The group must arrive together to be admitted.

Cheer busses should plan on dropping the students near Gates 1 and 9 (based on the side of the field on which the team is sitting) on the directional map before proceeding to the Farm Road parking area.

Any cheerleaders above the limit of 35 must purchase a ticket and will not be permitted on the sideline.

The squad, with coaches, must enter AS A GROUP at the appropriate gate, Gate 1 (visitor) or 9 (home) based on sideline assignment.

What individuals compose these groups and their composition is a local school decision.

Cheerleaders are to be located on the sideline at the discretion of the school, but may not be on the concrete cart path behind the team bench and are to place no personal belongings/bags on field level due to space constraints.

Cheerleaders on the playing field may NOT do any stunting due to proximity to the cart path and sideline walls.

BAND ENTRY

Pep bands are permitted, but are required to purchase a ticket for each member and band director.

No one associated with the band is permitted on the playing field.

Band busses should plan on dropping the students near Gates 1 and 9 (based on the side of the field on which the team is sitting) on the directional map before proceeding to the Farm Road parking area.

PEP BUSES

Pep busses may drop off students holding tickets at any available entry gate.

WHEELCHAIR/A.D.A. ACCOMMODATIONS

Accommodations will be made at the venue for persons in wheelchairs and those otherwise unable to utilize the traditional stadium seating.

Due to insurance and other concerns, there will be NO patron wheelchairs allowed on field level.

All requests for accessible seating shall be handled by the ticketing staff at Gate 9.5.

A shuttle will be available for patrons parking in the green accessible parking lot and needing to go to the ticket office.

SUPERINTENDENT, PRINCIPAL, ATHLETIC DIRECTOR

The main building Principal, Athletic Director and Superintendent will be admitted through the Commonwealth Tower lobby pass gate by showing a current year Commonwealth Card.

Admission using this card is ONLY valid at the Commonwealth Tower Lobby Pass Gate entrance (South, Alumni Drive Side).

The entry via Commonwealth Card will not entitle either position to admission into club level seating (Longship or Central Bank) and will not permit field access without a Team Party credential.

If field access is desired for the Superintendent, Principal or Athletic Director, these individuals must be issued one of the Team Party passes.

BUS DRIVERS

All drivers of band, cheerleader and other support personnel busses should be directed to the online maps which are included as links at the end of these instructions.

OFFICIAL TEAM PARTY PASS AND ADMISSION

GENERAL TEAM PARTY PASS PROVISIONS

Each school will be provided 60 Team Party credentials with field-level access only during its respective game, including warm-ups and postgame.

2024 UK HealthCare Sports Medicine Football State Finals

These credentials will be included in the team packet picked up inside the Commonwealth Tower Lobby or shipped to each team based on the Conference Call discussion.

These are the ONLY field-level credentials provided and must be worn by ALL individuals that are not uniformed players, including all on-field members of the coaching staff and school administrators.

Photographers and videographers may not use these credentials and those individuals issued these credentials may not have photo equipment.

Any team traveling to a game on the day in which they are not competing should contact the Commissioner's office via fb@khsaa.org to confirm arrival and seating logistics.

All other persons entering the stadium other than as a group must have a ticket and may not be on field level.

If using a Team Party credential, each person will be required to stay within the team box except for performing necessary functions (statistics, team doctors, etc.).

UNIFORMED PARTICIPANT ADMISSION

Up to 80 players in uniform will be admitted to the stadium at Gates 1 and 9 (based on the assigned side of the stadium) following team drop off.

Extra players above the limit of 80 listed on the postseason roster will need to purchase tickets via khsaatickets.org.

FIELD-LEVEL ADMINISTRATORS

A school may issue any number of Team Party passes to its administration for use for field access and must use Team Party passes for these administrators.

Absent this Team Party pass, there is no allowance to be on the field.

Each team is to complete Form FB125 (Participating Team Information Form), included as a link at the end of these instructions, to be given to security and local law enforcement in case of any issues with fans or for when administrative support is needed from the school.

These Team Party passes allow school administration to be on the field in front of their school's section to assist with crowd control as needed.

Administrators are expected to make themselves known to field-level KHSAA staff in case they are needed.

