Board of Control Meeting - March 20, 1959

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. building, Lexington, on Friday morning, March 20, 1959. The meeting was called to order by President Russell Williamson at 9:00 with all Board members and Commissioner Theo. A. Sanford present.

Cecil A. Thornton moved, seconded by K. G. Gillaspie, that the reading of the minutes of the January meeting of the Board be waived, since the members of the Board had received copies of these minutes. The motion was carried unanimously.

The Commissioner reported that Directors Robert P. Forsythe and K. G. Gillaspie had been re-elected to membership on the Board of Control for a four-year period, beginning July 1, 1959, to represent Sections 2 and 5 respectively. The Commissioner reported that no candidates had filed against Messrs. Forsythe and Gillaspie.

There was a discussion of possible proposals to be submitted by the Board of Control to the forthcoming Assembly of the K.H.S.A.A. The Commissioner was authorized to submit the following proposals as Board proposals, on motion of W. B. Jones, seconded by K. G. Gillaspie, the motion carrying unanimously:

Proposal I--The Board of Control proposes that the last sentence of By-Law 20, Section 1, be amended to read as follows: "No member school shall take part in any tournament or game from which any outside organization derives a financial profit from ticket sales, advertising, concessions, or any other source. Violation of this provision shall cause the offending school to be suspended from membership in this association for a minimum period of six months, or for a longer period, not to exceed one year as the Commissioner may decree.

Proposal II--The Board of Control proposes that By-Law 30 be changed to read as follows: "All coaches and assistant coaches of athletic teams of members of this association shall be certified teachers and members of their regular school faculties. They shall be regularly employed by their Boards of Education, and their entire salaries shall be paid by such boards; they shall teach a minimum of three regular periods of classes, gymnasium, study halls, or other activity assignments within the school's schedule. All schools shall comply with this provision in order to qualify for and to maintain membership in this association.

Proposal III--The Board of Control proposes that the following be added to the second sentence of Tournament Rule 8: "except that the Commissioner shall have authority to permit the correction of any obvious error in certification." (clarification)

Proposal IV--The Board of Control proposes that Tournament Rule V-B be amended to provide that the Commissioner shall have authority to assign State Tournament officials.

Proposal V--The Board of Control proposes that Tournament Rule V-A be amended to provide that the Commissioner be authorized and directed to assign Regional Tournament officials, and that no official shall be assigned to work the Tournament in a region where he resides.

W. H. Crowds moved, seconded by Jack Dawson, that all bills of the Association, for the period beginning January 31, 1959, and ending March 19, 1959, be approved. The motion was carried unanimously.

The Board was then called to order in its capacity as Board of Directors of the K.H.S.A.A. Protection Fund.

Secretary-Treasurer Sanford presented a list of claims which had been paid by the Protection Fund since January 31, 1959, the total amount of these claims being \$6,320.83. W. B. Jones moved, seconded by Louis Litchfield, that the claims as presented by the Secretary-Treasurer of the Protection Fund be allowed. The motion was carried unanimously. The claims are as follows:
