I have nominated E. G. Plummer for the Dawahare's Kentucky High School Athletic Association Hall of Fame. Enclosed is a brief summary of Mr. Plummer's record as an outstanding high school trackster and his even more impressive record as track coach.

I know that there are many worthy nominees for this honor, but I feel that Coach Plummer has meant so much to the sport of track in Kentucky that I ask you to support his nomination. Coach Plummer retired in 1990. He is 69 years old.

Sincerely,

Ken Snowden
