ENTRY OF SERVICE ANIMALS

Service animals are important and valued professionals that serve the needs of owners and must be present at all times.

Because service animals are essential for specific individuals, we wanted to make all attendees are aware of the definitions and guidelines in place to make certain service animals are present as well as to ensure the well-being of all individuals in attendance at KHSAA championship events.

2024 Leachman Buick•GMC•Cadillac Golf State Championships presented by UK HealthCare

Service animals are the only animals the general public may bring into the indoor and outdoor facilities of a KHSAA championship.

The Americans with Disabilities Act (ADA) defines a service animal as a dog who has been trained to perform a task directly related to an individual's disability.

Upon entry to a championship, owners of service dogs may be asked questions as recommended by the ADA to ensure the owner access to their service animal.

The training a service animal receives distinguishes it from other animals and there may be questions about the training provided to the animal and service provided.

Emotional support animals, therapy animals, and other pets are not considered service animals and will not be granted entry to KHSAA events.

In Kentucky, misrepresentation of an assistance animal is a violation with a fine up to \$1,000.

The owner will be responsible at all times for the conduct of the service animal.

Thank you for respecting the training and necessity of service dogs and helping us keep all guests safe when visiting a KHSAA championship event.

Service animals are the only animals the general public may bring into the indoor and outdoor facilities of a KHSAA championship.

The Americans with Disabilities Act (ADA) defines a service animal as a dog who has been trained to perform a task directly related to an individual's disability.

Upon entry to a championship, owners of service dogs may be asked questions as recommended by the ADA to ensure the owner access to their service animal.

The training a service animal receives distinguishes it from other animals and there may be questions about the training provided to the animal and service for which it provides.

Emotional support animals, therapy animals, and other pets are not considered service animals and will not be granted entry to KHSAA events.

In Kentucky, misrepresentation of an assistance animal is a violation with a fine up to \$1,000.

The owner will be responsible at all times for the conduct of the service animal.

Thank you for respecting the training and necessity of service dogs and helping us keep all guests safe when visiting a KHSAA championship event.

SPORTSMANSHIP

The KHSAA requires officials to enforce sportsmanship rules.

High school athletics emphasize positive values and all parties have worked hard to create a sense of teamwork, respect, responsibility and perspective.

We remind you that officials expect good behavior and will quickly penalize misconduct.

We encourage and appreciate your help in letting this competition reflect mutual respect among all participants and officials.

ROSTERS

POSTSEASON ROSTER

Postseason participants must be designated from the freshmen, junior varsity or varsity rosters, which are maintained through the KHSAA member school website throughout the regular season.

Roster revisions must be made before the first date of the postseason when online rosters are closed and considered final.

No additional players may be added to the roster following that deadline, including those teams that advance to the state tournament.

The online, postseason roster may be printed from the KHSAA website as the valid listing of available participants.

This roster information is also used for advance preparations for state qualifying teams or individuals.

BYLAW 22 REMINDER

REQUIREMENT TO ACCOMPANY TEAM MEMBERS

You are reminded that KHSAA Bylaw 22 requires a principal, coach or another approved individual of the school to be present along with any student-athlete who is representing a member school.

HEALTH INFORMATION

PHYSICAL EXAM FORM

Schools are reminded that they are responsible for ensuring parental permission to seek medical treatment is authorized for each participant.

The Principal, Athletic Director or Head Coach can use a copy of KHSAA Form GE04 (Physical Exam Form) for this purpose.

The form contains appropriate emergency treatment permission and should be brought for each athlete at the competition.

EMERGENCY ACTION PLAN

UK HealthCare Sports Medicine is the official Sports Medicine Partner for the KHSAA State Championships.

KHSAA staff will, in consultation with UK HealthCare Sports Medicine and venue personnel, develop an Emergency Action Plan (EAP) for this event.

The on-site training staff will be responsible for any necessary monitoring of the wet bulb globe temperature and notification to KHSAA staff and the contest officials for determinations of any necessary adjustment to activity.

If an athlete or other team member is in need of emergency medical attention, contact the nearest KHSAA staff member, official, trainer or venue staff so emergency medical services can be immediately contacted.

An AED (and in many events, multiple AEDs) will be on site for use in the event of an emergency.

A text notification will be sent each morning to coaches, athletic directors, KHSAA staff, UK HealthCare trainers and workers of the event detailing the location of all AEDs.

ATHLETIC TRAINERS

For KHSAA state opening round events, host sites will be responsible for providing athletic trainers.

The Association will use the services of UK HealthCare to provide trainers for the KHSAA state final sites, and in the event of disagreement, this group shall serve as the primary determinant of medical next steps.

Athletic Training Staff will be available beginning one (1) hour prior to the event and remain available throughout the day.

For team sports - basketball, baseball, field hockey, football, soccer, softball, and volleyball - individual school Athletic Trainers should be included in the distribution of Team Party passes.

For other sport and sport activities, see the sport-specific section of these instructions for bringing a team trainer.

INCLEMENT WEATHER PROCEDURES

In the event of inclement weather, it is the duty of the KHSAA, in consultation with the host facility, to make decisions regarding postponement, rescheduling or cancelation, including getting proper notification to all teams, media outlets and schools.

Staff will utilize the KHSAA website and Twitter to provide updates as well as an emergency text notification system.

KHSAA officials will make every effort to learn the weather forecast prior to the start of competition as the safety of the public and participants will be the most important factor in any decision.

HEAT ILLNESS PREVENTION

It is the responsibility of UK HealthCare on-site training staff to monitor the wet bulb globe temperature and notify on-site staff and contest officials for determinations of any necessary adjustment to activity.

The manager should be aware of the policies and work in conjunction with the licensed or certified athletic trainer hired to work the event in monitoring the Heat Illness prevention program.

The detailed medical policies are online and a link at the end of this general section.

LIGHTNING/THUNDER POLICY

Tournament staff of any outdoor sports or activities, or indoor sports with non-grounded pools, working with the certified athletic trainer and facility staff, shall monitor and adhere to the KHSAA Board adopted policy in regard to lightning and thunder.

If it is anticipated that the storm will pass, competition may resume following a 15-minute warm-up period.

The detailed medical policies are online and a link at the end of this general section.

It's the duty of the tournament staff, in consultation with the officials and certified trainers, to make decisions regarding resumption or re-scheduling.

In the event of stoppage or postponement, all parties must work together to ensure that all teams, media outlets and schools are properly notified.

While it's imperative to adhere to the scheduled postseason dates, the safety of all parties involved is always the top priority.
