BRIEF WELCOME

Congratulations on behalf of the Kentucky High School Athletic Association Board of Control and staff for advancing to the 2020 Leachman Buick•GMC•Cadillac/KHSAA State Golf Championships.

Refer to this manual and the important website links included at the end of the document to guide you through preparation for your participation.

KHSAA CONTACTS

The primary contact for golf is Associate Commissioner Butch Cope (bcope@khsaa.org).

If Mr. Cope is for some reason not available, Communications Director Joe Angolia (jangolia@khsaa.org) is the backup contact.

Media inquiries should be directed to Mr. Angolia (jangolia@khsaa.org).

Questions may also be directed to the KHSAA offices at (859) 299-5472 and any member of the staff can refer you to the correct party.

COVID-19 GUIDANCE

The KHSAA's complete "Healthy at Sports, Stage 3 - Performance, Return to Competition: Considerations for Fall Sports" document for golf can be found at the following link: <https://bit.ly/3n0Pb0v>.

In addition to golf specific guidance, this document includes guidance for all sports, officials and officiating, COVID-19 Medical Evaluation and Return-to-Play protocol, as well as the KHSAA's COVID-19 Return to Play Form. The information in this document should be thoroughly reviewed by all participants and spectators attending a state championship.

Portions of the golf specific section of the document and additional state championship guidance are included below.

CROSS-REFERENCE TO OTHER GUIDANCE

While this section deals with sports-specific guidance, all involved in the athletic program are expected to reference all guidance standards, including the many that may be non-sports specific and listed in the All Sports Guidance or Officials and Officiating Guidance documents.

Unless otherwise specified, competition shall be held in compliance with the document "Golf House Kentucky Tournament Operations Protocol *COVID-19 Related Guidelines", located on the KHSAA website at <https://bit.ly/34s5Ra7>.

Until further notice and unless otherwise published by the staff of the KHSAA, KHSAA golf matches shall adhere to the attendance restrictions listed on the KHSAA website at <https://bit.ly/2EnwyCb>.

Guidance is broken into three areas:

- **REQUIRED-** These standards are required at all sanctioned contests.
- **RECOMMENDED-** These standards are best practices during all contests during the pandemic and are therefore recommended for all contests.
- **CONSIDER-** While these items are also best practices during this time, local site discretion should be exercised to determine if these items are practical and feasible for use at the contest.

These differences in the guidance are necessitated by the difference in sports, facilities, and geographic areas, differences which are pronounced during normal years, and magnified this school year.

ADMINISTRATIVE AND COURSE SETUP, COMPETITION DAY SETUP AND PLAY (ADOPTED FOR 2020-21)

NOTICES AND REGISTRATION

Participants are not permitted to arrive at the host facility more than 45 minutes before their starting time. If a player arrives at the facility before 45 minutes of their starting time, they must remain in their vehicle.

SETUP

All cups will be placed in the ground for competition rounds per USGA Rules of Golf to allow the ball to properly drop in the hole.

- During the play of a hole, a player must not remove the flagstick from the hole.
- Penalty for a first violation: 1 stroke;
- Penalty for second violation: General penalty;

2020 Leachman Buick•GMC•Cadillac/KHSAA State Golf Championship Instructions

- Penalty for third violation: Disqualification.
- The flagstick has been removed from the hole when it is lifted by a player, his or her partner, or caddy, or any other person at the request of the player by any method resulting in the bottom of the flagstick no longer being in contact with the socket of the hole liner.
- A player may reposition the flagstick without removing it from the hole by touching it with a towel or club. (REQUIRED)

All bunker rakes will be removed for the entire competition. A local rule will be in place allowing competitors (whose ball lays in a bunker) to lift the ball, clean the ball, smooth the sand, and replace the ball within one (1) club length no closer to the hole within the bunker. This will be at no penalty to the player. Please smooth footprints following play from the bunker. (REQUIRED)

The starting area is to be marked/roped off and posted with a sign restricting the area to the Starter and ONLY the players receiving instructions/teeing off. NOTE: the first teeing area is not a part of and is outside the starting area (RECOMMENDED)

Spots will be marked on the ground in the starting area for players to stand to maintain spacing while receiving instructions and other materials. (RECOMMENDED)

A starter's box is viewed as a common area and players will not be allowed to access items normally located in a starter's box. (REQUIRED)

GENERAL PROTOCOL

Food will not be provided as part of the event. Facilities may offer food separate from the tournament provided it is offered in compliance with CDC and Kentucky Health Department guidelines and regulations. (REQUIRED)

Players should follow proper social distancing protocol and stay at least six feet away from other competitors, partners, and other individuals while on property. (REQUIRED)

Before or following a round, players should refrain from shaking another player's hand or contact of any kind with another individual. (REQUIRED)

Players should not touch another player's equipment. (REQUIRED)

Players shall provide their own hand sanitizer.

