BRIEF WELCOME

Congratulations on behalf of the Kentucky High School Athletic Association Board of Control and staff for advancing to the 2021 Leachman Buick•GMC•Cadillac/KHSAA State Golf Championships.

Refer to this manual and the important website links included at the end of the document to guide you through preparation for your participation.

KHSAA CONTACTS

The primary contact for golf is Associate Commissioner Butch Cope (bcope@khsaa.org).

If Mr. Cope is for some reason not available, Assistant Commissioner Joe Angolia (jangolia@khsaa.org) is the backup contact.

Media inquiries should be directed to Communications and Social Media Director Dan White (dwhite@khsaa.org).

Questions may also be directed to the KHSAA offices at (859) 299-5472 and any member of the staff can refer you to the correct party.

COVID-19 GUIDANCE

The KHSAA's complete "Healthy at Sports, Stage 4 - Perseverance, Guidance for Continued Practice and Competition During the Pandemic: Interscholastic Fall Sports" document can be found at the following link: <https://bit.ly/3jvElu7>

In addition to golf specific guidance, this document includes guidance for all sports, officials and media. The information in this document should be thoroughly reviewed by all managers, participants and spectators attending a state championship.

This information is based on the most current information at the time of this publication and is subject to change.

REMINDER - Anyone attending or participating in a KHSAA regular season or postseason event should review their symptoms before arriving. Those that are ill or displaying any symptoms of COVID-19 should stay home.

Guidance is broken into three areas:

- **REQUIRED**- These standards are required at all sanctioned contests.
- **RECOMMENDED**- These standards are best practices during all contests during the pandemic and are therefore recommended for all contests. In a few cases, these will be **STRONGLY RECOMMENDED**.
- **CONSIDER**- While these items are also best practices during this time, local site discretion should be exercised to determine if these items are practical and feasible for use at the contest.

All items in the document should be interpreted as "CONSIDER" meaning for local consideration unless otherwise noted.

These differences in the guidance are necessitated by the differences in sports, facilities and geographic areas, which are pronounced during normal years and magnified this school year.

Masks/face covering information and portions of the golf specific section of the document are included below:

INDOOR FUNCTIONS

It is strongly recommended that no gatherings be held indoors, including pre-tournament meetings, meal gatherings, rules meetings or other functions.

Any part of the event held indoors will be considered a motivating factor for changes in any local masking requirement.

MASKS/FACE COVERINGS

Masks/Face coverings for non-competitors and the requirements surrounding these items are a matter of local jurisdiction.

At minimum, any local or specific masking ordinance should also include a requirement for managers to post signage and make regular announcements.

Competitors

- Due to safety concerns, competitors who are considered to be aerobically exercising should not be required to wear masks during competition.
- Bylaw 22 (contract forfeit) will not apply in situations where a school feels its students are placed in physical jeopardy due to a disagreement between the local jurisdictions regarding mask/face covering requirements, and cases of this type should be reported to the KHSAA to ensure accurate contest results.

Non-Competitors

- Non-Competitors, in compliance with current KDPH and CDC guidelines are recommended to wear masks in all indoor settings unless otherwise exempted (e.g., cannot wear a mask due to disability), regardless of COVID-19 vaccination

2021 Leachman Buick•GMC•Cadillac/KHSAA State Golf Championship Instructions

status.

- In compliance with [current KDPH K-12 education guidance](#), "In general, people do not need to wear masks when outdoors, though mask use may be considered in outdoor settings that involve sustained close contact with other people who are not fully vaccinated."

PUBLIC HEALTH PROTOCOLS

- Each member school is expected to adhere to public health standards regarding isolation and quarantine as well as the adopted Return to Play Protocol in the event of a positive test in a participant or team staff member.

ADMINISTRATIVE AND COURSE SETUP (RECOMMENDED UNLESS NOTED)

PRE-EVENT

All players must play by the current USGA Rules of Golf and KHSAA Conditions of Competition ([Hard Card](#)).

Player registration should not occur on-site and players are expected to be on the tee 10 minutes before the assigned starting time for the round.

Participants are not permitted to arrive at the host facility more than 45 minutes before their starting time. If a player arrives at the facility before 45 minutes of their starting time, they must remain in their vehicle.

EVENT SETUP

To ensure social distancing:

- The starting area will be marked/roped off and posted with a sign restricting the area to the Starter and ONLY the players receiving instructions/teeing off. NOTE: the starting area is not a part of and is outside the starting area.
- A starter's box is viewed as a common area and players will not be allowed to access items normally located in a starter's box.

GENERAL EVENT PROTOCOLS

Players should follow proper social distancing protocol where practical and feasible.

PRACTICE AREAS

Practice areas should only be available to participants 45 minutes before their tee time.

All practice facilities will be closed the remainder of the day to tournament participants following the conclusion of their round.

All players should be assigned a paper scorecard (official scorecard) and their designated marker should populate the scorecard for each hole played.

One player should be designated to digitally post all players' scores in their pairing group.

POST EVENT

Players should leave the facility upon completion of their round. Exception: if following the final round of the event, a player is in contention for an award, they are permitted to remain on the property.

Roster revisions had to be made before the first date of the postseason when online rosters were closed and considered final.

Only players appearing on the school's postseason roster as of the first date of the postseason are eligible to participate in any round.

2021 Leachman Buick•GMC•Cadillac/KHSAA State Golf Championship Instructions

This postseason roster serves as the required eligibility listing for the team in the event of a permitted substitution.

Any golfer listed on the postseason roster may be a substitute on a qualifying team prior to the start of the first round of the state tournament, provided they meet all participation requirements.

There will be no substitutes for individual qualifiers.

If an individual withdraws, the golfer with the next lowest regional score not on the winning team may be substituted prior to the first-round pairings being set, a change that must be made and verified by the respective Region Manager.

Once first-round pairings are set, no further entry revisions may be made.

Schools must contact KHSAA Communications and Social Media Director Dan White (dwhite@khsaa.org) if there are any substitutions, which must all comply with the Competition Rules.

PAIRINGS

For the first round, golfers will be grouped in threesomes based on their regional team/individual scores.

Second-round pairings will be in foursomes and will be made at the close of the first 18 holes of tournament play based upon first round scores.

A link to the pairings templates for both rounds is included at the end of these instructions.

FORMAT

The championships utilize stroke play and are made up of 36 total holes with 18 played each day.

Team scores will be determined by taking the lowest four (4) scores of the five-player team for each round.

In the event of inclement weather, the format may be shortened to 18 holes by the Association.

CUT

All qualifying teams will participate in both rounds.

For individual participants, there will be a cut after the first round of each championship.