TEAM BOX NON-COACHES AND OTHER FIELD LEVEL INDIVIDUALS

All members of the traveling party (including the head coach) must wear their team party credential in order to be on the field or in the coaching boxes unless they are in full competition uniform, including shoulder pads.

- This includes managers, doctors, bus drivers, non-dressing players and all other personnel wanting access to the games and field.

Individuals needing field access, but not in playing uniform, will need to be issued a Team Party Credential from the allotment given to each team.

This field access is only for the areas between the 10-yard lines and cannot be used for still photography or video purposes.

Team Party access is only good for the game in which the credential holder's team is playing.

No one may come onto the playing field without a Team Party pass, before, during or after the contest.

Administrators should include coaches, coaches' wives/husbands, administrators, etc., in their plans for distributing the passes.

Credentialed persons are liable for a penalty should they be out of the box for any other reason.

No person under 13 is permitted on the sideline and there is no allowance for baby strollers or other child carrying device even when accompanied by an adult.

Schools are accountable for the conduct of all persons in the team box with regards to the competition rules.

When in doubt, non-essential persons to the playing of the game should be in the stands.

COACHING BOX PASSES, REGULATIONS

Coaching Box Passes must come from the 60 Team Party passes and include field-level access during the contest.

Team Party passes must be worn by these individuals if they come down to the sideline before, during or after the game.

All coaches in the box must be on the school's approved list, meeting all Bylaw 25 criteria.

Photographers and videographers may not use these credentials and those issued these credentials may not have photo equipment.

Coaches in the press box level for one team may only occupy one box and all must be in the same box.

TEAM VIDEO PASSES (COACHING VIDEO ONLY)

Persons holding Team Party passes may access the video deck by going to Gate 1 and using Elevator 13.

Team Party passes must be worn by these individuals if they come down to the sideline before, during or after the game.

The team Video permitted under these provisions may not be sold to other individuals or entities, or used in any way to generate revenue without an appropriate fee being paid.

ADMINISTRATIVE, FIELD SETUP AND VENUE LOGISTICS

PRACTICE/WARM-UP

There is no practice time allowed on Kroger Field's playing surface prior to the game other than the prescribed 40 minute warm-up period.

On the day of the contest, teams may not be on the field wearing any football equipment (including turfs, helmets, pants or pads) prior to 45 minutes before kickoff for any game, with no exception regardless of the length of the previous game.

This 45-minute time period allows for a 40-minute warm-up time with five (5) minutes remaining for pregame introductions.

Schools violating this policy face the possibility of a fine or other punishment permissible by KHSAA Bylaw 27.

PARKING FOR SCHOOL PARTY

Clearly identified team busses will not need parking passes after unloading but need to follow the parking map to the bus parking area on Farm Road.

Parking passes are not necessary as parking is provided at no charge with a ticket or credential.

TEAM LOADING AND UNLOADING

Teams will load and unload players, and equipment trucks will load and unload equipment at Gates 1 and 9 before proceeding to the Farm Road parking area unless otherwise directed by University personnel.

Teams assigned to the North (Cooper Drive) side of the stadium (visiting team) will utilize Gate 1 for loading and unloading.

Teams assigned to the South (Alumni Drive) side of the stadium (home team) will utilize Gate 9 for loading and unloading.

Bus drivers must pay attention to the route maps as well as parking attendants to ensure smooth flow of traffic, patrons and team members.

TEAM BOX AND ROSTER LIMITATIONS

Rosters are restricted to a limit of 80 players in uniform and participating in warm-ups and competition.

All non-uniformed team members who are not essential to game management should be seated in the bleachers or general seating area.

The number of non-essential personnel who are on the field level throughout the contest should be limited, must wear at Team Party pass at all times and not exceed the number of passes allowed (60).

LOCKER ROOMS

Teams should note that the locker rooms will not be available until two (2) hours prior to game time.

Only individuals with the Team Party pass or players in uniform will be allowed in the locker room.

Please inform parents and/or boosters of this important, safety driven restriction.

Teams are asked to be proactive regarding use of the locker room by arriving dressed in competition equipment, excluding shoulder pads and helmets.

- School administrators and coaches will be in charge of enforcing these guidelines.

