Tasso Harris made a motion, seconded by Wendell Thomas, to set aside the Hearing Officer’s Recommendation on Appeal #335 heard on March 23. The motion to set aside this appeal passed 12-1. In support of its decision, the Board issued the following findings of fact: 1) The membership has reaffirmed its intentions with regard to the enforcement of Bylaw 8 with repeated votes to leave the rule unchanged in the last few years; 2) To enforce the provisions of Bylaw 8 on these students consistent with the similar treatment of the other 49,000 interscholastic athletes in Kentucky who abide by this restriction; 3) Until such time as it is amended, Bylaw 8 should be consistently applied.

As a Conclusion of Law, the Board of Control found that the Hearing Officer’s decision was clearly erroneous and that to allow these students to participate in post-season camps and/or tournaments prior to the last day of school or May 31 would establish an undesirable precedent and would deprecate the value of Bylaws 8 & 26.

No. Bylaw Appellant School Findings

Tom Bryant made a motion, seconded by Teresa Isaac, to set aside the Hearing Officer's Recommendation on Appeal #333 heard on March 23. The motion to set aside this appeal passed 12-2. Kathy Johnston abstained. In support of his decision, the Board issued the following findings of fact:
1) The circumstances in this case do not warrant a waiver of Bylaw 6 due to the fact that Darcy could have obtained a Commonwealth Diploma at the sending school;
2) That her scheduling problem was not beyond her control but was her own choice to retake calculus;
3) Other potential schedule changes were available to this student which would have allowed for the continuation of her involvement in band.

As a Conclusion of Law, the Board of Control found that the Hearing Officer's decision was clearly erroneous and that to allow this student to participate in interscholastic athletics would establish an undesirable precedent and would depreciate the value of Bylaw 6, Transfer Rule. The order was made final and Darcy Richards is hereby declared ineligible to participate at Bourbon County High School for a period of one year from January 13, 1998.
