Board of Control Meeting - June 8, 1956

The Board of Control of the Kentucky High School Athletic Association met at the Kentucky Hotel, Louisville, on Friday morning, June 8, 1956.

The meeting was called to order by President Williamson at 9:30, with all Board members, Commissioner Theo. A. Sanford, and Assistant Commissioner J. B. Mansfield present. Also present were President Davidson and Dean Lawrence of the University of Louisville, Earl Ruby of the Courier-Journal, and Clyde Reeves of the State Fair Board.

Messrs. Davidson and Lawrence assured the members of the Board that the University of Louisville staff would do everything in its power to assist the tournament management in every way in the event the Board decided to move the 1957 State High School Basketball Tournament to Louisville.

Chairman Jack Dawson of the State High School Basketball Tournament Site Survey Committee reported that his committee had had one meeting, and that a list of items had been prepared concerning which the Board should have definite information before the decision should be made relative to the location of the 1957 State Basketball Tournament. Mr. Reeves was on hand to answer most of the questions involved. He stated that the rental price for use of the Kentucky Fair Coliseum during the four-day period of the 1957 tournament would be $8,000.00. He stated that the Brantley Usher Service had estimated that approximately 108 persons would be needed to staff the tournament at any one time, on the assumption that the Coliseum would be filled. The Fair Board would retain the parking concession, but would make a charge of only 50¢ per car per day, this being on an in-and-out basis. Mr. Reeves believed that all access roads to the fairground area would be finished by tournament time. He did not have any definite information concerning a possible reduction in bus fares from downtown Louisville to the fairgrounds, but indicated that it was his belief that some reduction might be effected. He stated that the food prices in the Coliseum dining room and cafeteria would be under the direct control of the State Fair Board, and that the concessionaires would not be allowed to charge prices essentially higher than general food prices in the city and county.

President Williamson thanked the visitors for their presence and information, at which time they retired from the meeting.

W. H. Crowder moved, seconded by Louis Litchfield, that the reading of the minutes of the April meeting be waived, since the members of the Board had received copies of these minutes. The motion was carried unanimously.

Jack Dawson moved, seconded by Robert P. Forsythe, that the vote on the location of the 1957 State High School Basketball Tournament be by secret ballot and that in case of a tie the decision be postponed for further study. The motion was carried.

W. B. Jones moved, seconded by K. G. Gillaspie, that the 1957 State High School Basketball Tournament be held in Lexington, with the stipulation that the 1958 tournament be brought to Louisville if satisfactory arrangements can be worked out with the State Fair Board. A secret ballot was taken which resulted in four voting "aye" and four "no."
There was a general discussion concerning methods which might be used in breaking the tie vote. Robert P. Forsythe moved, seconded by W. H. Crowds, that the Board postpone action in the matter of locating the 1957 State High School Basketball Tournament until the July meeting. The motion was carried.

The Commissioner reported that he, Director K. G. Gillaspie, and Director Jack Dawson recommended the following changes for 1956-57 in basketball redistricting: D. 24, Nelson and Washington; D. 29, Bullitt and Spencer; D. 30, Shelby and Ormsby Village; D. 31, Henry, Oldham, and Trimble; D. 32, Carroll, Gallatin, Grant, and Owen. Roy G. Eversole moved, seconded by W. B. Jones, that the redistricting as recommended by Messrs. Dawson, Gillaspie, and Sanford be approved for 1956-57. The motion was carried unanimously.

Louis Litchfield moved, seconded by W. B. Jones, that all bills of the Association, beginning April 13, 1956, and ending June 7, 1956, be allowed. The motion was carried unanimously.

The Board was then called to order in its capacity as Board of Directors of the K.H.S.A.A. Protection Fund.

Secretary-Treasurer Sanford presented a list of claims which had been paid since April 13, 1956, the total amount of these claims being $2,709.49. K. G. Gillaspie moved, seconded by W. H. Crowds, that the claims as presented by the Secretary-Treasurer of the Protection Fund be allowed, and that a list of these claims be made a part of the minutes of the meeting. The claims are as follows:
