Operations

Annual Meeting Proposals

Second Reading, Bylaw 5 Amendment for Restoring Eligibility

Based on the first reading and board discussion, staff proposed the following: Recommend the Commissioner implement the appropriate language and distribute to the member schools the requirement that the appropriate collaboration of the School Based Council and the Local Board of Education determine the requirement for reinstatement of eligibility after being ineligible for an entire credit period following the failure to meet the first day credit requirement. The other issue being proposed is a process by which the student could meet the requirement during the first half of the season, after reaching that threshold.

Motion Passed: That there be an annual meeting proposal stating that any student who is ineligible due to the failure to meet the first day credit requirement could restore eligibility by, subsequent to the first day of school, meeting the initially required credit requirements after being ineligible for at least half of the regular season. Such eligibility may begin, at its earliest, on the first day following the halfway point of the regular season per the season calendar, or the point at which the student meets the first day credit requirement, whichever occurs later. Passed with a motion by David Zuberer and a second by Marty Mills. Matt Wilhoite Yes, Greg Howard Yes, Randy McCallon Yes, Brandy Carver Yes, Brian Courtney Yes, Noel Crum Yes, Jim Demler Yes, Mandi Hudson Yes, Damon Kelley Yes, Marty Mills Yes, Michael Phillips Yes, Coy Samons Yes, Gavin Washington Yes and David Zuberer Yes.

Bylaw 10, NIL, Discuss Reporting

This was a proposal to direct staff to develop a reporting mechanism as part of its NIL regulations and practices to help ensure the school and its program are not unexpectedly out of compliance with adopted rules for the simple reason that they were unaware.

Motion Passed: That staff develop a reporting mechanism and review regulatory amendments that would compel NIL recipients to report such agreements to the Designated Representative of the member school to assist in ensuring the Designated Representative is

able to comply with Bylaw 1. Passed with a motion by Mandi Hudson and a second by Greg Howard. Second Reading, Bylaw 23 Tryout Period

Consideration of an off-season period that would NOT be a violation of Bylaw 23, and consider revising interpretations to match. Due to existing opportunities, all sport- activities are not included. In addition, football and cross country are not included due to existing opportunities. For the sports of cross country, field hockey, golf, soccer and girls' volleyball, each school through its designated representative, may designate a non-exclusive tryout period for up to three days over a seven-day window after the Christmas break and prior to the end of the school year. For the sports of basketball, swimming diving and wrestling, each school through its designated representative, may designate a non-exclusive tryout period for up to three days over a seven-day window after the season and prior to the end of the school year. For the sports of boys volleyball, baseball, softball, lacrosse, track field and tennis, each school through its designated representative, may designate a non-exclusive tryout period for up to three days over a seven-day window after the first day of school and prior to the Christmas Break.

Second Reading Boys' Volleyball Season Limit

In May, the Board approved a draft limitation of seasons for Volleyball for boys to start play in 2025 with the following parameters.

DRAFT OF PROPOSED CALENDAR - SPRING BOYS VOLLEYBALL:

- Practice Start: Monday of Week 31
- Contests Begin: Monday of Week 35
- Match Limit: 18
- Postseason: 2 Rounds for 2025

Feedback has been positive with no vocal opposition with the exception of the number of volleyball matches. Motion Passed: Amended the draft to raise the limitation of contests to 25 for 2025 with further evaluation after this first season, and, with that limit, approve the proposed limitation of season for boys' volleyball effective with the 2025 spring season. Passed with a motion by Damon Kelley and a second by Jim Demler. Changes in Dance Championship Team Entry

Universal Dance Association made a change to the squad sizes for 2024-25, raising the maximum to 40 participants. In an effort to match current UDA divisions, this change should be adopted within KHSAA postseason competition to change the squad sizes to: Jazz - minimum 5, maximum of 40 Game Day - minimum 5, maximum of 40 Pom - minimum 5, maximum of 40. In addition, due to the growth of the Hip Hop division, data shows the one division should separate into small and large divisions. UDA already has these divisions set and staff suggested matching those divisions. They would be as follows: Small Hip Hop - minimum 5, maximum 14 Large Hip Hop - minimum 15, maximum 40. These would necessitate approval the following changes in Dance Maximum Squad Size Limit in all divisions to 40 to match UDA; Divide Hip Hop into multiple divisions based on number of entering squads; and Set in policy that dance competition styles with an average of 40 entries in at least three consecutive years will be divided into small and large divisions.

