the Game Manager, in consultation with the officials, participating teams and the KHSAA, to make decisions regarding re-start or re-scheduling in the event of stoppage or postponement.

In the event that changes are made to the schedule, ensure that all teams, media outlets and schools are properly notified.

Any postponed game shall be rescheduled in accordance with the provisions in the Competition Rules for interrupted games.

The Game Manager shall also report the revisions to the KHSAA by emailing fb@khsaa.org to ensure the Rihards.com/KHSAA Scoreboard is updated.

The Game Manager, working with the certified athletic trainer and facility staff, shall monitor and adhere to the KHSAA Board adopted policy with regard to lightning and thunder.

Play shall be suspended at the first sound of thunder or sight of lightning and shall be suspended a minimum of 30 minutes following any subsequent sound/sighting.

In the event of a lightning delay, it is recommended that a maximum of 75 to 90 minutes, by mutual agreement of the teams, be the maximum waiting period before making a decision to postpone.

Special attention should be paid to, and both teams should review, the inclement weather policies on the KHSAA website prior to

2022 State Football Playoffs - Rounds 1-4 Instructions

the game.

MEDIA AND INTELLECTUAL PROPERTY RIGHTS

RADIO BROADCASTS (ROUNDS 1-3)

A broadcast, as used in these instructions, is a non-video, audio only, live or delayed account, including play by play, of any contest.

The participating teams must agree on what, if any, rights fee is to be charged to a radio station broadcast team (radio or online) or outlet (radio or online) broadcasting the event.

This fee is to be included in the gross revenue prior to distribution and is payable to the home team by the outlet.

Any mandated minimum fee schedule will be published annually by the Commissioner's office on the KHSAA website.

RADIO BROADCASTS (ROUND 4)

A broadcast, as used in these instructions, is a non-video, audio only, live or delayed account, including play by play, of any contest.

The participating teams must agree on what, if any, rights fee is to be charged to a radio station broadcast team (radio or online) or outlet (radio or online) broadcasting the event.

This fee is to be included in the gross revenue prior to distribution and is payable to the home team by the outlet.

Any mandated minimum fee schedule will be published annually by the Commissioner's office on the KHSAA website.

GENERAL MEDIA RIGHTS

At all levels of competition during postseason play, control of media access and location at those contests is with the KHSAA, and as such, there are necessary policies and restrictions concerning this event and these provisions will be vigorously enforced.

In general, management of the execution of those assignments is assigned to the host KHSAA school's game manager.

The intellectual property, corporate, broadcasting and media rights to all postseason rounds belong exclusively to the KHSAA, including titling agreements and sponsorships.

No member school can sign an exclusive agreement for a postseason round (district, region, section, semi-state, quarterfinal) without agreement between the schools and approval from the KHSAA, including full compliance with NFHS Network restrictions and the KHSAA's participation within that network.

At all levels of KHSAA sponsored postseason events, including district, regional, semi-state, quarterfinal and state competition, managers shall make allowances for television media to record video of the contests, without play by play, at no charge as long as the sole purpose is for newscast highlights.

At all levels of KHSAA sponsored postseason events, including district, regional, semi-state, quarterfinal and state competition, managers are encouraged to make allowances for other media outlets to be admitted to the contests as long as the sole purpose is for reporting of the actions taking place at the contest and promoting the event.

Participating teams in KHSAA events shall be allowed to record the contest, for coaching purposes only, if space is available with such availability at the discretion of the tournament manager and may be required to sign a waiver indicating that the KHSAA shall be held blameless for any and all liability to those parties involved in the video recording.

Any video recording must not violate existing, acknowledged, written copyright protection or intellectual property agreements and cannot be broadcast in any form, including internet and social media.

If space is deemed available, the tournament manager has the right to designate a specific area for video recording and no video recording will be allowed outside of that area.

The determination of space availability is solely with the tournament manager and shall be equitable for all teams.

A freelance/commercial photographer is any person, including a school employee, not representing an established media outlet or a person who will capture images from the event and re-sell them to anyone, including team members, the families or the general public.

MEDIA RESTRICTIONS AND CONSIDERATIONS

Media access may be limited, especially if there are capacity limits.

2022 State Football Playoffs - Rounds 1-4 Instructions

Establish the limit on the number of credentialed media members at each event (number of passes per outlet, priority to those who regularly cover, home/visitor split, etc.).

Encourage media members to RSVP in advance of the game so that you can allocate space accordingly and grant access to any media on a "waiting list."

The home team is to inform the visiting team representative of the number of spaces available for the visiting team media.

The press box should be limited to essential personnel only, with all individuals respecting social distancing (consider additional accommodations outside if necessary).

No non-working individual should be in the working press area, including spouses, family members, and others.

Pressbox windows and doors should remain open where possible so as not to restrict airflow.

Disseminate as much information online as possible (limit handouts).

Limit field access to working media members only (those who are actively performing work assignments) and all media members shall be outside of the team box.

Incorporate easily identifiable credentials to ensure only authorized personnel are in restricted areas including the sidelines areas.

No existing agreement can be made exclusive that precludes an audio broadcast by the visiting team.

TELECAST/WEBCAST INCLUDING NFHS NETWORK RESTRICTIONS

The KHSAA is a full member of the NFHS Network and as such, restrictions exist on all postseason levels.

A telecast, as used in these instructions, is a video, live or delayed account, including play by play, of any contest over the air.

A webcast, as used in these instructions, is a video, live or delayed account, including play by play, of any contest distributed using the internet.

For district and region play, a fee schedule shall be approved annually by the Commissioner for any telecast/webcast and only those outlets paying such fee in advance shall be permitted to originate a telecast or webcast.

The mandated, minimum fee will be published on the KHSAA website.

For district and region play in all KHSAA sports, a majority vote of the participating schools may set a higher fee than the required minimum and such vote may also recommend to the KHSAA that no broadcast be approved.

Any fee charged in excess of the established minimum fee will be retained/returned to the home school to be distributed as agreed by the teams.

Any approved webcast (or telecast simulcast on a website) shall require the originator to provide a link to the telecast/website not less than four hours prior to the origination of the contest, and such link shall permit the Association to add the content to the NFHS Network menu of contests.

Failure of any approved webcast (or telecast simulcast on a website) to provide a link for inclusion on the NFHS Network will result in denial of approval.

The KHSAA is the only entity permitted to produce live or delayed video from state championship events including semi-state, quarterfinal and state rounds, and is the sole authority for approval of any other.

No entity, unless given prior approval by the KHSAA shall be permitted to produce video telecasts or broadcasts, with the exception of approved media outlets solely recording highlights for news use.

No school or host may approve live webcast or telecast of a contest, such requests shall be referred to Publications and Media Relations Director of the KHSAA.

No entity, including media members, may stream live video content during postseason events including the use of social media products such as Facebook® Live.

For all postseason play, all questions regarding live or delayed broadcast or telecast policies, including requests for approval shall be referred to the Publications and Media Relations Director for approval by the Commissioner.