2024 UK HealthCare Sports Medicine Football State Finals

A representative of the school and the KHSAA playoff staff will inspect the locker room before and after the game.

It is expected that each of the locker rooms will be left in the same condition after the game as before the game.

The KHSAA will take whatever action is necessary, including fining the particular school and assessing the cost for cleanup, to those schools leaving the locker room in unsatisfactory condition.

The KHSAA employs a great deal of security for the championships, as well as assistants to help with the locker rooms.

It is strongly suggested that schools use a "valuables bag" to be taken to the team bench for added security.

GENERAL FALL INSTRUCTIONS FOR ALL SPORT AND SPORT ACTIVITIES

SUPERSEDURE NOTE

The information in these instructions supersedes any information previously distributed.

In many cases, these rules have been revised over the last couple of years through the pandemic to the point where time has not permitted complete overhaul and revision of the competition rules.

All involved should review items such as tiebreakers and procedures for competition and consider this document authoritative.

Contact the primary event contact with any additional questions.

WATER

Coaches and athletes are reminded to bring their own water bottles as no community dispensers can be used.

VENUE SAFETY

Persons who attend KHSAA events may be injured as a result of the risks inherent in being a spectator at such events.

Please advise KHSAA or venue personnel of any situation you encounter which you or a fellow spectator feels should be addressed to minimize risk to all involved.

Any crowd control problems or acts of violence should be brought to the attention of the event staff, which will contact the appropriate authorities.

Attendance at events is a vital family and community based activity which is encouraged.

SIGNAGE, NOISEMAKERS, BALLOONS AND MUSIC

Signs/banners are permitted at the facility but must be of good taste and sportsmanship.

The signs/banners must be handheld or attached in a manner not to damage the existing structure.

The signs/banner shall not cover any corporate signage or obstruct the view of patrons.

Amplified noisemakers or items that replicate competition management cues are not permitted to include, but not be limited to:

- Indoor
 - o Air horns
 - o Electronic amplifiers
 - o Portable sound systems
 - o Whistles
 - o Game clock horns simulator
- Outdoor
 - o Air horns
 - o Whistles
 - o Game clock horns simulator

Managers should confiscate items if used with the managers determining if they are returned post championship.

Balloons, which can block the view of other patrons, are NOT PERMITTED at the event. They should be popped or returned to a vehicle, not allowed into the venue.

Only venue provided amplified music is permissible, but only during pre-event, natural and planned breaks/timeouts.

ENTRY OF SERVICE ANIMALS

Service animals are important and valued professionals that serve the needs of owners and must be present at all times.

Because service animals are essential for specific individuals, we wanted to make all attendees aware of the definitions and guidelines in place to make certain service animals present as well as to ensure the well-being of all individuals in attendance at KHSAA championship events.

Service animals are the only animals the general public may bring into the indoor and outdoor facilities of a KHSAA championship.

The Americans with Disabilities Act (ADA) defines a service animal as a dog who has been trained to perform a task directly related to an individual's disability.

Upon entry to a championship, owners of service dogs may be asked questions as recommended by the ADA to ensure the owner access to their service animal.

The training a service animal receives distinguishes it from other animals and there may be questions about the training provided to the animal and service for which it provides.

Emotional support animals, therapy animals, and other pets are not considered service animals and will not be granted entry to KHSAA events.

In Kentucky, misrepresentation of an assistance animal is a violation with a fine up to \$1,000.

The owner will be responsible at all times for the conduct of the service animal.

Thank you for respecting the training and necessity of service dogs and helping us keep all guests safe when visiting a KHSAA championship event.

SPORTSMANSHIP

The KHSAA requires officials to enforce sportsmanship rules.

High school athletics emphasize positive values and all parties have worked hard to create a sense of teamwork, respect, responsibility and perspective.

We remind you that officials expect good behavior and will quickly penalize misconduct.

We encourage and appreciate your help in letting this competition reflect mutual respect among all participants and officials.

ROSTERS

POSTSEASON ROSTER

Postseason participants must be designated from the freshmen, junior varsity or varsity rosters, which are maintained through the KHSAA member school website throughout the regular season.

