Commissioner Wise then advised the Board members of an item of concern expressed by the Task Force – the sponsorship of new sports offered by the National Federation and the continuance of existing sports. The proposed policy was then discussed as recommended by the Commissioner:

1) SANCTIONING A SPORT - The KHSAA shall sanction any sports offering for which the National Federation adopts a rules code, or approves a code written by an outside entity. Such sanctioning shall allow students to participate in these sports as long as they are compliant with all applicable KHSAA bylaws regarding student eligibility.

2) SPONSORING A CHAMPIONSHIP - The KHSAA shall sponsor a championship in a new sport offering for which a championship is not currently being held if a survey of the membership yields a twenty percent (20%) favorable response of the total number of member schools. In order to continue an existing offering, fifteen percent (15%) of the membership must field a team (or group of individuals as applicable) and desire to participate in postseason championships.

3) METHOD OF DETERMINING INTEREST - The KHSAA shall survey its membership during the 1993-94 school year, and every three years thereafter to measure desire for a new offering. The KHSAA Limitation of Seasons shall not address a specific sport unless and until it meets the desired participation threshold to allow for the maximum opportunity to expose the sport to growth.

Steidel made a motion, seconded by Hicks, that the Board send a survey to schools regarding the above recommendation. The motion passed unanimously.

A discussion of the Hall of Fame Selection Criteria and Procedure was the next item on the Agenda. The recommended criteria is as follows:
