 - b) Any live action being shown during the contest may only be the simulcasting of a media broadcast of the event, and no audio from the simulcast can be projected via the venue sound system;
 - c) In the event of officials holding any type of conference to properly interpret or apply a game situation, video replays may NOT be shown during that conference and may not be shown until later in the contest or during a charged conference;
 - d) Any replay of game action that is shown on the video board, shall be shown only once immediately following the play, only at full game speed, and without announcing commentary from any source;
 - e) Replays of specific scoring plays and contest highlights may be shown during charged conferences or during breaks between periods, but should reflect a balance between participating teams and may not include announcer commentary;
 - f) Game administration is continually expected to exercise prudent judgment and ensure that nothing shown on the video boards can serve to incite the crowd against either team or the contest officials. Failure to perform this expected discretion may result in penalties against the school for a violation of Bylaw 15, Practice of Sportsmanship.
