held at Brown Hotel, January 3, 1931.

In the Fredonia case Mr. Brown is instructed to investigate concerning the credits sent to Spickard from Crider, whether they would give reason for the assumption that Sylvan Riley was in school the second semester last year, - and to make a decision according to his judgment concerning suspension of Fredonia for playing Riley this fall.

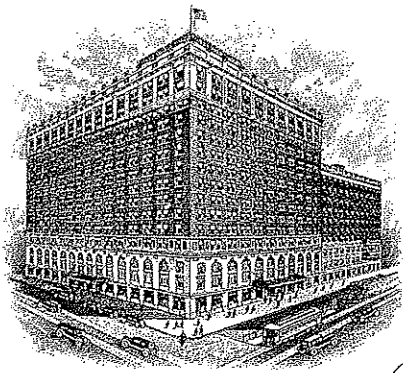

Concerning Buddy Mackin, Bardstown, 21 years old, protested by Lebanon. Mr. Hibbs to be directed to show cause why his school should not be suspended for refusal to remove Mackin from his team after seeing the baptismal certificate, and for failure to furnish information requested by the President.