Roster revisions must be made before the first date of the postseason when online rosters are closed and considered final.

No additional players may be added to the roster following that deadline, including those teams that advance to the state tournament.

The online, postseason roster may be printed from the KHSAA website as the valid listing of available participants.

This roster information is also used for advance preparations for state qualifying teams or individuals.

BYLAW 22 REMINDER

REQUIREMENT TO ACCOMPANY TEAM MEMBERS

You are reminded that KHSAA Bylaw 22 requires a principal, coach or another approved individual of the school to be present along with any student-athlete who is representing a member school.

HEALTH INFORMATION

PHYSICAL EXAM FORM

Schools are reminded that they are responsible for ensuring parental permission to seek medical treatment is authorized for each participant.

The Principal, Athletic Director or Head Coach can use a copy of KHSAA Form GE04 (Physical Exam Form) for this purpose.

The form contains appropriate emergency treatment permission and should be brought for each athlete at the competition.

EMERGENCY ACTION PLAN

UK HealthCare Sports Medicine is the official Sports Medicine Partner for the KHSAA State Championships.

KHSAA staff will, in consultation with UK HealthCare Sports Medicine and venue personnel, develop an Emergency Action Plan (EAP) for this event.

The on-site training staff will be responsible for any necessary monitoring of the wet bulb globe temperature and notification to KHSAA staff and the contest officials for determinations of any necessary adjustment to activity.

If an athlete or other team member is in need of emergency medical attention, contact the nearest KHSAA staff member, official, trainer or venue staff so emergency medical services can be immediately contacted.

An AED (and in many events, multiple AEDs) will be on site for use in the event of an emergency.

A text notification will be sent each morning to coaches, athletic directors, KHSAA staff, UK HealthCare trainers and workers of the event detailing the location of all AEDs.

ATHLETIC TRAINERS

For KHSAA state opening round events, host sites will be responsible for providing athletic trainers.

The Association will use the services of UK HealthCare to provide trainers for the KHSAA state final sites, and in the event of disagreement, this group shall serve as the primary determinant of medical next steps.

Athletic Training Staff will be available beginning one (1) hour prior to the event and remain available throughout the day.

For team sports - basketball, baseball, field hockey, football, soccer, softball, and volleyball - individual school Athletic Trainers should be included in the distribution of Team Party passes.

For other sport and sport activities, see the sport-specific section of these instructions for bringing a team trainer.

INCLEMENT WEATHER PROCEDURES

In the event of inclement weather, it is the duty of the KHSAA, in consultation with the host facility, to make decisions regarding postponement, rescheduling or cancelation, including getting proper notification to all teams, media outlets and schools.

Staff will utilize the KHSAA website and Twitter to provide updates as well as an emergency text notification system.

KHSAA officials will make every effort to learn the weather forecast prior to the start of competition as the safety of the public and participants will be the most important factor in any decision.

HEAT ILLNESS PREVENTION

It is the responsibility of UK HealthCare on-site training staff to monitor the wet bulb globe temperature and notify on-site staff and contest officials for determinations of any necessary adjustment to activity.

The manager should be aware of the policies and work in conjunction with the licensed or certified athletic trainer hired to work the event in monitoring the Heat Illness prevention program.

The detailed medical policies are online and a link at the end of this general section.

LIGHTNING/THUNDER POLICY

Tournament staff of any outdoor sports or activities, or indoor sports with non-grounded pools, working with the certified athletic trainer and facility staff, shall monitor and adhere to the KHSAA Board adopted policy in regard to lightning and thunder.

All competitions shall be suspended at the first sound of thunder or sight of lightning and shall be suspended a minimum of 30 minutes following any subsequent sound/sighting.

If it is anticipated that the storm will pass, competition may resume following a 15-minute warm-up period.

The detailed medical policies are online and a link at the end of this general section.

STOPPAGE/POSTPONEMENT

It's the duty of the tournament staff, in consultation with the officials and certified trainers, to make decisions regarding resumption or re-scheduling.

In the event of stoppage or postponement, all parties must work together to ensure that all teams, media outlets and schools are properly notified.

While it's imperative to adhere to the scheduled postseason dates, the safety of all parties involved is always the top priority.