Motion Passed: Approved the changes in Dance - Maximum Squad Size Limit in all divisions to 40 to match UDA; Divide Hip Hop into multiple divisions based on number of entering squads; and Set in policy that dance competition styles with an average of 40 entries in at least three consecutive years will be divided into small and large divisions. Passed with a motion by Gavin Washington and a second by Greg Howard. Matt Wilhoite Yes, Greg Howard Yes, Randy McCallon Yes, Brandy Carver Yes, Brian Courtney Yes, Noel Crum Yes, Jim Demler Yes, Mandi Hudson Yes, Damon Kelley Yes, Marty Mills Yes, Michael Phillips Yes, Coy Samons Yes, Gavin Washington Yes and David Zuberer Yes.

Changes in Cheer Game Day Squad Sizes to Align with UCA

To better align with the current UCA Game Day divisions and scoresheets, the number of the

size divisions of the KHSAA Game Day divisions need to be adjusted. The suggestion was to change the Small Coed Game Day for teams with 5-19 members (the UCA Small/Medium divisions), and then the Large Coed Game Day for teams with 20-30 members (the UCA Large/Super divisions). For reference, the 2023 divisions for Game Day were 5-17 and 18-30. If approved, the divisions for 2024-25 would be: Small All-Girl Performance Building (2.5 Minute) minimum 5, maximum of 15 Medium All-Girl Performance Building (2.5 Minute) minimum 16, maximum of 19 Large All-Girl Performance Building (2.5 Minute) minimum 20, maximum of 23 Super All-Girl Performance Building (2.5 Minute) minimum 24, maximum of 30 Coed Performance Building Division (2.5 Minute): 1 or more boys; minimum 5, maximum of 30 Game Day Coed Small minimum 5, maximum of 19 Game Day Coed Large minimum 20, maximum 30

Motion Passed: Approved the changes in the Game Day Division to more closely align with UCA to assist the member schools in all levels of competition. Passed with a motion by Randy McCallon and a second by Noel Crum. Matt Wilhoite Yes, Greg Howard Yes, Randy McCallon Yes, Brandy Carver Yes, Brian Courtney Yes, Noel Crum Yes, Jim Demler Yes, Mandi Hudson Yes, Damon Kelley Yes, Marty Mills Yes, Michael Phillips Yes, Coy Samons Yes, Gavin Washington Yes and David Zuberer Yes.

Changes in Indoor Track

With the KHSAA taking over a long traditional meet from the respected KTCCCA (coaches association), we initially adopted the events that they had been conducting for several years. Now that we have been through one year, KHSAA would like to align Indoor Track Field to the events listed in the NFHS Track Field Rules Book. Standard Indoor Track Events: 4x800m Relay, 55m High Hurdles, 55m Dash, 4x200m Relay, 1600m Run, 400m Dash, 800m Run, *200m Dash, 3200m Run, 4x400m relay (*due to facility). Standard Indoor Field Events: High Jump, Long jump, Pole vault, Shot Put, Triple Jump. With ample notice, coaches and athletes will be able to participate in these specific events during the regular season to qualify for the 2025 State Championships. In addition, no conversions from similar events will be accepted for 2025 and all qualification performances must come from the exact event.

Motion Passed: Accepted the report and directed the changing of the competition rules including the proposed event listing and the elimination of converted times for qualifying. Passed with a motion by Greg Howard and a second by Brian Courtney. Matt Wilhoite Yes, Greg Howard Yes, Randy McCallon Yes, Brandy Carver Yes, Brian Courtney Yes, Noel Crum Yes, Jim Demler Yes, Mandi Hudson Yes, Damon Kelley Yes, Marty Mills Yes, Michael Phillips Yes, Coy Samons Yes, Gavin Washington Yes and David Zuberer Yes.
