Reference: Dawahare/KHSAA Hall of Fame – Marvin Moore

Dear KHSAA:

It is an honor and a privilege to write this letter of recommendation in support of Marvin Moore becoming a member of the KHSAA/Dawahare Hall of Fame.

I have known Marvin for over thirty years, professionally and personally. I can truly say that he has been a role model for basketball officials, at all levels of the game. He officiated on the high school level for twenty-three years. During that time he worked eighteen regional finals and five state tournaments. Four of those five state tournaments, he worked the final games. That fact alone indicates the skill level and dedication he had for the game. He was also chosen, four times, as the sixteenth region basketball official of the year. Most importantly, he provided student athletes an example of integrity at its finest.

Other noted accomplishments of Mr. Moore include the following. He is presently a member of the Board of Control for the KHSAA, representing the fifteenth and sixteenth regions. Also, he has been a middle school and high school principal for over twenty years. He is currently the superintendent of the Rowan County schools. There is no better example of positive leadership and influence.

Marvin's varied experiences of officiating, his educational background and his leadership roles, provide him with the ability to be both objective and encouraging for students, athletes and young officials. Marvin is a man who can make tough and/or unpopular decisions. However, I have always found that his decisions are for the betterment of ALL. As exemplified in all aspects of his life, it is evident that Marvin believes in hard work and dedication.

In summary, Marvin's distinguished personal characteristics of integrity, objectivity, leadership, and compassion exemplify traits of the Dawahare/KHSAA Hall of Fame. This prestigious organization would be honored to have him as a member.

Sincerely,

Tommy L. Hall