Spectators are limited to two individuals per participant (REQUIRED)

All individuals must maintain recommended social distancing when assisting players with ball searches, directional messaging, and all other possible interaction points. (REQUIRED)

If they fall out of contention before completion of the championship, they should leave the premises at that time. (RECOMMENDED)

Rules officials must maintain recommended social distancing when assisting players with rules assistance and they must not assist the players with any situation where the official would deliberately need to touch either personal equipment of the player or golf course equipment. (REQUIRED)

PRACTICE AREAS

Practice areas are only available to participants 45 minutes before their tee time. (RECOMMENDED)

- Following our 15-minute tee time intervals (groups of 4), this will limit the practice areas to no more than two groups (maximum of 8 players) at a time. (RECOMMENDED)

Players will be restricted to warming up at every other station on the practice tee (minimum 6 feet apart). (RECOMMENDED)

Tournament staff will monitor the practice areas to ensure compliance with the 45-minute time allotment. (RECOMMENDED)

All practice facilities are closed the remainder of the day to tournament participants following the conclusion of their round. (REQUIRED)

TEE TIMES AND START

Groups of 4 players: a minimum of 15 minutes between tee times. (REQUIRED)

SCORING

Players will utilize the Golf Genius scoring application for posting hole by hole scores during each competition round. Players are advised to download the app prior to arriving at the event.

Scorecards will be distributed to the coaches once on-site, for distribution to the players. Scorecards will be given to the player keeping score to reduce the need for exchanging of cards (if A is keeping score for B, the coach of A will give A the scorecard for B before starting the round). (RECOMMENDED)

2020 Leachman Buick•GMC•Cadillac/KHSAA State Golf Championship Instructions

All players will be assigned a paper scorecard (official scorecard) and their designated marker will populate the scorecard for each hole played. Since the scorecard will be assigned, the exchanging of the scorecards is not necessary. (REQUIRED)

Once the round is complete, players will be assisted by an official scorekeeper to verify all hole by hole scores are correct. The scorekeeper will be in a separate and safe space (GHK Scoring Tent). The scoring area is for players and officials only. The scoring table will not have a cloth, and all players will be positioned at an acceptable social distance from each other. (REQUIRED)

Once all scores have been reported and verified by players and the scorer, each player will twice sign the scorecard in their possession – once on the “Scorer” line and once on the “Attest” line of the same scorecard. The signature on the “Scorer” line is standard, and the signature on the “Attest” line will signify that the player signing approves his or her score that was read aloud and verified by the scorer, the player, and the scoring official. This process will ensure that every player has signed twice – once as a scorer and once to attest their score – without having to exchange scorecards. (REQUIRED)

The scorecard will then be placed in a box by the marker. These scorecards will be collected at the end of the competition round and kept for review if necessary. (REQUIRED)

Players must remain in the designated scoring area until verification is complete. When the player leaves the scoring area, the score for that player is official. The player may not return to the scoring area once he/she has departed. (REQUIRED)

One player will be designated by a GHK tournament official to digitally post all players’ scores in their pairing group. (RECOMMENDED)

POST EVENT

Players should leave the facility upon completion of their round. Exception: if following the final round of the event, a player is in contention for first place, they will be permitted to remain on the property. (RECOMMENDED)

Players in contention to medal, or be included in the top four of the team standings, are permitted to remain on the property as well.

A modified presentation of awards will be used to aid in social distancing.

OFFICIATING (GENERAL)

Unless modified through the competition rules adopted by the Board of Control, contests in golf shall be governed by the rules of the United States Golf Association.

Interpretations to the playing rules shall be solely administered by the KHSAA in collaboration with the Golf House of Kentucky and the local host course.
