Minutes of the Meeting of the Board of Control  
held at the Brown Hotel in Louisville, April 24, 1935

Members Present: Messrs. O'Donnell, Meinschein and Hill.

The votes on the ten proposals which by action of the last annual meeting were submitted for a referendum vote having been counted, the Secretary was instructed to notify members of the results.

The Board sanctioned the proposed State Championship Golf Meet to be held under the sponsorship of the Kentucky Military Institute.

The Board decided to appoint at its next meeting the two directors authorized by the referendum vote, naming two principals, one of whom shall be a coach, from sections of the state not now represented on the Board.

After the above appointments shall have been made the Board will take up, at a later meeting, the redistricting of the State.
