December 4, 1993

President Story reconvened the December meeting of the KHSAA Board of Control on Saturday, Dec. 4, 1993, at 8 a.m. with all Board members present. Also present were Commissioner Billy Wise, Exec. Asst. Louis Stout, Assistant Commissioners Bridget Devries and Larry Boucher, Business Manager Julian Tackett, SID Brooks Downing, Ken Tippett, Danny Reeves and John Wharton of Greenebaum Doll & McDonald, Gary Faulkner of the State Dept. of Education, Andy Hills and Bill Keller of Fifth Third Bank and Dirk Bedaff of Peck, Shaffer & Williams.

President Story began the meeting with a discussion of the refinancing of the Bond issue. Board members were given a copy of all documents pertaining to said refinancing for their review on Dec. 3. Story called on Tackett to discuss the issue at hand - that being the mechanic's lien filed by a contractor on the new office building and Hall of Fame Museum in April of 1993. He explained the situation would therefore necessitate monies being deposited with the refinancing party to secure this lien. Several possibilities were discussed for absolving the problem. Tackett also explained there would be two closings on the loan - one now, a taxable loan, and a tax exempt loan to be closed around the Middle of February.

Wharton of Greenebaum, Doll & McDonald was called on to answer specific questions regarding the wording in the loan documents. Hills of Fifth Third Bank, advised the Board members that some specific phrases were standard clauses in all loan documents.

President Story called on each Board member for comments on the revised documents. Rogers asked if the bank required a legal opinion and was advised they did not at this time but would require one at a later date.

Other items of concern expressed by the Board were pending litigation cases and the financial cost connected to the case in the event of a loss. Representatives of Fifth Third Bank expressed no concern regarding same.

Hopper asked about the Debt Service Reserve. President Story explained the need for $400,000 to be placed in escrow until the February loan closing, and then $280,000 to $300,000 to be placed in escrow to cover one year's payments. -6

Keller explained that the appraised value of the building is under the loan amount.

Steidel commented that the purpose of the loan is to combine obligations and all negotiations were in "good faith". The "Events of Default" which is an issue of concern of the Board is an important issue - but common language will be a part of the document with any financial institution.

Keller pointed out that the bank will be meeting with Tackett on a regular basis.

Commissioner Wise stated that it would be in everyone's best interest to try to resolve the lien problem by February.

Rogers noted that the Board did not ask for or obtain an actuarial analysis or a legal opinion of the new loan.

Cardwell made a motion, seconded by Jackson, that $95,000 in the restricted Court of Support brick sales and $7,551 in loan proceeds be deposited into an investment account at Fifth Third to secure the lien. The motion passed unanimously.

Talbott then made a motion that an investment account and a checking account be opened at Fifth Third Bank. Steidel seconded the motion which passed unanimously.

President Story then called for recess at 10 a.m. in order for Board members to sign loan documents.

A blank amount existed on the Escrow Trust Agreement which would not be known until Monday, Dec. 6 due to the pricing of defeasance securities. Steidel moved to allow Commissioner to fill in amount and initial on the original document. Ken Cox seconded the motion which passed unanimously.

Hopper noted that at an earlier time she stated there was a blank in the original document and was advised that all blanks would be filled in.

President Story then called on Hornback for an update of the Court of Support Campaign.

Hornback gave an enthusiastic report of the campaign, and that the Court of Support is a good idea. He felt it needed more exposure across the State and thus the need for this statewide campaign. Hornback then explained the development of the video and it was previewed by the Board and Staff.

President Story called on Commissioner Wise to discuss the next Agenda item — a rebate program for the member schools. Commissioner Wise recommended that this item be deferred to the January meeting. Steidel felt it necessary that the Board go on record as supporting such a rebate plan and the Board's intention of positively reviewing such a plan whether it be in the form of a rebate to the member schools or a reduction in dues for the 1994-95 school year with final resolution at the January 1994 meeting.

President Story proceeded with the next item on the Agenda — a discussion of the Draft of Intercholastic Athletics prepared by the Task Force Commission. Commissioner Wise then advised the Board members that he would be attending the Public Hearings of the Task Force Commissioner the week of Dec. 6-10 and would be happy to speak to any of the items if the Board so desired.

The Board then discussed particular items in the draft, but took no action.
